Sisters Of The Night The Soul Of An Angel:

Sisters of the Night Chelsea Q. Yarbro, Christopher H. Bing, 1999-03-09 Young and beautiful Fenice Zucchar lives in opulent splendor on the world's richest island. The pampered daughter of a wealthy and powerful owner of ocean going merchant vessels, Fenice's soul yearns for the freedom of the sea for the adventures and breathtaking sights and sounds that await her far from Venice her velvet prison. Determined to flee, she feigns an audacious kidnapping and stows away on one of her brother's ships on the very eve of her own arranged wedding. But her plans are dashed to bits when upon discovery her brother refuses to offer her safe quarter and abandons the young noblewoman in the teeming port of Varna just as panic is descending upon the city. For death has come to this place spawning stories told in hushed frightened whispers in the night of a being of strange alluring power and dark sensuality who has chosen Fenice offering her more freedom than she could know in a hundred lifetimes. Subjugation is the price this mesmerizing creature demands for the exquisite renegade's eternal pleasure as Fenice follows her Dark Lord to his mountain domain where she is to live and die. But another is waiting there already lurking in the shadows of the imposing castle keep a lovely and crazed consort already corrupted by Dracula's terrible passion, a once mortal girl named Kelene, late of a distant realm called Greece who could prove to be Fenice's staunchest ally and sister or her most fearsome adversary.

Soul Sisters, Come on to My House Her Soul Sister, Susan Freire-Korn, 2011-06-30 Too often in this world hatred, violence and ugliness saturate our twenty-four hour news cycle, capture our attention on city streets and stain our view of human kind. But kindness, love, mercy and compassion are stronger than all this negativity and evil combined. In this inspiring collection of stories, Susan Freire Korn shares how individual women have overcome adversity to emerge stronger and more courageous than ever before. Written by three African American women, three Caucasian women and three Hispanic women, these tales share how kindness can transcend our basic human differences and bring unity to our lives regardless of culture or race. Each woman offers a unique and uplifting tale of how they suffered through sometimes years of despair and hardship but never gave up on their desire for a better life. Whether they endured teenage pregnancy, alcoholism and domestic abuse or loneliness, depression and low self-esteem, these women prove that no matter the circumstances of chance or culture, the human spirit can triumph and emerge stronger than before. An excellent reference for those seeking to understand cultural differences as well as for those looking for encouragement in their own lives. **Soul Sisters Come on to My House** beautifully shows how opening your heart and your mind will make the world a better place for all.

Chicken Soup for the Grandma's Soul Jack Canfield, Mark Victor Hansen, 2012-08-07 Whether you're a veteran grandma or a Nana-to-be, this collection of stories will warm your heart and make you laugh about the universal experiences of being a grandmother.

Who Am I and What Is in a Life Denise Hamilton, 2019-07-18 We all can remember as a child how we would daydream. I remember how I would sit and dream of growing up. I would wonder, would I be tall? Would I be skinny? Would I marry? Where will I live? Would I be rich or poor?

Daydreams were an escape from what real life was like Looking back I realize that survival was the goal of life living in a poor neighborhood and an abusive dysfunctional family As a family we worked through many problems to simply survive As an adult all of our family members paid an emotional price and some physical prices for surviving our childhood I give God the praise for helping my siblings and me God gave us the strength and the spiritual awareness to overcome the pitfalls that were placed in our life There were many who would never make it out of the mindset of defeat Together as siblings pledging to always be there to help each other no matter what we would make it out of what should have been our destiny to live as our parents did in poverty and sin Our destiny and legacy for our own children could have been very different This is the story of my family and how each of us found our way through life and found our destiny **Angels of the Battlefield** George Barton,1897 *The Scottish Congregational Magazine* ,1857 *The Night Sister* Charles Talbot Foxcroft,1918
