Historical Basis of Socialism in Ireland Thomas Brady, 1919

History of the Sinn Fein Movement and the Irish Rebellion of 1916 Francis P. Jones, 1917 Sinn Fein Gaelic for We Ourselves was founded to promote the cultural revival and political independence of Ireland History of the Sinn Fein Movement and the Irish Rebellion of 1916 is a detailed history of the movement written by Francis P Jones a former member of the movement who had immigrated to the United States from Ireland The book covers the period from the founding of Sinn Fein in Dublin in 1905 to the Easter Rising of April 1916 It deals with the economic cultural religious and political aspects of Irish independence as well as the twists and turns of British policy and the debates in Parliament over Home Rule More than half of the book is a detailed account of the Easter Rising based on documentary sources and the first hand accounts of men involved in the fighting who had fled to the United States The final chapters deal with the aftermath of the uprising including the trial and execution of its leaders A chapter on the Women of the Nation is by the author's wife to whom the book is dedicated The introduction is by John W Goff 1848 1924 an immigrant from Ireland who was prominent in New York as a lawyer and judge The appendix Ireland's Roll of Honor contains a complete list of the names of the men killed in the fighting of April 1916 and of those sentenced to penal servitude hard labor or prison The appendix concludes with details of the numbers of men deported and jailed without trial

A New History of Ireland Volume VII J. R. Hill, 2010-08-26 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland's history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most comprehensive treatment of these developments of any single volume survey of twentieth century Ireland

Militant Nationalism Cynthia L. Irvin, A comparative analysis of two militant nationalist groups Why do some militant nationalists turn to electoral politics while others resist and even seek to destroy that arena Cynthia L Irvin examines two cases of electoral interventions by nationalist organizations engaged in violent political competition in Northern Ireland and in the Basque provinces of Spain Based on her findings she offers insights into the circumstances that lead such groups to abandon violence in favor of institutional political struggle Using fieldwork done in Northern Ireland and the Basque Country Irvin develops a model linking the internal dynamics of Sinn Fein and Herri Batasuna the electoral arm of the militant Basque separatists to changes in their external environments In this unusual comparative analysis she draws on interviews with more than 100 Sinn Fein and Herri Batasuna activists and on a unique

survey of 140 Herri Batasuna activists This approach moves Irvin's work beyond previous analyses which have relied on either descriptive and historical accounts or formal models of insurgent violence This detailed account has broad implications for the study of social movements and ethnic identity providing a valuable new perspective into the strategic interactions and often conflict ridden relationship between social movements and political parties ISBN 0 8166 3114 X Cloth 00 00 49 95xx ISBN 0 8166 3115 8 Paper 00 00 19 95x 304 Pages 26 Tables 5 7 8 x 9 May Social Movements Protest and Contention Series volume 9 Translation inquiries University of Minnesota Press *A History of British Socialism* Max Beer, 1921

Historical Dictionary of Ireland Frank A. Biletz, 2013-11-14 All places undergo change but in few has this change been quite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of Historical Dictionary of Ireland is an excellent resource for discovering the history of Ireland This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland **The New Larned History**

for Ready Reference, Reading and Research Josephus Nelson Larned, 1924 **'The Age-Old Struggle'** Jack Hepworth, 2021-09-15 This is a wide ranging analysis of the internal dynamics of Irish republicanism between the outbreak of the Troubles in 1969 and the Good Friday Agreement of 1998 Engaging a vast array of hitherto unused primary sources alongside original and re used oral history interviews The Age Old Struggle draws upon the words and writings of more than 250 Irish republicans This book scrutinises the movement's historical and contemporary complexity the variety of influences within Irish republicanism and divergent republican responses at pivotal moments in the conflict Yet it also assesses the centripetal forces which connected republican organisations through decades of struggle Across five thematic chapters The Age Old Struggle offers new insights into republicanism's multi layered interactions with the global 68 tactical and strategic change revolutionary socialism feminism and religion Drawing on political periodicals ephemera and interviews with activists throughout the ranks of several republican groups the book roots its analysis in republicanism's temporal and spatial complexity It contends that the cultural significance of place interactions with class and revolutionary politics and shifting intra movement networks are essential to understanding the movement's dynamics since 1969 **A James Connolly**

Reader James Connolly, 2018-05-15 Considered by many Ireland's most important revolutionary James Connolly devoted his life to struggles against exploitation oppression and imperialism Active in workers movements in the United States Scotland and Ireland Connolly was a peerless organizer sharp polemicist and highly original thinker His positions on the relationship between national liberation and socialism revolution in colonized and under developed economies and women's

liberation in particular were often decades ahead of their time This collection seeks to return Connolly to his proper place in Irish and global history and to inspire activists students and those interested in history today with his vision of an Ireland and world free from militarism injustice and deprivation
