Sociology Of Australian Society Introductory Readings:

A Sociology of Australian Society John Stuart Western, 1988 *A Sociology of Australian Society* John Stuart Western, Jakob M. Najman, 2000 This new edition of a highly successful text reinforces its standing as a comprehensive introduction to the study of Australian society With a fresh design format and introducing a new level of applied sociology the book builds on the many strengths of the two previous editions **Australian Sociology** K. Harley, G. Wickham, 2014-07-22 Battered and bruised by injuries often self inflicted sustained in the first half of the twentieth century since 1950 sociology in Australia has fought its way back into the academic mainstream This has not been easy its fortunes seem forever mixed good in some places and dismal in others But it has proved itself resilient it is a survivor *Dimensions of Australian Society* Brian Graetz, Ian McAllister, 1994 **Introduction to Australian Society** Don Edgar, Leon Earle, Rodney Fopp, 1993 Updated and revised this introductory text includes recent research and statistics and deals with key issues affecting Australian society in the 1990s Features include an informal style new chapters on technology leisure ageing demography health and religion more applied emphasis for students interested in the human service professions such as education healthcare and social work and chapter overviews *The Cambridge Handbook of Social Sciences in Australia* Ian McAllister, Steve Dowrick, Riaz Hassan, 2003-08-07 First published in 2003 The Cambridge Handbook of Social Sciences in Australia is a high quality reference on significant research in Australian social sciences The book is divided into three main sections covering the central areas of the social sciences economics political science and sociology Each section examines the significant research in the field placing it within the context of broader debates about the nature of the social sciences and the ways in which institutional changes have shaped how they are defined taught and researched Public Sociology John Germov, Marilyn Poole, 2020-07-22 From the future of work to the nature of our closest relationships how do we understand the links between our personal troubles and wider public issues in society today Now into its fourth edition Public Sociology continues to highlight the relevance of a grounded sociological perspective to Australian social life as well as encouraging students to apply a sociological gaze to their own lives and the communities in which they live Public Sociology presents a wide range of topics in a user friendly and accessible way introducing key theories and research methods and exploring core themes including youth families and intimate relationships class and inequality and race and ethnic relations All chapters have been extensively revised to bring them up to date in a fast changing social world reflecting the latest sociological debates in response to changing lifestyles and evolving political landscapes In addition to updated statistics and research findings an expanded glossary and the latest citations to the scholarly literature the text features a completely new chapter on gender and sexualities with expanded discussion of LGBTIQ This new edition also explores contemporary issues ranging from the MeToo movement to marriage equality fake news and alt facts This is the essential sociological reference to help students make sense of a complex and challenging world NEW TO THE FOURTH EDITION A new chapter on gender and

sexualities and expanded discussion of intersectionality Exploration of the latest social issues including MeToo rising inequality and the post truth age All chapters thoroughly revised and updated with the latest research Updated book website with extra readings YouTube clips and case studies A new feature Visual Sociology helps the reader analyse the power of visual messaging With a firm base in the richest traditions of the discipline and with a remarkably approachable format this book offers an excellent introduction to a wide array of sociology s concerns making it suitable for all Australian social science undergraduates Gary Wickham Emeritus Professor of Sociology Murdoch University A sophisticated yet accessible introduction to social identities differences and inequalities and social transformations Jo Lindsay Professor in Sociology Monash University Sweeping and lucid communicates with ease and simplicity Toni Makkai Emeritus Professor College of Arts and Social Sciences Australian National University

Class Analysis and Contemporary Australia Janeen Baxter, 1991 Collection of essays which describe and examine the consequences of the Australian class structure The findings and observations of the authors are based on their 1986 national survey of the Australian workforce

Family, Gender and Kinship in Australia Allon J. Uhlmann, 2016-04-15 This ethnographically based exploration draws on sociological historical and demographic data to provide a comprehensive analysis of family gender and kinship in Australia which informs modern kinship and gender at large Allon Uhlmann charts the cultural basis that underlies kinship practices and argues that the Australian family is characterized by deep cultural and social continuities rather than the common view that the family is undergoing substantial change He further shows how the modern family both shapes and is shaped by broad social and economic processes This analysis provides greater insight into this critical field of practice as well as showcasing a novel analytical approach to practice that is rooted in the sociology of practice and in the anthropology of cognition The book also suggests changes to the way in which social scientists currently treat family and kinship

Origins Of Multiculturalism In Australian Politics 1945-1975 Mark Lopez, 2013-06-18 This book answers such fundamental questions as what is multiculturalism how did it originate and how did it become a basis for the Australian government s ethnic affairs policy Researched from primary evidence much of it made available to the author exclusivelymdash it is an essential and solid foundation for future research and policy work in this field Multiculturalism continues to stir emotions and excite passionate public debate This work presents new accurate ideologically neutral historically based definitions of multiculturalism It also provides accurate and analytically useful definitions and explanations of assimilationism and integrationism thus establishing a valuable framework for analysis and debate

A Caring Society? MICHAEL D. FINE, 2018-07-09 In the twenty first century characterized by population aging family fragmentation and the entry of women into the paid workforce caring has become a major public issue This book offers a comparative analysis of the sociology philosophy and emergent practices of care in the context of the political economy of post industrial societies

Remaking the Body Wendy Seymour, 1998 In this major new contribution to the field of the sociology of the body Wendy Seymour interviews people who have suffered

profound bodily paralysis and explores their sense of an embodied self Essential reading for rehabilitation professionals

Commercial Law in East Asia Roman Tomasic, 2017-07-05 The shift of economic gravity towards East Asia requires a critical examination of law's role in the Asian Century This volume explores the diverse scholarly perspectives on law's role in the economic rise of East Asia and moves from general debates such as whether law enjoys primacy over culture state intervention or free markets in East Asian capitalism to specific case studies looking at the nature of law in East Asian negotiations contracts trade policy and corporate governance The collection of articles exposes the clefts and cleavages in the scholarly literature explaining law's form function and future in the Asian Century

Economic Rationalism in Canberra Michael Pusey, 1991 Michael Pusey discusses the way that Australian policies have transformed since the 1970s

Mapping Reality Jane Azevedo, 1997-01-01 Using the insights of evolutionary epistemology the author develops a new naturalist realist methodology of science and applies it to the conceptual practical and ethical problems of the social sciences

Women and Social Class Pat Mahony, Christine Zmroczek, 2004-01-14 This volume presents debates on class within an international context Its particular focus is on women's theorized experience of social class from a variety of feminist perspectives contextualized in relation to the countries and regions in which they live Using personal experience as a basis contributors cover Australia Bangladesh Botswana Britain Canada Czechoslovakia and the Czech Republic India Israel Korea New Zealand Poland and the USA illuminating the differences and similarities between regions Challenging the view that class is dead as well as the idea that it is a British phenomenon the book argues that class needs to be regarded as a key concept in any attempt to understand women's lives It also reflects on personal and political experiences of class around the world in order to understand the mechanisms through which class discrimination operates and is mediated by gender sexuality ethnicity and racism

Australian Leisure A J Veal, Simon Darcy, Rob Lynch, 2015-05-20 For first year students in tertiary leisure studies programs both Leisure Studies and Social Science Australian Leisure 4e provides an introduction to and analysis of a broadly defined concept of leisure It integrates Australian and international knowledge so that the book is an Australian interpretation based largely on local sources but which engages with relevant international research and theory This edition has been extensively reviewed and updated and includes new chapters on social networks global cultures and events Leisure is not just sport or the arts or outdoor recreation it is all these things and more including tourism gambling hobbies television watching entertainment play and doing nothing in particular The purpose of the text is to illuminate leisure and its place in past present and future Australian society The text is designed to lead students into the subject and provide pointers to more detailed study through discussion questions and guides to further reading

Reform in Policing Jill M. Bolen, 1997 Provides an important analysis of attempts to reform policing grounded in the experience of the Whitrod era in Queensland Bolen's analysis is based on detailed insider knowledge of the processes unparalleled in other studies of police reform This book offers a detailed and rich history of Queensland policing at the time but its relevance

extends much beyond Queensland It is a valuable text for anyone interested in policing and organisational change
