The Bibliographic Index, 2005 **The Precarious Organisation** Mady A. Thung, 2016-05-24 The series Religion and Society RS contributes to the exploration of religions as social systems both in Western and non Western societies in particular it examines religions in their differentiation from and intersection with other cultural systems such as art economy law and politics Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual the religious imagination constructions of tradition iconography or media In addition the formation of religious communities their construction of identity and their relation to society and the wider public are key issues of this series **Bibliographie Internationale D'anthropologie Sociale Et Culturelle** International Committee for Social Science Information and Documentation, 1986-11-20 First published in 1986 Routledge is an imprint of Taylor Francis an informa company **Formal Organizations** Peter M. Blau, W. Richard Scott, 1962-01-01 Upon its publication in 1962 this book became one of the founding texts of organizational sociology Bringing together diverse approaches it presented a new focus of interest the formal organization Blau and Scott raised the level of analysis from attention solely on individual participants and work groups to a broader understanding of organizations as collective actors In the book the authors reviewed multiple types of studies including case studies experimental research and surveys and integrated them to define new central themes They used their own empirical studies of two social welfare agencies to illustrate the ways in which varying organizational contexts shape work group and participant attitudes and activities Formal Organizations served to integrate research on both formal and informal systems authority and leadership and stressed the importance of links to the wider environment This reissue which includes a new introduction by Scott makes this seminal work accessible to a new generation of scholars and practitioners **Managing Religion: The Management of Christian Religious and Faith-Based Organizations** Malcolm Torry, 2014-09-09 This two volume work explores the management of religious and faith based organizations Each chapter offers a discussion of the earliest Christian organizations based on New Testament evidence a study of managing faith based organizations and an exploration of secular management theory in relation to the management of faith based organizations *Agricultural Economics Bibliography*, 1925 **Clergy, Ministers and Priests** Stewart Ranson, Alan Bryman, Bob Hinings, 2021-12-24 First published in 1977 Clergy Ministers and Priests provides the first sociological analysis to have been undertaken in this country of the differences in value orientation between clergy in the Church of England ministers in the Methodist Church

and priests in the Roman Catholic Church Five important areas of values are covered theological outlook views on the role of the religious functionary attitudes towards ecumenism views on institutional reform and ideas about the organisational nature of the church Going beyond the description the authors examine various explanations for the existence of these differences First they consider the interplay of the values themselves A second approach deals with structural factors related to the denomination such as the social role played by the clergy Finally non denominational social experience is considered including class origins and the educational background of the clergy This study will be of interest to scholars and researchers of sociology of religion religion and Christianity
