Skating in the Dark David Michael Kaplan,1991 A collection of interrelated stories marketed as a novel that trace the coming of age marriage and divorce of a suburbanite Skates & Stones: An Enemies to Lovers Dark Hockey Romance Heather C Cardona, Frankie Cardona,2024-02-12 His family's legacy was ruined because of her grandfather Now he intends to punish her for it Levi I wasn't supposed to be drafted number 1 Hell being my father's son I don't think people expected me to be drafted at all But I put in the work and I did what my father could never do build a legacy I could be proud of I could head straight for the pros In fact my mom pushes me to She says we need the money But I decide to defer and attend Crestwood Academy an elite university with a focus on hockey development Not because I want to get better Not because I care about developing But because I know she is going to be there And it starts with her The untouched princess heir to the Detroit Serpents They think I've worked all my life to play professional hockey They were wrong The only thing I want more than a professional contract is to make Minka Mathers suffer in ways she never imagined Minka The last thing I expect to inherit from my grandfather is a professional hockey team Because no one thinks someone like me can actually run a professional hockey team As the youngest granddaughter to the Mathers legacy I've been told what to do where to go what to do with my life and who to marry I don't get a choice in any of it After my grandfather dies there's no reason to play by his rules anymore Sure I'll go to Crestwood and get my Business degree I'll take ownership of the team when I graduate But that's where I draw the line Breaking off my engagement is the first thing I do with my new found freedom And honestly It feels good So when I'm blindfolded by a stranger and promised how good it can feel to truly let go how can I resist This is my life I'm in control Until I'm not Doing things I'm not supposed to doing things I want is exhilarating And now that I've had a taste I want more But more is dangerous I don't even know who The Stranger is just that he's a hockey player and he's drafted me in this dark game of control and release It's only matter of time before we get caught and if we do I won't just lose everything I'd destroy the legacy my grandfather worked so hard to build Skates Stones is a stand alone revenge romance featuring a tortured Alpha hockey player and the unassuming innocent who plays his game without understanding the consequences There is a guaranteed HEA and no cliffhanger **Skating in the Dark** David Michael Kaplan,1992-08-01 *The Fantastic Book of In-line Skating* Aldie Chalmers,1997 Discusses the history and techniques of and safety measures for in line skating with fold out pages on skating events **Red Nails, Black Skates** Erica Rand,2012-04-13 Rand took up figure skating at age 43 As she became increasingly immersed in the world of adult competition participating in the Gay Games and the Adult Nationals she found herself focusing her research on the world of skating These essays reflect on the sexualization of female skaters the hairdos and costumes and racial bias in movement genres and athletic standards **Racing Through the Dark** David Millar,2012-06-26 A vivid portrait of life as a professional cyclist by international champion Millar this arrestingly candid memoir follows his rise as a young racing star his fall to the pervasive influence of performance enhancing drugs and

his subsequent redemption **The Dark Tower** Phyllis Bottome, 2019-12-03 Phyllis Bottome's *The Dark Tower* elegantly weaves a narrative exploring the intricacies of human emotion particularly through the lens of romantic obsession and existential dread. Set against the backdrop of a post World War I Europe, the novel employs a modernist style characterized by its introspective monologues and fragmented narrative structure, mirroring the disillusionment of the era. Bottome's deft blending of psychological depth with vivid imagery invites readers to traverse the shadowy corridors of her characters' minds, painting a haunting portrait of love and despair. Phyllis Bottome was an astute observer of human nature, born in 1882 and shaped by her own experiences as a novelist and playwright during a tumultuous period. Her background as an expatriate living in Europe, combined with her interactions with prominent literary figures of her time, undoubtedly informed her exploration of themes such as identity, morality, and the impact of war on relationships. In *The Dark Tower*, Bottome's own struggles and triumphs as a woman in a male-dominated literary landscape also resonate throughout the text, adding personal depth to her narrative. This provocative work is highly recommended for readers seeking a profound exploration of the human psyche, particularly those interested in the psychological ramifications of love in a fractured world. *The Dark Tower* is not merely a novel; it is an invitation to reflect on the darker experiences that define our humanity. *Dark & Dirty* Reagan

McDaniels, 2022-01-14 Roni Yeah, yeah, everyone in town knows I messed up and rejected a proposal of marriage from the hottie bartender at Crockett's that ultimately had him leave town. My friends and family have gotten involved, hiring my cousins to find him so I can get closure. As if I could ever get closure from running away from the love of my life. So now I spend time making coffees and writing romance books. What else is there to do when romance is literally everywhere? Max, I can't believe I'm going back to the scene of the crime where my heart was brutally ripped out by the woman I have loved since I first saw her. Her rejection killed me, and I had to get away, preferring to travel around all the while knowing that I would be back along with the secret that I've kept hidden from her and all our friends. I want to know that she's happy. Because I'm not, and she deserves to be. **A Dark Truth** Jeff Ross, 2016-10-25 Riley and Dashawn have been friends since they were three. They got into skateboarding together and have advanced to the point where it's time to create a Sponsor Me tape. They bring a third skater along, Natasha, and try to get some good clips around a new office development. Then the police storm into the lot. The three skaters quickly scatter, trying their best not to get busted. Riley and Natasha arrive at the meet-up spot. They wait and wait, but Dashawn never shows. The next day, Riley visits Dashawn only to discover that the police have given him a beat down. Nothing like this has ever happened before, and for Riley, it is a wake-up call that whether they know it or not, not everyone lives in the same world he does. This short novel is a high-interest, low-reading-level book for teen readers who are building reading skills, want a quick read, or say they don't like to read. The epub edition of this title is fully accessible.
