Eight Outstanding Writers: In the summer of 2002, this small collection of writers got together and began a dedicated writing group. Meeting nearly every week, they shared meals, together wrote, read their work, and listened. For four years, they supported each other's efforts, and something magical happened. They started taking their work out into the world in the form of public readings, pieces in local publications, and even the production of a successful play titled *Lakeside Stories*, performed for more than 400 people. The book you hold in your hand is a sampling of creative work by eight outstanding authors. Their stories dramatize the humor and pathos of life. Their poems reflect on the meaning of everyday life.
