Allen, Robert Jensen, 1995-11 In a society that prides itself on the most expansive legal guarantees of free speech in history why are so many individuals and groups frustrated by the American system of freedom of expression As the public sphere continues to be redefined by advances in technology and new debates about this technology crop up daily the time has come to move from reflexive discussions about the value of more speech to a detailed assessment of the real power and limits of speech Why this volume asks does the First Amendment the very document intended to ensure the freedom of U S citizens need to be freed And from what Long an icon in American law politics and journalism the First Amendment and the potential and real dilemmas with which it presents us have only recently begun to be scrutinized Challenging the idea that the only champions of free speech are traditional liberal theorists who oppose alternatives to the mainstream interpretation of the

First Amendment the contributors to this volume among them such prominent thinkers as Frederick Schauer Owen Fiss and Cass Sunstein explore new and provocative ways to think about freedom of expression By reformulating traditional liberal and libertarian approaches to the First Amendment this volume convincingly disputes the notion that those who question an unwavering reliance on free and open competition between individuals to produce free expression are necessarily enemies of free speech It argues instead that these alleged enemies can in fact be champions as well Esquire ,1936 **Fashions of the Hour** ,1926 **The New York Times Book Review** ,1974-10 **The Literary Digest** ,1936-10 **Digest; Review of Reviews Incorporating Literary Digest** ,1937 Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,1936-10 **Forum and Century** ,1936 Story ,1936 **New York Times Saturday Book Review Supplement** ,1936 Forum and Column Review ,1936-07 *The National Union Catalog, Pre-1956 Imprints* Library of Congress,American Library Association.
