Sociology Through Humor

Salvatore Attardo

Sociology Through Humor:

Good Humor, Bad Taste Giseline Kuipers, 2015-04-24 This is an updated edition of *Good Humor Bad Taste A Sociology of the Joke* published in 2006 Using a combination of interview materials survey data and historical materials it explores the relationship between humor and gender age social class and national differences in the Netherlands and the United States This edition includes new developments and research findings in the field of humor studies **Introduction to Sociology**

Through Comedy Julie Morris, 2024-05-02 Questioning society and one's place in it is a common theme in both comedy and sociology Understanding and subverting hierarchies and norms exploring deviance and taboos and relating lived experience to broader questions all hold a crucial place for them both *Introduction to Sociology Through Comedy* teaches foundational sociological concepts using comedy first considering the history of sociology before employing examples from comedians including standalone comedy bits sketches characters and scenes to illustrate a specific theory concept or social phenomenon The profession of comedy is then used as a case study for the application of sociological concepts such as impression management social stratification racial segregation deviance and stigma allowing readers to gain familiarity with the concepts while simultaneously practicing their application This book explains why we laugh by applying theories of humor which will bolster students understanding of sociological principles by forcing them to question their own assumptions helping them to put why they laugh into sociological terms **Sociology Through Humor**, 1987 **Selected Readings**

for Introductory Sociology, **The Psychology of Humor** Jon Roeckelein, 2002-02-28 This work traces the origins and evolution of the concept of humor in psychology from ancient to modern times with an emphasis on an experimental empirical approach to the understanding of humor and sense of humor In addition to more than 3 000 important citations and references pertaining to the history theories and definitions of the concept of humor this reference guide contains more than 380 recent post 1970 annotated entries on the psychology of humor in its bibliographic section The book describes various psychological nonpsychological and philosophical theories and definitions of humor and focuses on the methodological concerns of psychologists regarding the scientific investigation of humor The bibliography is organized under 10 categories including Bibliographies and Literature Reviews of Humor Cognition and Humor Methodology and Measurement of Humor and Social Aspects of Humor **Encyclopedia of Humor Studies** Salvatore Attardo, 2014-02-25

The *Encyclopedia of Humor A Social History* explores the concept of humor in history and modern society in the United States and internationally This work's scope encompasses the humor of children adults and even nonhuman primates throughout the ages from crude jokes and simple slapstick to sophisticated word play and ironic parody and satire As an academic social history it includes the perspectives of a wide range of disciplines including sociology child development social psychology life style history communication and entertainment media Readers will develop an understanding of the importance of humor as it has developed globally throughout history and appreciate its effects on child and adult

development especially in the areas of health creativity social development and imagination This two volume set is available in both print and electronic formats Features Benefits The General Editor also serves as Editor in Chief of HUMOR International Journal of Humor Research for The International Society for Humor Studies The book s 335 articles are organized in A to Z fashion in two volumes approximately 1 000 pages This work is enhanced by an introduction by the General Editor a Foreword a list of the articles and contributors and a Reader s Guide that groups related entries thematically A Chronology of Humor a Resource Guide and a detailed Index are included Each entry concludes with References Further Readings and cross references to related entries The Index Reader s Guide themes and cross references between and among related entries combine to provide robust search and browse features in the electronic version This two volume A to Z set provides a general non technical resource for students and researchers in such diverse fields as communication and media studies sociology and anthropology social and cognitive psychology history literature and linguistics and popular culture and folklore

Sociology Through Humor Joseph E. Faulkner, 1987

Handbook of Humor Research P.E. McGhee, J.H. Goldstein, 2012-12-06 About a decade ago we edited *The Psychology of Humor* Besides the summary chapter and bibliography of about 400 items the book contained eleven original papers that represented the state of knowledge at that time We confess that it was not easy to fill that volume with first rate contributions In a few instances we invited contributors only on the basis of having heard through the grapevine that they were doing interesting work on humor Our sources proved reliable and we were pleased with the results We even made new friends as a result of these blind invitations But the fact remains that in the early 1970s there was only a handful of social scientists studying humor and laughter The history of humor research prior to the 1970s can also be characterized in terms of the short term commitment to investigating humor among those who did venture out and try their hand at designing humor studies For reasons that remain unclear many investigators published only one or two humor studies before abandoning the area in favor of some other research domain We have the impression that for decades social scientists have been very intrigued by the idea of studying humor Psychologists have suspected for a long time that humor somehow is very important in the lives of people We find laughter and humor occurring almost wherever we find people engaged in social interaction

Comedy and Social Science Cate Watson, 2015-06-12 While there have been many sociological and psychological studies of humor few can claim to be funny Humor may be regarded as a legitimate topic for social scientists but in general they present their research rather seriously In academia humor tends to be trivialized and dismissed This is more than just a missed opportunity for otherwise fun loving academics In literature it is readily accepted that comedy is integral to the human condition To ignore humor is to reject a potentially insightful methodological approach as the humorous worldview presents unique opportunities for investigating the social This book constitutes a unique resource presenting chapters on irony satire and parody as tools for analysis and means of representation as well as considering humor in the conduct of research and offering guidance on

getting published Through presenting examples from across the social sciences the book seeks to persuade and inspire rather than to prescribe an approach a closure which would ironically be inimical to the multiplicity and ambiguity which characterizes humorous research and lends it its distinctive edge **The Primer of Humor Research** Victor

Raskin,2008-11-06 The book is intended to provide a definitive view of the field of humor research for both beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge Each chapter of the book is devoted to an important aspect of humor research or to a disciplinary approach to the field and each is written by the leading expert or emerging scholar in that area There are two primary motivations for the book The positive one is to collect and summarize the impressive body of knowledge accumulated in humor research in and around Humor The International Journal of Humor Research The negative motivation is to prevent the embarrassment to and from the first timers often established experts in their own field who venture into humor research without any notion that there already exists a body of knowledge they need to acquire before publishing anything on the subject unless they are in the business of reinventing the wheel and have serious doubts about its being round The organization of the book reflects the main groups of scholars participating in the increasingly popular and high powered humor research movement throughout the world an 800 to 1 000 strong contingent and growing The chapters are organized along the same lines History Research Issues Main Directions Current Situation Possible Future Bibliography and use the authors definitive credentials not to promote an individual view but rather to give the reader a good comprehensive and condensed view of the area Comedy, an Annotated Bibliography of Theory and Criticism James E. Evans,1987 No

descriptive material is available for this title **Good Humor, Bad Taste** Giseline Kuipers,2015-04-24 This is an updated edition of Good Humor Bad Taste A Sociology of the Joke published in 2006 Using a combination of interview materials survey data and historical materials it explores the relationship between humor and gender age social class and national differences in the Netherlands and the United States This edition includes new developments and research findings in the field of humor studies Exploring Humor in Child Welfare Casework Lisa N. Landram,Christian A. Vaccaro,2024-05-29 Exploring Humor in Child Welfare Casework Laugh to Get Through It or Cry Forever explores how gallows humor is used among child welfare caseworkers and what the use of humor and gallows humor reveals about how employees experience stress and manage their emotions Caseworkers utilize humor as a method to manage the dilemmas they face in their employment Humor provides a way for employees to cope with stress and the negative emotions they experience due to these dilemmas The questions answered within the book are 1 How do Office of Children Youth and Families employees intake department and treatment department experience humor and gallows humor and what does that reveal about how they are managing stress and emotions related to their employment 2 What are the negative and positive effects of the use of gallows humor among individuals groups and the organization 3 Are there any similarities and or differences in how the intake

department and treatment department employees utilize gallows humor The answers to these questions provide an overall picture of how humor is managed by the individual child welfare caseworker among groups and at the organizational level The authors then provide recommendations for organizational leaders to fully harness the power of humor and minimize the negative components

Communicating Political Humor in the Media Ofer Feldman, 2024-05-07 This anthology of studies is a follow up to Political Humor Worldwide The Cultural Context of Political Comedy Satire and Parody It further examines political humor as a distinct sub discipline of political communication influenced and shaped by a country s culture The book s contributors experts drawn from the academic fields of political science communication linguistics sociology culture studies political psychology and others offer an assortment of studies from multiple disciplinary perspectives Focusing on political humor in the media the authors offer a panorama of political humor including political satire parody and cartooning in Spain Poland Montenegro Turkey Japan Australia Iran Brazil Argentina Malaysia and Indonesia among others They detail political humor s multifaceted and versatile nature suggesting that national culture and political humor expressed in the news media are intertwined thus understanding political humor requires looking at the cultural landscape of a given country or society The book helps readers to better understand the factors that shape political humor across the globe in a variety of political and media systems

African Folklore Philip M. Peek, Kwesi Yankah, 2004-03-01 Written by an international team of experts this is the first work of its kind to offer comprehensive coverage of folklore throughout the African continent Over 300 entries provide in depth examinations of individual African countries ethnic groups religious practices artistic genres and numerous other concepts related to folklore Featuring original field photographs a comprehensive index and thorough cross references *African Folklore An Encyclopedia* is an indispensable resource for any library s folklore or African studies collection Also includes seven maps

The Social Faces of Humour George E.C. Paton, Chris Powell, Stephen Wagg, 2019-06-14 First published in 1996 this volume is a sequel to *Humour in Society Resistance and Control* which was edited by George E C Paton and Chris Powell Now seven years later the culturally central nature of humour seems greater than ever This collection of original essays critically assesses the practices of humour in various role relationships in a number of social contexts for example in the workplace and between family members A feature of this new volume is the critical analysis of socio linguistic practices including the use of jokes and cartoons to manage tensions in social relationships at the micro and macro sociological levels of human interaction Wider social and cultural issues area also examined by other contributors concerned with alternative comedy and sitcoms in British and Australian society for example which along with humour practices are situated by the editors in their introduction to substantiate the value of studying and researching the sociology of humour

Personal Sociology Jeffrey E. Nash, 2022-02-23 In *Personal Sociology Finding Meanings in Everyday Life* Jeffrey E Nash transforms everyday experiences into sociological insights and understandings This book has three parts Part One illustrates the intersection of meanings in selected settings from the author s own life such as barbershop quartet

singing wrestling and how a medical procedure changed his identity Part Two deals with humor and its intersection with social identities An analysis of two television sitcoms separated by thirty years reveals how racial identity reflects larger changes in society Using an indirect approach to teaching sociology to a group of elderly learners the intersections of gender race class and age are explored and explained through sociological concepts and theories Part Three explores embedded meanings in local social contexts involving social beliefs and activism The book concludes by engaging in public sociology through editorial opinion writing *Sociology and Social Research* ,1927 Includes the section Book notes *Teaching with Sociological Imagination in Higher and Further Education* Christopher R. Matthews,Ursula Edgington,Alex Channon,2018-01-30 This book uses research and personal stories from university lecturers to explore pedagogical strategies that illuminate how students minds can be switched on in order to unlock their extraordinary potential It presents diverse ways to create inspiring learning environments in chapters written by internationally respected experts in the broad field of the social sciences Each author illustrates how through their unique teaching philosophies and practices they seek to enhance students experiences and promote their critical thinking learning and development The respective chapters provide conceptual arguments personal insights and practical examples from a broad range of classrooms demonstrating various ways in which students sociological imagination can be brought to life As such the book is both practical and theoretical and is primarily aimed at educators working in both higher and further education institutions who wish to develop their understanding of classroom pedagogy as well as gain practical ideas for teaching and learning in the social sciences

Psychology of Communication Jessica Röhner,Astrid Schütz,2023-12-01 This successful textbook on the psychology of communication explains here in English for the first time how human communication works in a very understandable way It begins with the explanation of central terms and the explanation of known communication models e g the models according to Schulz von Thun Watzlawick Hargie and colleagues then describes means of non verbal and verbal communication and ends with a clear and structured summary of communication forms Concrete fields of application stumbling blocks e g intercultural differences in communication practical examples and digressions in the book round off what has been read and consolidate what has been learned In addition free learning materials are available on the Internet with which readers can test their knowledge acquisition

Embracing the Track of Appearance: An Mental Symphony within **Sociology Through Humor**

In some sort of used by monitors and the ceaseless chatter of quick interaction, the melodic elegance and emotional symphony produced by the published word frequently fade into the backdrop, eclipsed by the constant noise and disruptions that permeate our lives. Nevertheless, located within the pages of **Sociology Through Humor** a charming literary value full of natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, that charming masterpiece conducts readers on a psychological journey, well unraveling the concealed tunes and profound impact resonating within each cautiously crafted phrase. Within the depths of the moving review, we will discover the book is key harmonies, analyze their enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Sociology Through Humor Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sociology Through Humor PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sociology Through Humor PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sociology Through Humor free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
