Skeeter Beaters Memories Of The South Pacific 1941-1945

Gary P. Hansen

Skeeter Beaters Memories Of The South Pacific 1941-1945:

Skeeter Beaters Dennis Cline, 2002 *Natives and Exotics* Judith A. Bennett, 2009-07-15 Ambitious in its scope and scale this environmental history of World War II ranges over rear bases and operational fronts from Bora Bora to New Guinea providing a lucid analysis of resource exploitation entangled wartime politics and human perceptions of the vast Oceanic environment Although the war's physical impact proved significant and oftentimes enduring this study shows that the tropical environment offered its own challenges Unfamiliar tides left landing craft stranded unseen microbes carrying endemic diseases disabled thousands of troops Weather terrain plants animals all played an active role as enemy or ally At the heart of *Natives and Exotics* is the author's analysis of the changing visions and perceptions of the environment not only among the millions of combatants but also among the Islands peoples and their colonial administrations in wartime and beyond Judith Bennett reveals how prewar notions of a paradisiacal Pacific set up millions of Americans Australians New Zealanders and Japanese for grave disappointment when they encountered the reality She shows that objects usually considered distinct from environmental concerns souvenirs cemeteries war memorials warrant further examination as the emotional quintessence of events in a particular place Among native people wartime experiences and resource utilization induced a shift in environmental perceptions just as the postwar colonial agenda demanded increased diversification of the resource base Bennett's ability to reappraise such human perceptions and productions with an environmental lens is one of the unique qualities of this study Impeccably researched *Natives and Exotics* is essential reading for those interested in environmental history Pacific studies and a different kind of war story that has surprising relevance for today's concerns with global warming

Honiara Clive Moore, 2022-05-13 Nahona ara means facing the ara the place where the southeast winds meet the land just west of Point Cruz Nahona ara became Honiara the capital city of Solomon Islands with a population of 160 000 the only significant urban centre in a nation of 721 000 people Honiara Village City of Solomon Islands views Honiara in several ways first as Tandai traditional land then as coconut plantations between the 1880s and 1930s within the British protectorate 1893-1978 and its Guadalcanal District in the 1942-45 war years which created the first urban settlement in the directly post war period until 1952 as the new capital of the protectorate replacing Tulagi and then as the headquarters of the Western Pacific High Commission WPHC between 1953 and 1974 Finally in 1978 Honiara became the capital of the independent nation of Solomon Islands and the headquarters of Guadalcanal Province The book argues that over decades there have been four and sometimes five changing and intersecting Honiara worlds operating at one time each of different social economic and political significance The importance of each group British Solomon Islanders other Pacific Islanders Asians and more recently the 2003-17 presence of the Regional Assistance Mission to Solomon Islands RAMSI has changed over time

War at the Margins Lin Poyer, 2022-09-30 *War at the Margins* offers a broad comparative view of the impact of World War II on Indigenous societies Using historical and ethnographic sources Lin Poyer examines how

Indigenous communities emerged from the trauma of the wartime era with social forms and cultural ideas that laid the foundations for their twenty first century emergence as players on the world s political stage With a focus on Indigenous voices and agency a global overview reveals the enormous range of wartime activities and impacts on these groups connecting this work with comparative history Indigenous studies and anthropology The distinctiveness of Indigenous peoples offers a valuable perspective on World War II as those on the margins of Allied and Axis empires and nation states were drawn in as soldiers scouts guides laborers and victims Questions of loyalty and citizenship shaped Indigenous combat roles from integration in national armies to service in separate ethnic units to unofficial use of their special skills where local knowledge tilted the balance in military outcomes Front lines crossed Indigenous territory most consequentially in northern Europe Southeast Asia and the Pacific Islands but the impacts of war go well beyond combat Like others around the world Indigenous civilian men and women suffered bombing and invasion displacement forced labor military occupation and economic and social disruption Infrastructure construction and demand for key resources affected even areas far from front lines World War II dissolved empires and laid the foundation for the postcolonial world Indigenous people in newly independent nations struggled for autonomy while other veterans returned to home fronts still steeped in racism National governments saw military service as evidence that Indigenous peoples wished to assimilate but wartime experiences confirmed many communities commitment to their home cultures and opened new avenues for activism By century s end Indigenous Rights became an international political force offering alternative visions of how the global order might make room for greater local self determination and cultural diversity In examining this transformative era War at the Margins adds an important contribution to both World War II history and to the development of global Indigenous identity

Elwood

Sister Lucia Treanor, FSE, 2021-09-24 Elwood Euart was born in 1914 in Pawtucket Rhode Island the second of seven children in a faithful Catholic family Athletic responsible and likeable Elwood was just an ordinary guy growing up in the 1920s and 30s He had his share of victories and defeats accomplishments and setbacks joys and heartaches He went to Mass helped his family went to college embarked on a military career and advanced to the rank of captain in the U S Army On October 26 1942 in the South West Pacific Theatre of World War II he and over 5 000 troops were aboard the SS President Coolidge when it struck two American mines while approaching a naval base Those who were able to make it safely to shore watched as Elwood risked his life by returning to the vessel to save the remaining men on board After rescuing the men from the infirmary unit he was unable to escape and went down with the ship Sister Lucia Treanor a direct relative of Elwood tells of his extraordinary heroism in the face of danger But Elwood The Story of a Catholic World War II Hero is more than that it is the story of true faith and real virtue born of a love for God and others which gave the young Captain Euart the fortitude to do what was needed when the time came ABOUT THE AUTHOR Sister Lucia Treanor FSE earned a doctorate in comparative literature from the City University of New York She currently teaches writing at The Catholic University of America in

Washington DC The author of several books articles and academic essays in a variety of Catholic and secular publications she is related to Captain Elwood Ewart via her mother Lucy Casey McCaffrey who is his cousin Survival in the South Pacific Robert Richardson,2024-09-30 This account of oft forgotten aspects of the war that is also a powerful survival story is highly recommended for the casual reader of military history as well as the serious scholar of the Pacific war Journal of America s Military Past In September 1943 as America began advancing from its foothold on Guadalcanal a young American airman was lost in heavy weather over the South Pacific on what was expected to be a routine flight In examining that loss and the events leading up to a rescue attempt on an island in the South Pacific and bringing together societies utterly alien to each other Survival in the South Pacific brings together the big themes of the Pacific War Lieutenant Leonard Richardson and his comrades had been swept from their homes across America trained at speed for war and dispatched to one of the remotest places on the globe American war plans in place when Pearl Harbor was attacked poorly reflected the capabilities of its military and the limits imposed by America s far flung and indefensible territories The Germany First policy had resulted in a deeply uncertain future for forces in the South Pacific and Australia the United States was unprepared for the global war that came to it in late 1941 even as the pipeline of men and materiel began to fill Young Allied and Japanese aviators sailors and soldiers were not the only ones thrown into the swirling maelstrom of war that had engulfed the Pacific the indigenous islanders were also immersed in a new reality In bringing together individual stories of men at war this book gives a new perspective on the Pacific War **Books in Print Supplement** ,2002 **Forthcoming Books** Rose Army,2003 *Subject Guide to Books in Print* ,1997 Books in Print, 2006-2007 ,2006 World War II Memories Lena R. Gelott Styles,2002

Memoirs of the War in the Pacific, 1941-1945 Charles Danner Bishop,1997 The author a 1939 College of Charleston graduate presents his memories of the Pacific war *South Pacific at Seventeen* James Richard Snellen,2008 Entering the service at age seventeen Navy veteran James Snellen recounts his World War II experiences aboard the USS Cofer APD 62 and his mine sweeping duties within the South Pacific **Pollywog and Shellback Tales of the South Pacific** John H. Gamble,2011 Learn about little known combat ventures aboard a U S Navy vessel during World War II from the eyewitness accounts of Navy veteran John Gamble Pollywog and Shellback Tales of the South Pacific describes life as a World War II sailor in the Pacific theater Gamble throws us onboard his ship the same way he was thrown at breakneck speed Leaving high school friends behind Gamble joins the U S Navy and is trained as a radioman in the new technology of radar He learns the basics of Navy life forms friendships along the way and helps to make his ship what the admirals need it to be a fighting machine to defeat the enemy and bring peace back to the Pacific While Pollywog and Shellback Tales of the South Pacific is not a complete summary of Gamble s wartime experiences the stories give an astounding look at what it was like to be a sailor on a Navy ship during the battles of the Pacific Glimpse the individual perspective of combat at sea and imagine one man s commitment to his country no matter the cost John Gamble Sr was born and raised in the Atlantic coast region of what

is now part of New York City Many years after returning from naval combat in the Pacific he was one of relatively few workers fortunate enough to have worked on the lunar landing module this was destined to make the first moon landing He could see the whole world opening up and felt caught in the upheaval as his generation came into being He witnessed Einstein s theories become reality as the atom was split and the scientific wonder gave birth to a horrific nuclear arms race He witnessed what were then the world s two tallest buildings being erected and witnessed their demise Mindful of Nostradamus s papers he grew fascinated as the changes in technology brought new dimensions to his thinking According to Gamble there are many bittersweet moments in life We must choose to have hope and be among those who desire to see a hopeful future Island Encounters Lamont Lindstrom,1990 **Tales of the South Pacific** James Albert Michener,1949

Recollections of My War Time Personal Experiences in the South Pacific During World War Two Robert L. Simpson,1974 *Off to War* Francis H. Watson,2003 The realities of war as told through the eyes of a World War II G I Starting with Pearl Harbor the author takes you on a journey that ends in 1946 when he returns home from Japan a seasoned veteran His story is filled with humorous and stirring tales starting with the anxieties of being drafted followed by the rigors of stateside training and the perils of going overseas Off To War is sensitive exciting and informative It will revive memories of those who fought in it and it will help their offspring to understand what their fathers and grandfathers experienced

Tales of the South Pacific James A. Michener,1984-09-12 Stories about World War II in the South Pacific The Rising Sun Sets Gary P. Hansen,2018-07-26 Many veterans of war upon their return home choose to never speak about their time serving in the military hoping to put it behind them and forget But some veterans don t hesitate to share their stories and experiences with anyone who will listen Whether talking about it is their way of coping with what they witnessed and endured an effort to pass on to the next generation a small slice of history or an attempt to preserve the memories for themselves doesn t really matter What matters is that countless veterans have shared their stories Laurin Hansen was such a veteran He told of his time serving in the U S Army during WWII to his sons and wife during family road trips He spoke of his experiences to his sons as they sat for hours in a fishing boat and during chilly evenings in a north woods hunting cabin This book is the result of the stories told by an American father who proudly served his country as recalled by his oldest son This work of creative nonfiction was lovingly compiled to honor his father s memory The author also uses interviews with some of his dad s Army buddies and wartime letters from soldiers to loved ones back home to aid in his painstaking efforts to maintain historical accuracy and detail The Rising Sun Sets is written in a way that will give the reader a true sense of one soldier s time in New Guinea the Philippines and other South Pacific Islands during the war Follow Laurin Hansen and his squad of American soldiers from basic training to face to face combat to the eventual occupation of Japan and get a glimpse of what it was like to be on the receiving end of heart pounding bonzai charges by fanatical Japanese soldiers contrasted with the boredom of day after day with no enemy contact all while trying to adjust to the unfamiliar and sometimes brutal

environment of the islands The amazing coincidences that occurred during this story are hard to believe when one ponders the odds but none the less they happened One of these soldiers suffered overwhelming odds of being vastly outnumbered yet he survived and was awarded the Congressional Medal of Honor for his actions

Skeeter Beaters Memories Of The South Pacific 19411945 Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable.
