**Sociology of Early Palestinian Christianity** Gerd Theissen,1978      **Social-Scientific Approaches to New Testament Interpretation** David G. Horrell,1999-01-01 In the past twenty five years New Testament scholars have drawn on the social sciences especially anthropology and sociology to develop a variety of new perspectives on early Christianity David Horrell here gathers together the classic works in this field including essays by for example John Barclay Philip Esler Wayne Meeks Luise Schottroff and Gerd Theissen For each selection David Horrell provides a short introduction and suggestions for further reading He also provides an introduction outlining the development and future prospects of the discipline An excellent reference and textbook for scholars and students      [Framing Social Criticism in the Jesus Movement](#) Sarah E. Rollens,2014-08-27 Which milieu did the earliest rural Jesus movement emerge from Sarah E Rollens provides a sociological study of the earliest Christians in rural Palestine based on evidence in the Sayings Gospels Q She compares this Jesus movement to other movements of social reform in similar socio cultural contexts      *The Rise of Normative Christianity* Arland J. Hultgren,2004-07-05 More than fifty years ago Walter Bauer s Orthodoxy and Heresy in Earliest Christianity undercut the traditional views on the making of orthodox Christianity by arguing that in several geographic areas heresy preceded orthodoxy Subsequently the ancient documents discovered at Nag Hammadi proved that early Christianity was tremendously diverse These influences have given rise to the notion that the various gnostic interpretations are mere alternatives to more traditional interpretations of Jesus and his significance Using a focused but broad definition of normative Christianity Hultgren contends that such a tradition originated at the very beginnings of the Christian movements developed and came to dominate as the most adequate expression of Jesus legacy Normative Christianity a stream as wide as the New Testament canon forged a coherence between confession of faith and community ethos that could endure and was the basis for later orthodoxy      **Redemptive Almsgiving in Early Christianity** Roman Garrison,1993-01-01 In the light of the New Testament s conviction that Jesus Christ died for sins and that the Cross is a once for all act that makes the Temple cult unnecessary this challenging work probes the reasons for the emerging doctrine of redemptive almsgiving in early Christianity Do the New Testament writers themselves even Jesus implicitly endorse the view that a supplementary or alternative means of atonement is necessary What is the background of this theme in Graeco Roman sources and in the Hebrew Bible What are the principal texts in early Christian literature that advocate almsgiving as a ransom for sin These questions firmly govern this investigation of the social and theological forces that gave legitimacy to a doctrine that at first appears to contradict the primary New Testament soteriology namely that the death of Jesus Christ is the exclusive means of redemption from sin      *Christology in Culture Perspective* Colin J. D. Greene,2004-06-24 Traditionally the study of the person and work of Christ has been understood largely as an exercise in biblical exegesis or historical and doctrinal analysis Rarely if ever has christology focused on the changing cultural paradigms that have deeply influenced the development of

human knowledge This unique volume by Colin Greene reverses that trend and in line with modern cultural theory explores the interfaces between successive cultural contexts and the story of Jesus Starting with an examination of the three main interpretive approaches to Jesus cosmological christology political christology and anthropological christology Greene moves on to concentrate on the subtle and complex linkages between christology and the sociopolitical paradigms that have bolstered the epistemological assumptions of modernity Greene then brings his book to a stirring close with a creative exploration into how christology might once again provide us with a Christ centered vision of reality **Handbook of Early Christianity**

Anthony J. Blasi, Jean Duhaime, Paul-André Turcotte, 2002-08-27 The Christian movement emerged amidst complex social tensions power politics ethnic diversity economic stress and cultural changes Both biblical scholars and social scientists find that a social scientific study of early Christian phenomena yields fascinating results However biblical scholars are sometimes unaware of the breadth of the useful social scientific concepts and techniques and social scientists sometimes lack the most basic background in literary research methods The Handbook of Early Christianity provides a much needed overview for biblical scholars and social scientists alike Drawing on perspectives from anthropology archaeology economics history literary analysis psychology political science and sociology the Handbook shows the myriad and complementary approaches that shed light on Christianity's formation and early development Twenty seven chapters from leading scholars along with a comprehensive bibliography make this an essential reference for anyone wishing to understand the social dynamics of Christianity's birth *Christian Origins and the Establishment of the Early Jesus Movement* Stanley E.

Malherbe, 2003-10-29 Comments on the First Edition Those concerned with Christian beginnings will find Malherbe stimulating and incisive on the New Testament Robert M. Grant *Journal of Religion* The author is a scholar of great learning I

found the footnotes to be extremely useful and the challenge of the book that a new consensus has emerged is a genuine contribution to continuing debate Robin Scroggs *Journal of the American Academy of Religion* An interesting and informed introduction to an important new development in the study of earliest Christianity Victor P Furnish *Perkins Journal* The book constitutes a major challenge to the depictions of early Christianity especially of the Pauline wing in earlier scholarly work Howard Clark Kee *Reflection*
