M. Conradie, 2012 Christians trying to save the planet have to relate creation with salvation

This volume explores the ways in which this task is approached by a wide range of recent theological movements A Christian Approach to Work and Family Burnout Thomas V. Frederick, Scott E. Dunbar, 2019-08-27 In *A Christian Approach to Work and Family Burnout: Calling, Caring, and Connecting* Thomas V. Frederick and Scott E. Dunbar provide a Christian spiritual model to prevent and cope with burnout caused by the workplace and conflict with family. Coupled with indifference and lack of urgency, burnout eliminates a sense of purposefulness and results in psychological depletion. To counter this, Frederick and Dunbar stress the importance of connecting with God in order to understand intrinsic motivations and redefine work as a calling and means to care for others.

The Corruption and Redemption of Creation Harry Hahne, 2006-01-01 This book explores the role of nature in Jewish apocalypses and makes a comparison between early Jewish theology and that of Christian theology as recorded in Romans 8:19-22.

The Bible and Reconciliation (A Catholic Biblical Theology of the Sacraments) James B. Prothro, 2023-12-19 This addition to the Catholic Biblical Theology of the Sacraments series provides readers with a deeper appreciation of God's gifts and call in the sacraments through a renewed encounter with God's Word. James Prothro offers a biblical theology of the sacrament of reconciliation: the restoration of the sinner through forgiveness and repentance. Prothro fleshes out the patterns in which God's people in the Old and New Testaments approach the merciful God: confess and are forgiven and called to reengage their relationship with God by growing in faith and love through God's ministry of grace. Series editors are Timothy C. Gray and John Sehorn. Gray and Sehorn teach at the Augustine Institute Graduate School of Theology, which prepares students for Christian mission through on-campus and distance education programs. Gray is also president of the Augustine Institute.

From Creation to Redemption Douglas Bayless, 2024-07-08 God created man in his image. In this book, we study that image and come to understand why the first man created in the image of God could and did fall from holiness to the state of sin and spiritual death. We explore how the resulting depravity infected the entire human race and what God has done to provide the antidote and make possible the restoration of the primal holiness that characterized the original creation. Inherited depravity can be cured only by God creating a new heart to replace the fallen moral and spiritual condition of sin. God dealt patiently with the human race through the rites of the law of Moses, teaching us what sin is, what its consequences are, and what is its remedy. The animal sacrifices God required of the Israelites under the Old Testament illustrated that remedy, foreshadowing the atonement in Christ. The shedding of the blood of Christ, as pictured by the animal sacrifices, is the only means by which sin and spiritual death are conquered, and the new heart realized. Gospel salvation is much more than just the forgiveness of sins; it is the restoration of the holiness God intended for human lives: the new heart. It is the blood of Christ that made atonement for sin, and it is the action of the Holy Spirit in the human heart that produces genuine sanctification and practical holiness. The baptism of the Holy Spirit as a dispensational baptism is explored. What happened on the Day of Pentecost and what happened to those who experienced the subsequent receiving of the Holy Spirit events in the book of Acts? What did Jesus teach on the baptism of the Holy Spirit?

What is entire sanctification Are we yet carnal And what is temptation These are questions on which there are different viewpoints but yet have clear answers in the New Testament *A New History of Redemption* Gerald R.

McDermott, 2024-03-19 Southwestern Journal of Theology 2024 Book Award Honorable Mention Church History Historical Theology Biography Although Jesus's work of redemption is often viewed as a singular event a careful examination of Scripture reveals that the Messiah began his redemptive work just after the fall and will continue it to the end of the world In the spirit of Jonathan Edwards's *History of the Work of Redemption* distinguished theologian Gerald McDermott traces the progress of redemption throughout the Bible and Church history This book connects the dots surrounding Israel redemption by the Jewish Messiah secular and sacred history the world religions and Jewish Christian worship through liturgy and sacraments It shows how Jesus as Messiah was redeeming throughout Old Testament history and it carries that story up through the last two millennia McDermott contends that it is only through a historical examination of the Messiah's redemption amid the turmoil of the world and the worship of his people that one can best see God's beauty
