**Situating the Self** Seyla Benhabib, 1992 First Published in 1992 Routledge is an imprint of Taylor Francis an informal company *Situating the Self* Seyla Benhabib, 1992 Focusing on contemporary debates in moral and political theory

*Situating the Self* argues that a non relative ethics binding on us in virtue of our humanity is still a philosophically viable project This interesting new book should be read by all those concerned with the problems of critical theory the analysis of modernity and contemporary ethics as well as students and professionals in philosophy sociology and political science

*Situating the Self* Seyla Benhabib, 1992 The Postmodernist Critique of the Project of Enlightenment Sven-Eric Liedman, 2023-12-14 The principal task of the book series Pozna Studies in the Philosophy of the Sciences and the Humanities is to promote those developments in philosophy that respect the tradition of great philosophical ideas on the one hand and the manner of philosophical thinking introduced by analytical philosophy on the other One of the standing aims of the series in the past has been to provide a forum of exchange of ideas between philosophers of both sides of the Iron Curtain The series publishes guest edited volumes devoted to the philosophy of the natural sciences the social sciences and the humanities as well as to foundational topics in metaphysics epistemology and social philosophy **Postmodernity, Ethics**

**and the Novel** Andrew Gibson, 2002-01-04 In *Postmodernity Ethics and the Novel* Andrew Gibson sets out to demonstrate that postmodern theory has actually made possible an ethical discourse around fiction Each chapter elaborates and discusses a particular aspect of Levinas thought and raises questions for that thought and its bearing on the novel It also contains detailed analyses of particular texts Part of the book's originality is its concentration on a range of modernist and postmodern novels which have seldom if ever served as the basis for a larger ethical theory of fiction *Postmodernity Ethics and the Novel* discusses among others the writings of Joseph Conrad Henry James Jane Austen Samuel Beckett Marcel Proust and Salman Rushdie **Themes in Modern African History and Culture** Lars Berge, Irma Taddia, 2013 The Self, Relational

Sociology, and Morality in Practice Owen Abbott, 2019-10-21 Winner of the 2020 British Sociological Association Philip Abrams Prize Providing a theory of moral practice for a contemporary sociological audience Owen Abbott shows that morality is a relational practice achieved by people in their everyday lives He moves beyond old dualisms society versus the individual social structure versus agency body versus mind to offer a sociologically rigorous and coherent theory of the relational constitution of the self and moral practice which is both shared and yet enacted from an individualized perspective In so doing *The Self Relational Sociology and Morality in Practice* not only offers an urgently needed account of moral practice and its integral role in the emergence of the self but also examines morality itself within and through social relations and practices Abbott's conclusions will be of interest to social scientists and philosophers of morality those working with pragmatic and interactionist approaches and those involved with relational sociology and social theory **The Historical Development of Fundamental Moral Theology in the United States** Charles E. Curran, Richard A. McCormick, 1999

Sketches the development of fundamental moral theology in the U S and then uses original sources to document the significant changes that have occurred in the discipline as well as the primary issues in Catholic moral theology today

Media Ethics Clifford G. Christians, Mark Fackler, Kathy Richardson, Peggy Kreshel, Robert H. Woods, 2015-07-17 Media Ethics Cases and Moral Reasoning Ninth Edition challenges students to think analytically about ethical situations in mass communication by using original case studies and commentaries about real life media experiences This market leading text facilitates and enhances students ethical awareness by providing a comprehensive introduction to the theoretical principles of ethical philosophies Media Ethics introduces the Potter Box which uses four dimensions of moral analysis definitions values principles and loyalties to provide a framework for exploring the important steps in moral reasoning and analyzing the cases that follow Focusing on a wide spectrum of ethical issues facing media practitioners the cases in this new Ninth Edition include the most recent issues in journalism broadcasting advertising public relations and entertainment

*Theology and the University* Fáinche Ryan, Dirk Ansorge, Josef Quitterer, 2024-04-01 Theology and the University presents a compelling argument as to why theology still matters It considers how theology has been marginalised in the academy and in public life arguing that doing so has serious repercussions for the integrity of the academic study of religion The chapters in this book demonstrate how theology as the only discipline which represents religion from within provides insight into aspects of religion which are hidden from the social sciences Against a backdrop of heated debates on the role of the humanities in the university the book highlights the specific contribution of theological education and research to the work of a university providing essential information for academic and social political decision making Whilst the book has an emphasis on the Catholic tradition it explores the prospect of fruitful complementarity and interdisciplinarity both with secularised studies of religion and other disciplines in the university such as literature philosophy and the social sciences This book provides orientation for decision makers particularly those concerned with the broader question of humanities in the university students in their choice of study those interested in the wellbeing of today s universities and ecclesial authorities seeking to form leaders capable of intelligent responses to the issues of contemporary society It is a must read for all researchers of theology as well as anyone interested in the role of the humanities more broadly

The Reluctant Modernism of Hannah Arendt Seyla Benhabib, 2003 Interpreting the work of one of the most influential thinkers of the 20th century The Reluctant Modernism of Hannah Arendt rereads Arendt s political philosophy in light of newly gained insights into the historico cultural background of her work Arguing against the standard interpretation of Hannah Arendt as an anti modernist lover of the Greek polis author Seyla Benhabib contends that Arendt s thought emerges out of a double legacy German Existenz philosophy particularly the thought of Martin Heidegger and her experiences as a German Jewess in the age of totalitarianism This important volume reconsiders Arendt s theory of modernity her concept of the public sphere her distinction between the social and the political her theory of totalitarianism and her critique of the modern nation state

including her life long involvement with Jewish and Israeli politics      *Transformation of Political Community* Andrew Linklater, 2013-05-29 Sovereign nation states which were formed in the context of major war have been deeply exclusionary in their dealings with minority cultures and alien outsiders In this book Andrew Linklater claims that globalization the pacification of core areas of the world economy and ethnic revolt challenge these traditional practices As a result new forms of political community and citizenship have become possible In an original synthesis of recent developments in social and political theory *The Transformation of Political Community* argues for new forms of political community which are cosmopolitan sensitive to cultural differences and committed to reducing material inequalities The book provides a bold account of post Westphalian societies and the ethical principles which should inform their external relations Linklater argues for political communities in which human relations are governed by dialogue and consent rather than power and force *The Transformation of Political Community* will be of interest to students and academics in international relations politics and sociology      **The Blackwell Companion to Postmodern Theology** Graham Ward, 2008-04-15 This Companion provides a definitive collection of essays on postmodern theology drawing on the work of those individuals who have made a distinctive contribution to the field and whose work will be significant for the theologies written in the new millennium The definitive collection of essays on postmodern theology drawing on the work of those individuals who have made a distinctive contribution to the field Each essay is introduced with a short account of the writer s previous work enabling the reader to view it in context Discusses the following disciplines Aesthetics Ethics Gender Hermeneutics Phenomenology Heideggerians and Derrideans Edited by Graham Ward one of the most outstanding and original theologians working in the field today      **A Critical Analysis of the Efficacy of Law as a Tool to Achieve Gender Equality** Natalie Persadie, 2012-07-26 Law is often perceived as an instrument that can effect social change While this might be so it must be complemented by the necessary financial and human resources to make the law effective Natalie Persadie explains that among developing countries such as Trinidad and Tobago the achievement of legal advances for women at either the international or national levels is particularly difficult where practical measures are not subsequently implemented This is perhaps attributable to a lack of political will Important issues such as gender equality and domestic violence are not given priority and laws aimed at protecting women and promoting women s rights are ineffective scant or unenforced Gender justice can only be realized through a multilevel approach from above and more importantly from below as women have the potential to effect real national and international legal and institutional change to ensure gender equality at both levels      **Encyclopedia of Ethics** Lawrence C. Becker, Charlotte B. Becker, 2013-10-18 The editors working with a team of 325 renowned authorities in the field of ethics have revised expanded and updated this classic encyclopedia Along with the addition of 150 new entries all of the original articles have been newly peer reviewed and revised bibliographies have been updated throughout and the overall design of the work has been enhanced for easier access to cross references and other reference features New entries include Cheating

Dirty hands Gay ethics Holocaust Journalism Political correctness and many more      **Feminist Thought, Student**

**Economy Edition** Rosemarie Tong, 2018-10-03 This book provides a clear comprehensive and incisive introduction to the major traditions of feminist theory from liberal feminism radical feminism and Marxist and socialist feminism to care focused feminism psychoanalytic feminism women of color feminisms and ecofeminism      Just Life Mary C. Rawlinson, 2016-03-01

Just Life reorients ethics and politics around the generativity of mothers and daughters rather than the right to property and the sexual proprieties of the oedipal drama Invoking two concrete universals everyone is born of a woman and everyone needs to eat Rawlinson rethinks labor and food as relationships that make ethical claims and sustain agency Just Life counters the capitalization of bodies under biopower with the solidarity of sovereign bodies      **Cultural Studies** Lawrence

Grossberg, Janice Radway, 2005-08-08 First published in 1994 Routledge is an imprint of Taylor Francis an informa company

**Gender and Citizenship** Birte Siim, 2000-09-07 Feminist analysis shows that the prevailing concepts of citizenship often assume a male citizen How then does this affect the agency and participation of women in modern democracies This insightful book first published in 2000 presents a systematic comparison of the links between women s social rights and democratic citizenship in three different citizenship models republican citizenship in France liberal citizenship in Britain and social citizenship in Denmark Birte Siim argues that France still suffers from the contradictions of pro natalist policy and that Britain is only just starting to re conceptualise the male breadwinner model that is still a dominant feature In her examination of the dual breadwinner model in Denmark Siim presents research about Scandinavian social policy and makes an important and timely contribution to debates in political sociology social policy and gender studies      *The Radical Critique of Liberalism* Toulia Nicolacopoulos, 2008 There are many books about liberalism but no defence of radical critique that treats liberal theory with the depth breadth and intensity of this work Rigorously examining Rawls Waldron Larmore and Kymlicka the book demonstrates that an adequate appreciation of the deep structural flaws of liberal theory presupposes the application of a critical philosophical methodology that has the power to reveal the systemic interconnections within and between the varieties of liberal inquiring practices
