the Civil War and were behind the assassination of Lincoln In this startling investigation into the suppressed history of America in the 1800s Xaviant Haze reveals how the powerful Rothschild banking family and the Central Banking System now known as the Federal Reserve Bank provide a continuous thread of connection between the War of 1812 the Civil War the financial crises of the 1800s and assassination attempts on Presidents Jackson and Lincoln The author reveals how the War of 1812 began after Congress failed to renew a 20 year charter for the Central Bank After the war the ensuing debt forced Congress to grant the central banking scheme another 20 year charter The author explains how this spurred General Andrew Jackson fed up with the central bank system and Nathan Rothschild s control of Congress to enter politics and become president in 1828 Citing the financial crises engineered by the banks Jackson spent his first term weeding out Rothschild agents from the government After being re elected to a 2nd term with the slogan Jackson and No Bank he became the only president to ever pay off the national debt When the Central Bank s charter came up for renewal in 1836 he successfully rallied Congress to vote against it The author explains how after failing to regain their power politically the Rothschilds plunged the country into Civil War He shows how Lincoln created a system allowing the U S to furnish its own money without need for a Central Bank and how this led to his assassination by a Rothschild agent With Lincoln out of the picture the Rothschilds were able to wipe out his prosperous monetary system which plunged the country into high unemployment and recession and laid the foundation for the later formation of the Federal Reserve Bank a banking scheme still in place in America today *Journal of the Elisha Mitchell Scientific Society* Elisha Mitchell Scientific Society (Chapel Hill, N.C.),1884 Vols 20 include Proceedings of the North Carolina academy of science 1902 *Journal* Elisha Mitchell scientific society, Chapel Hill, N.C.,1884
