Six Curtains For Stroganov:

Six Curtains for Stroganov Caryl Brahms, S. J. Simon, 1986-09-01 Vladimir Stroganoff the Russian ballet impresario shares humorous reminiscences of his ballet troupe in pre revolutionary Russia **The Mystery Fancier (Vol. 7 No. 2) March-April 1983** Guy M. Townsend, 2010-09-04 The Mystery Fancier Volume 7 Number 2 March April 1983 contains Young Detective Kildare by Evelyn Herzog The World of Nero Wolfe by Asbjorn Skytte An Interview with Desmond Bagley by Jane S Bakerman and Deduction in Duplicate by Alan S Mosier **Jolly Good Detecting** Bruce Shaw, 2013-12-31 This book is an appreciation of selected authors who make extensive use of humor in English detective crime fiction Works using humor as an amelioration of the serious have their heyday in the Golden Age of crime writing but they belong also to a long tradition There is an identifiable lineage of humorous writing in crime fiction that ranges from mild wit to outright farce burlesque even slapstick A mix of entertainment with instruction is a tradition in English letters English crime fiction writers of the era circa 1913 to 1940 were raised in the mainstream literary tradition but turned their skills to detective fiction And they are the humorists of the genre This book is not an exhaustive study but an introduction into the best produced by the most capable and enjoyable authors What the humorists seek is to surprise the reader by overturning their expectations using a repertoire of stylistic conceits and motifs recurring incidents devices references Humor has a liberating effect but is concerned too with comic contrast through ugliness and caricature In crime fiction one effect is intellectual pleasure at solving or attempting to solve a puzzle Another is entertainment but with serious undertones **Diaghilev's Empire** Rupert Christiansen, 2022-10-18 A Best Book of the Year at The New Yorker and The Telegraph Amusing and assertive Christiansen's delight is infectious Alexandra Jacobs The New York Times Book Review Rupert Christiansen a renowned dance critic and arts correspondent presents a sweeping history of the Ballets Russes and of Serge Diaghilev's dream of bringing Russian art and culture to the West Serge Diaghilev the Russian impresario and founder of the Ballets Russes is often said to have invented modern ballet An art critic and connoisseur Diaghilev had no training in dance or choreography but he had a dream of bringing Russian art music design and expression to the West and a mission to drive a cultural and artistic revolution Bringing together such legendary talents as Vaslav Nijinsky Anna Pavlova Igor Stravinsky Pablo Picasso and Henri Matisse this complex and visionary genius created a new form of ballet defined by artistic integrity creative freedom and an all encompassing experience of art movement and music The explosive color combinations sensual and androgynous choreography and experimental sounds of the Ballets Russes were called barbaric by the Parisian press but its radical style usurped the entrenched mores of traditional ballet and transformed the European cultural sphere at large Diaghilev's Empire the publication of which marks the one hundred fiftieth anniversary of Diaghilev's birth is a daring impeccably researched reassessment of the phenomenon of the Ballets Russes and the Russian Revolution in twentieth century art and culture Rupert Christiansen a leading dance critic explores the fiery conflicts outsize personalities and extraordinary artistic
