Sisters to the King Maria Perry,2018-02-06 Although Henry VIII s sisters Margaret and Mary were once considered more important than his six wives they received less of the contemporary limelight Maria Perry s groundbreaking biography brilliantly illuminates the amazing lives characters and influence of these two remarkable women She also includes new evidence that radically alters our understanding of Tudor history including a revealing study of Henry s illegitimate son the Duke of Richmond

Sisters to the King Maria Perry,1998 **The Maryknoll Sisters in Hong Kong, 1921-1969** C. Chu,2004-11-26 This book describes the adaptation of American women to cross cultural situations in Hong Kong from 1921 to 1969 The Maryknoll Sisters were first American Catholic community of women founded for overseas missionary work and were the first American sisters in Hong Kong Maryknollers were independent outgoing and joyful women who were highly educated and acted in professional capacities as teachers social workers and medical personnel The assertion of this book is that the mission provided Maryknollers what they had long desired equal employment opportunities which were only later emphasized in the women s liberation movement of the 1960s

The Sisters of Lady Jane Grey and Their Wicked Grandfather: Being the True Stories of the Strange Lives of Charles Brandon, Duke of Suffolk, and the Ladies Katherine and Mary Grey, Sisters Richard Davey,2020-09-28 The amazing marriage of Katherine of Valois widow of Henry V with Owen Tudor possibly accounts for much that was abnormal in the character of their royal descendants of the redoubted House of Tudor The queen dowager was the daughter of the mad King Charles VI of France and of his licentious consort Isabeau of Bavaria bad blood indeed and Owen was a mere soldier of fortune In his grandson Henry VII s day a goodly pedigree was discovered for him which set forth that far from being a mean born pup as was popularly reported Owen was descended from Kenan son of Coel who was king of Britain and brother of Helen the mother of Constantine the Great As to Owen ap Merideth ap Twydder or Tudor good old Sandford affirms that the Meanness of his Estate was recompensated by the Delicacy of his Person so absolute in all the Lineaments of his Body that the only Contemplation of it might make a Queen forget all other Circumstances which it did Stowe who lived near enough to those times to receive direct tradition concerning this brave soldier says in his Annals that he was as ignorant as any savage Tall beyond the average the founder of the House of Tudor carried himself with a perfect grace He was well featured with hair that was curly and yellow as gold At an entertainment given in 1423 and attended notwithstanding her recent bereavement by the widowed queen this Adonis while in the act of executing an intricate pirouette fell at the royal lady s feet Whether the passion kindled by this ludicrous accident was reciprocated we are not told but so ardent was it on Katherine s part at least that she soon afterwards clandestinely married

the handsome Welshman The enemies of the House of Tudor averred that this secret marriage never really took place and it is a singular fact that no allusion whatever is made to it in the hearse verse originally placed over the tomb of Queen Katherine in Westminster Abbey and quoted in full in the contemporary Chronicle of William of Worcester [Heimskringla](#) or the [Chronicle of the Kings of Norway](#) Snorri Sturlason,2025-08-19 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

When Women Ruled the World Kara Cooney,2018-10-30 This riveting narrative explores the lives of six remarkable female pharaohs from Hatshepsut to Cleopatra women who ruled with real power and shines a piercing light on our own perceptions of women in power today Female rulers are a rare phenomenon but thousands of years ago in ancient Egypt women reigned supreme Regularly repeatedly and with impunity queens like Hatshepsut Nefertiti and Cleopatra controlled the totalitarian state as power brokers and rulers But throughout human history women in positions of power were more often used as political pawns in a male dominated society What was so special about ancient Egypt that provided women this kind of access to the highest political office What was it about these women that allowed them to transcend patriarchal obstacles What did Egypt gain from its liberal reliance on female leadership and could today's world learn from its example Celebrated Egyptologist Kara Cooney delivers a fascinating tale of female power exploring the reasons why it has seldom been allowed through the ages and why we should care

Koehlinger,2007-04-30 In the 1960s a number of Catholic women in the U S abandoned traditional apostolic works to experiment with new and often unprecedented forms of service among non Catholics Koehlinger explores this phenomenon through close examination of one of its most visible forms the experience of white sisters working in African American communities
