Slang Michael Adams, 2012-08-01 Slang writes Michael Adams is poetry on the down low and sometimes lowdown poetry on the down low but rarely if ever merely lowdown It is the poetry of everyday speech the people's poetry and it deserves attention as language playing on the cusp of art In Slang The People's Poetry Adams covers this perennially interesting subject in a serious but highly engaging way illuminating the fundamental question What is Slang and defending slang and all forms of nonstandard English as integral parts of the American language Why is an expression like bed head lost in a lexical limbo found neither in slang nor standard dictionaries Why are snow boarding terms such as fakie goofy foot ollie and nollie not considered slang As he addresses these and other lexical curiosities Adams reveals that slang is used in part to define groups distinguishing those who are down with it from those who are out of it Slang is also a rebellion against the mainstream It often irritates those who color within the lines indeed slang is meant to irritate sometimes even to shock But slang is also inventive language both fun to make and fun to use Rather than complain about slang as bad language Adams urges us to celebrate slang's playful resistance to the commonplace and to see it as the expression of an innate human capacity not only for language but for poetry Luv U Mate Dr. Punit Sethi, 2011 Love is sweet Love is kind it isn't just a piece of mind Love is something you need to give something that we share and believe Like a desert needs the water like a flower needs the rain my soul is thirsty for your Love and my heart screams out your name A girl and a boy meet through facebook and fall in love with each other repeatedly saying I LOVE YOU they become the most caring pair and share personal and private secrets with promise to be in love forever But something happens when SHE is taken to anonymity and HE is taken to lift skirts What happens and what options were left for him It is a true love story with some imaginations of the author that revolves around a social networking site called facebook At places you will find as if your own story is being narrated What is to be done in such love stories and during other happenings on social networking sites read on

Dictionaries K. Bøddeker, 1897 **Proper English** Tony Crowley, 2013-10-28 First published in 1991 Debates about the state and status of the English language are rarely debates about language alone Closely linked to the question what is proper English is another more significant social question who are the proper English The texts in this book have been selected to illustrate the process by which particular forms of English usage are erected and validated as correct and standard At the same time the texts demonstrate how a certain group of people and certain sets of cultural practices are privileged as correct standard and central Covering a period of three hundred years these writers who include Locke Swift Webster James Newbolt and Marenbon wrestle with questions of language change and decay correct and incorrect usage what to prescribe and proscribe Reread in the light of recent debates about cultural identity how is it constructed and maintained what are its effects these texts clearly demonstrate the formative roles of race class and gender in the construction of proper Englishness Tony Crowley's introductory material breaks new ground in rescuing these texts from the

academic backwater of the history of the language and in reasserting the central role of language in history Dictionary of Slang Words: Vocabulary Building Manik Joshi,2020-09-14 Slangs are very informal or specific words that are especially used by a particular group of people and are more common in spoken English In this book you will study and learn various common slang words cockney rhyming slangs and internet slangs Sample This 01 aardvark n British Slang hard work unpleasant tasks 02 abbess n British Slang a woman who runs a brothel 03 about done adj British Slang completed or finished 04 about right adj British Slang Slightly drunk 05 absotively adv American Slang absolutely positively 06 AC DC adj bisexual 07 acid n LSD Lysergic acid diethylamide an illegal drug that affects people s minds and causes them to see and hear things that are not really there 08 action n American Slang the state of feeling excited 09 antifreeze n American Slang liquor 10 aries n heroin a drug that has strong side effects 11 ashes n cannabis or marijuana 12 aunt Mary n cannabis or marijuana 13 axe n musical instrument especially a guitar or saxophone 14 axeman n a man who plays a musical instrument especially a guitar or saxophone 15 axle grease n British Slang a bribe American Slang butter SLANGS IDIOMS 01 a bit of all right British Slang a person that you think is very attractive in a physical way 02 a bit of rough British Slang a man from a low social class who has a physical relationship with a woman of a higher social class 03 a cold day in hell the time of occurrence of an event that will never happen 04 a grape on the business Australian Slang a person whose presence spoils things for others COCKNEY RHYMING SLANG Rhyming slang works by taking a usual or common word and using a rhyming phrase of two or three words to replace it The second or the last word in the rhyming phrase rhymes with the usual or common word For instance we can use the rhyming phrase apples and pears in place of the common word stairs Apples and Pears Stairs You can say Apples and pears are a key part of the home instead of Stairs are a key part of the home Note Sometimes the last word is dropped in common speech So you can also say Apples are a key part of the home We dropped and pears from the above sentence Cockney Rhyming slang Cockney is a dialect of the English language Cockney Rhyming slang is believed to have originated in the mid 19th century in the East End of London Traditionally a cockney is someone who lives in the East End of London INTERNET SLANGS Most Internet slangs are short forms of phrases but often they cannot be pronounced 121 One to One 2day Today 2moro Tomorrow 2nite Tonight 4EAE For Ever and Ever *Slang U*. Pamela Munro,1991 Written by a UCLA linguistics professor and her class and designed and illustrated by a leading graphic designer Slang U not only celebrates the English language at its liveliest but also reveals what subjects are most on the minds of today s students including a few that actually have nothing to do with either sex or beer , **Sociolinguistics / Soziolinguistik. book illustrates the application of a range of different methodologies to the study of slang and demonstrates the interconnection between the different sub fields of linguistics A key argument throughout is that slang is a function played by specific words or phrases rather than a characteristic inherent in the words themselves what is slang in one context is not slang in another The volume also challenges received wisdom on the nature of slang that it is short lived and that slang is restricted to verbal language With an introduction by editor Julie Coleman the topics covered range from Inner City New York slang and Hip Hop Slang to UK student slang and slang in Scotland Authors also explore slang in Jamaica Australia New Zealand India and Hong Kong and the influence of English slang on Norwegian Italian and Japanese A final section looks at slang and new media including online slang usage and the possibilities offered by the internet to document verbal and gestural slang Global English Slang is an essential reference for advanced undergraduates postgraduates and researchers working in the areas of lexicology slang and World Englishes
