Sites Of Insight Colorado Sacred Place:

Colorado's Sanctuaries, Retreats, and Sacred Places Jean Torkelson, 2001 From camp like mountain retreats to urban sanctuaries to remote enclaves of miraculous natural beauty this guidebook catalogs nearly 100 of the state's best sites for soul searching through informative descriptions and full color photographs Photos **Colorado** Carl Abbott, Stephen J. Leonard, Thomas J. Noel, 2005-08-15 Since 1976 newcomers and natives alike have learned about the rich history of the magnificent place they call home from Colorado A History of the Centennial State In this revised edition co authors Carl Abbott Stephen J Leonard and Thomas J Noel incorporate more than a decade of new events findings and insights about Colorado in an accessible volume that general readers and students will enjoy The new edition tells of conflicts new alliances and changing ways of life as Hispanic European and African American settlers flooded into a region that was already home to Native Americans Providing balanced coverage of the entire state's history from Grand Junction to Lamar and from Trinidad to Craig the authors also reveal how Denver and its surrounding communities developed and gained influence While continuing to elucidate the significant impact of mining agriculture manufacturing and tourism on Colorado this new edition broadens its coverage The authors expand their discussion of the twentieth century with several new chapters on the economy politics and cultural conflicts of recent years In addition they address changes in attitudes toward the natural environment as well as the contributions of women Hispanics African Americans and Asian Americans to the state Dozens of new illustrations updated statistics and an extensive bibliography of the most recent research on Colorado history enhance this edition Unknown No More Joanne Dearcopp, Christine Hill Smith, 2021-07-29 Thanks in part to the Ken Burns documentary The Dust Bowl Sanora Babb is perhaps best known today for her novel Whose Names Are Unknown 2004 which might have been published in 1939 had her publisher not thought the market too small for two Dust Bowl novels hers and Steinbeck's The Grapes of Wrath Into the twenty first century Babb wrote and published lyrical prose and poetry that revealed her prescient ideas about gender race and the environment The essays collected in Unknown No More recover and analyze her previously unrecognized contributions to American letters Editors Joanne Dearcopp and Christine Hill Smith have assembled a group of distinguished scholars who for the first time in book length form explore the life and work of Sanora Babb This collection of pathbreaking essays addresses Babb's position within the literature of the Great Plains and American West her leftist political odyssey as a card carrying Communist who ultimately broke with the Party and her ecofeminist leanings as reflected in the environmental themes she explored in her fiction and nonfiction With literary sensibilities reminiscent of Willa Cather Ralph Ellison and Meridel LeSueur Babb's work revealed gender based environmental and working class injustices from the Depression era to the late twentieth century No longer unknown Sanora Babb's life and work form a prism through which the peril and promise of twentieth century America may be seen

Colorado Review ,2004 *Colorado Libraries* ,2003 Sacred Space, Sacred Sound Susan Elizabeth Hale, 2013-11-01

Visionary singer Susan Hale believes that early peoples deliberately built their structures to enhance natural vibrations She takes us around the globe from Stonehenge and New Grange to Gothic cathedrals and Tibetan stupas in New Mexico to explore the acoustics of sacred places But she says you don t have to go to the Taj Mahal The sacred is all around us and we are all sound chambers resonating with the One Song

Prehistoric Culture Change on the Colorado Plateau Shirley Powell, Francis E. Smiley, 2016-02 A collection of writings by participants in the Black Mesa Archaeological Project offers a synthesis of Kayenta area archaeology examining the ancestral Puebloan and Navajo occupation of the Four Corners region and analysing faunal lithic ceramic chronometric and human osteological data to construct an account of the prehistory and ethnohistory of northern Arizona that demonstrates how organizational variation and other aspects of culture change are largely a response to a changing natural environment

Folklore, People, and Places Jack Hunter, Rachael Ironside, 2023-03-16 Folklore People and Place is a contribution towards better understanding the complex interconnectivity of folklore people and place across a range of different cultural and geographical contexts The book showcases a range of international case studies from different cultural and ecological contexts showing how folklore can and does mediate human relationships with people and place Folklore has traditionally been connected to place telling tales of the land and the real and imaginary beings that inhabit storied places These storytelling traditions and practices have endured in a contemporary world yet the role and value of folklore to people and places has changed The book explores a broad range of international perspectives and considers how the relationship between folklore people and place has evolved for tourists and indigenous communities It will showcase a range of international case studies from different cultural and ecological contexts showing how folklore can and does mediate human relationships with people and place By exploring folklore in the context of tourism this book engages in a critical discussion of the opportunities and challenges of using storied places in destination development The case studies in the book provide an international perspective on the contemporary value of folklore to people and places engendering reflection on the role of folklore in sustainable tourism strategies This book will be of interest to students academics researchers in fields such as anthropology folklore tourism religious studies human geography and related disciplines It will also be of interest to scholars and practitioners of traditional ecological knowledge
