And Party Every Day Larry Alan Harris, 2009 Now it can be told The true behind the scenes story of Casablanca Records from an eyewitness to the excess and insanity Casablanca was not a product of the 1970s it was the 1970s From 1974 to 1980 the landscape of American culture was a banquet of hedonism and self-indulgence and no person or company in that era of narcissism and druggy gluttony was more emblematic of the times than Casablanca Records and its magnetic founder Neil Bogart *And Party Every Day* is a frontline look at the record label that exploded onto the 1970s music scene rising faster burning brighter and crashing in a more spectacular fashion than any other label in history From Bogart's daring first signing the positively pyrotechnic Kiss through the discovery and superstardom of Donna Summer and the Village People not to mention extraterrestrial funk master George Clinton and his circus of freaks Parliament Funkadelic to the descent into the manic world of disco and its attendant vices this book charts Bogart's meteoric success and eventual collapse under the weight of uncontrolled ego and hype A compelling tale of ambition greed excess and some of the era's most biggest music acts Written with great candour and humour by Larry Harris Casablanca's co-founder and former senior vice president and managing director *And Party Every*

John Donne, dean of Saint Paul's Cathedral in London, suddenly fell ill of a pestilential illness. He took notes during this near-fatal illness and published them as *Devotions Upon Emergent Occasions* in 1624. It is in the context of devotional literature that this book has formerly been studied. If, however, the work is read with specific attention focused on the dynamics of Donne's psychological responses to a serious illness, it may be seen to be the powerful dramatic presentation of his struggle for emotional and spiritual survival following the disruption of a previously accepted value system. Our population today has experienced many of these feelings in facing illness, isolation, and death during the course of COVID-19. We are all Donne. He gives us a voice from four hundred years in the past. **The Boston Medical and Surgical Journal**, 1886 *American*

collection of essays reveals the often contrasting mix of emotion that comes with raising a son with autism. Harland's stories explore the first nine years of her son's life and the new and unexpected universe she and her husband must learn to navigate with him. **The Railroad Trainman**, 1918 **Jurek Becker** Sander L. Gilman, 2003-12-15 In the first biography of this figure, Sander Gilman tells the story of Becker's life in five worlds: the Polish Jewish middle-class neighborhood where Becker was born, the Warsaw ghetto, and the concentration camps where Becker spent his childhood; the socialist order of the GDR, which Becker idealized, resisted, and finally was forced to leave; the isolated world of West Berlin where he settled down to continue his writing; and the new reunified Germany for which Becker served as both conscience and inspiration.

In the depths of World War II, a groundbreaking endeavor emerged to provide the average American soldier with an accessible glimpse into the realm empirically grounded scientific psychology. This transformative work, crafted with precision, aimed to empower every soldier who delved into its pages, unveiling the secrets to comprehending and harnessing their own intricate human responses, the elusive weaponry that holds the key to triumph on the battlefield. Prepare to revolutionize your understanding and utilization of the most enigmatic instrumentalities of war: the human mind. **Day After Night** Anita

Diamant, 2009-09-08 Just as she gave voice to the silent women of the Old Testament in *The Red Tent*, Anita Diamant creates a cast of breathtakingly vivid characters: young women who escaped to Israel from Nazi Europe. In this intensely dramatic novel, *Day After Night* is based on the extraordinary true story of the October 1945 rescue of more than two hundred

prisoners from the Atlit internment camp a prison for illegal immigrants run by the British military near the Mediterranean coast south of Haifa The story is told through the eyes of four young women at the camp with profoundly different stories All of them survived the Holocaust Shayndel a Polish Zionist Leonie a Parisian beauty Tedi a hidden Dutch Jew and Zorah a concentration camp survivor Haunted by unspeakable memories and losses afraid to begin to hope Shayndel Leonie Tedi and Zorah find salvation in the bonds of friendship and shared experience even as they confront the challenge of re creating themselves in a strange new country This is an unforgettable story of tragedy and redemption a novel that reimagines a moment in history with such stunning eloquence that we are haunted and moved by every devastating detail Day After Night is a triumphant work of fiction
