

# FAMILY (SOCIOLOGY)

## DEFINITION

Family refers to a social group characterized by common residence, economic cooperation, and reproduction. It consists of individuals bound by kinship—either through blood, marriage, or adoption—who share a commitment to one another. The structure of a family unit can vary widely across cultures, time periods, and individual experiences.

## COMMON TYPES

- Nuclear or conjugal (a wife, a husband, and their children)
- matrifocal (a mother and her children)
- patrifocal (a father and his children)
- extended families (parents, grandparents, children, aunts, uncles, and so on)

# Sociology Of The Family

**James M. White, David M. Klein**

## **Sociology Of The Family:**

**Sociology of the Family** Lee D. Millar Bidwell, Brenda J. Vander Mey, 2000 Sociology of the Family includes in every chapter an article relevant to the topic at hand These articles include excerpts from well known books and journal articles A brief summary and focus questions open the article stimulating thought then a set of discussion questions follows making the book interactive and promoting active learning The book will draw readers in with its easy to understand writing style and its catchy opening situations at the beginning of every chapter It then covers the important topics of race social class and gender in separate chapters and addresses these issues in all subsequent chapters This book is unlike others in which theory and research methods are briefly mentioned in an opening chapter never to be discussed again In Sociology of the Family the authors not only cover theory and methods in separate chapters but theoretical perspectives are continually applied and methodological issues are consistently discussed in consequent chapters throughout the book Readers will also appreciate the cross cultural focus that runs throughout the book With a strong emphasis on cross cultural family dynamics this text is excellent for courses that focus primarily on the U S or attempt to contextualize family patterns and trends and controversies in the U S by comparing them with other national or global trends For anyone interested in Sociology of Family Marriage and Family or Comparative Family Systems *Sociology of Families* David M Newman, Elizabeth Grauerholz, 2002-02-19

Sociology of Families Second Edition begins at the level of the individual by examining familiar contemporary issues topics students are likely to feel strongly about David Newman and Liz Grauerholz next show students the deeper and more detailed sociological underpinnings of the issues at hand using the theories and data of social sciences to understand the meaning and broader relevance of these controversies and experiences **Emile Durkheim on the Family** Mary Ann

Lamanna, 2001-10-24 This valuable source for a systematic and comprehensive understanding of Durkheim s ideas on the family constitutes a major addition to the literature on the family social theory women s studies and family law Highly recommended for upper division undergraduates and above CHOICE Emile Durkheim on the Family is intended to bring attention to this classical sociologist s work on the family Durkheim s writings in this area are little known but the family was nevertheless one of his primary interests the subject of an intended book that was never written Durkheim s ideas on the family appear only in scattered sources and a number of those sources have not been translated into English Durkheim s Sociology of the family has not heretofore been presented and analyzed holistically The purpose of Lamanna s book is to bring together Durkheim s ideas on the family from diverse sources and to present his family sociology systematically and comprehensively Quotations from Durkheim s writing or speaking enrich the analysis Durkheim s work on the family is situated in its historical context and comparisons are drawn to present day sociology of the family is situated in its historical context and comparisons are drawn to present day sociology of the family and family issues Chapter topics include Durkheim s life and times His evolutionary theory of the family Methodologies for studying the family The changing relationship of kin

Conjugal family and the state The interior of the family Family policy Gender Sexuality An examination of Durkheim's work on the family reveals its close connections to his well known books and theories Emile Durkheim on the Family should interest audiences in sociology of the family social theory family science European intellectual history women's studies legal history and those generally interested in family studies and or nineteenth and early twentieth century Europe The Family Bert N. Adams, Robert King Merton, 1986 Family and the State of Theory David J. Cheal, 1991-01-01 Family studies play an increasingly important role in contemporary sociology David Cheal provides an up to date and comprehensive survey of modern sociological theories about family life While recognizing that these theories are both diverse and fragmented he argues that such divisions are a positive and integral aspect of studying contemporary family theory Cheal takes a broad comparative approach to the theories analysed using empirical examples from North America Europe and Australia and examining how old and new approaches interact with one another He argues that it is possible to make sense of a contemporary family theory by analysing its divisions as the result of different experiences of modernity These experiences lie along three axes first the opposition between social modernism and its anti modernist critics second the ideological effects of contradictions within modernity itself and third the emerging difference between modernist idealism and post modernist scepticism Another major theme of the book is the profound impact of feminism on contemporary family studies and how this has been the catalyst for so much rethinking of the subject in recent years By comparing a wide range of theories in this way and providing a conceptual framework to explain and encourage theoretical pluralism David Cheal has produced a major new work for students and researchers of family sociology and social theory worldwide The Family in Social Context Gerald R. Leslie, 1982 Fully updated this comprehensive and engaging introduction to the sociology of the family offers cross cultural and historical coverage of a timely topic For this new edition the authors have added a glossary expanded and revised many of the chapters and included a short outline at the beginning of each chapter to provide an overview of material covered An entirely new section on adoption has been added and the chapter on dual career families greatly expanded **Readings on the Sociology of the Family** Bert N. Adams, Thomas Weirath, 1971 **Sociology of Families** Teresa Ciabattari, 2021-07-23 Sociology of Families Change Continuity and Diversity offers students an engaging introduction to sociological thinking about contemporary families in the United States The Second Edition has been updated to include the most recent data and statistics expanded coverage of childhood and parenting and a new chapter on family violence *Sociology of the Family* Steven L. Nock, 1987 A complete and balanced introduction to the sociological study of the family Family and Civilization Carle C. Zimmerman, 2008-01-25 Originally published New York Harper 1947 *The Sociology of the Family*, 1964 **The Sociology of the Family** Graham Allan, 1999 This volume provides students with the essential readings for understanding the dominant issues in the sociology of the family The editor presents the reader with a collection of important writings that include recent and currently relevant material as well as the rich variety of empirical work conducted in this field The book

conveys the continuing significance of gender in analysing the family and explores the important links between social research and social policy The volume offers an excellent introduction to anyone interested in understanding the complexity of contemporary family life It will be essential reading for all those studying the family within sociology social policy social work health and welfare and gender studies courses *Family* David Cheal, 2003

**Sociology of Marriage & the Family** Scott Coltrane, Randall Collins, 2001 This sociological analysis of the system of marriage and family focuses on the family as an institution in society It uniquely encompasses many facets of society and students are able to learn about family seen through a cultural and historical perspective The book sets a high conceptual standard but uses informal writing and minimal jargon It presents the perspectives of critical and questioning academics feminists progressives anti racists independent thinkers cross disciplinary types etc within a scholarly well researched text It addresses a host of real world issues and practical concerns

**The Large Family System** James H. S. Bossard, 2016-11-11 This book is the first sociological study of the large family as a way of life as a system of child rearing and as a matrix for personality development It is an original study based on case histories of one hundred large families ranging in size from six to sixteen children members of which have contributed the facts of their family experiences A total of 879 children were born in these families and it is chiefly through the eyes of the children that these families are viewed Six years of investigation and analysis were devoted to this study by James H S Bossard and his research associates and the results of their work suggest answers to many questions that have perplexed students of human behavior For example What are the attitudes of children toward large families Of the fathers Of the mothers Are large families as happy as smaller families What are the characteristic features of the happy ones How and by whom are children reared in large families How do children in these families get along with each other Do large families make for feelings of security emotional and or economic Do children reared in large families make good husbands and wives Do they form large families in turn Are they well adjusted persons What are the special hazards of the large family and how do large families tend to meet their problems These are only a few of the questions concerning large families that are studied in this volume Including fifty eight tables and a wealth of case history material *The Large Family System* is a pioneering work of urgent interest to students of the family and child development to social case workers to parents in general to research workers in human behavior to everyone who has been reared in a large family or who aspires to start a large family of his own

**The Family, Politics, and Social Theory (RLE Social Theory)** D.H.J. Morgan, 2014-08-13 This book explores and clarifies all the major issues and developments within family theorising It covers the extraordinary growth and variety of approaches to the family over the last decade the most significant being the impact of feminism and the professional and state intervention into the family through marital and family therapy The author focuses on the growth of family counselling giving a detailed analysis of the Home Office publication *Marriage Matters* He looks at the rapid growth of historical studies of the family European theoretical developments the work of the Rapoport the role of systems theorising

and phenomenological and critical approaches to the family He shows the relevance of family theorising for contemporary debates about the state of marriage and the family and argues for the centrality of family themes within wider sociological debates

**A Sociology of Family Life** Deborah Chambers, 2012-05-29 Explores the growing diversity of family life and new sociological thinking about family parenting childhood and personal life Presents a comprehensive assessment of recent research and theory

**Sociology of Marriage and the Family** Randall Collins, Scott Coltrane, 1995 Includes bibliographical references 31 p Name index 7 p Subject index 11 p

**A Social History of American Family Sociology, 1865-1940** Ronald L. Howard, Louis T. Van Leeuwen, 1981-04-30

**Family Theories** James M. White, David M. Klein, 2002-06-27 Praise for the First Edition This is an admirable text and sourcebook but also achieves the status of an intellectually challenging confrontation with the reader It is in many ways a model which many of us would be well advised to follow I wish I could have written it British Journal of Developmental Psychology This revision of a best seller remains the only single volume book to present family theory in a clear and approachable manner providing a thorough introduction to current theories about the family for both advanced undergraduate and beginning graduate students The authors incorporate a broad scope of work from different perspectives in surveying seven major theoretical frameworks developed by key social scientists to explain variation in family life This incisive New Edition examines the exchange symbolic interaction family developmental systems conflict feminist and ecological theoretical frameworks and presents a typology for analyzing and comparing the seven frameworks while providing direction for future theory development
