Sod Schoolhouse:

Sod Schoolhouse Courtner King, 1996-01-01 Collections of the Kansas State Historical Society Kansas State Historical Society, 1902 **English Teaching Forum**, 2000 The Christian Advocate, 1914 Philippine Journal of Education, 1921 *Transactions* Kansas State Historical Society, 1902 *From Lead Mines to Gold Fields* Henry Taylor, 2015-11 Henry Taylor's long life 1825-1931 gave him an unusual perspective on change in American society. During his lifetime the West was largely settled. America fought wars with Mexico and Spain was nearly torn apart by a civil conflict and then joined allies across the sea in World War I. Inventions proliferated: trains, cars, airplanes, to name a few. And twenty-six presidents served in office. Taylor's life also exemplifies the mobile American lifestyle. His family moved several times before he left the lead mines of Wisconsin for the gold fields of California during the early 1850s. Taylor's account of his journey across the western continent in search of fortune provides an arresting and detailed look at the dangers of the trail. His account of his move to western Nebraska in 1878 offers insight into the problems and successes of the early homesteaders and settlers. The latter portions of the autobiography concern his later travels and his reflections on his long life. With wit and a keen sense of character, Taylor began to record his life story when he was 80 and completed it at the age of 103. Donald L. Parman has organized and annotated Taylor's story, supplying an introduction and information on people, places, and events in the text. *Prairie City* Angie Debo, 1998-09-01 *Prairie City* is the social history of a representative midwestern town, a composite of several Oklahoma small towns. Beginning with the one flashing moment of the 1889 land run which opened the Oklahoma Lands for white settlement, Angie Debo depicts the struggles of the settlers on the vast prairie to build a community despite seasons of drought, prairie fire, and destitution. Solidly based on historical research, *Prairie City* chronicles the arrival of the railroad, the growth of political parties and educational institutions, KKK uprisings, the oil boom, the Depression, and the New Deal, and the effects of two world wars on small town America. *Pioneer Angel* Erwin Bornue, 2009 From my earliest childhood I heard about Emily and the pioneering carpenter family on the Nebraska prairies. When Grandma Sarah Carpenter Bourne and my Dad and Uncle Hank and all the other uncles and aunts would get together I'd hear a lot of stories about Emily and Eleazer Carpenter and the Major's Post Office stories about blizzards and droughts and Indians and cowboys and always someone would speak almost reverently about Emily, the Angel of the prairies. Back cover

Nebraska : an Illustrated History Frederick C. Luebke, 2005-01-01 A unique history of Nebraska is presented in these pages, drawing on fifty-eight short topical chapters and a rich gallery of illustrations. Professor Frederick C. Luebke's lifelong commitment to the study of his state informs the book in every detail, as does his concern for clear and readable narrative. The treasure trove of images, many never published before, cast new light on many aspects of Nebraska's history. These include the culture of the state's Native peoples and their lives today, the building of the transcontinental railroad, the hardship endured by European immigrants, and the contributions of women, African Americans, Hispanic Americans, and Asian

Americans to the state This is a book that every Nebraskan will want to own read and enjoy This second edition includes updated chapters on the current social economic and political climate of Nebraska and some new illustrations The Nebraska Teacher ,1913 Report of the State Superintendent for the School Years Ending July 31, ... and ... Kansas. State Dept. of Public Instruction,1910 **Report** Kansas. Dept. of Public Instruction,1922 *Annual Report* Kansas. Department of Education,1922 **It Happened in Nebraska** Tammy Partsch,2019-05-17 From the organization of the first Arbor Day to the invention of Kool Aid It Happened in Nebraska features more than thirty six history changing events from the Cornhusker State *Report of the State Superintendent of Public Instruction* Kansas. Department of Education,1910

Homesteading Haxtun and the High Plains Jean Gray,2013-06-11 Very little has been written about the real northeastern plains of Colorado the small communities that dot its open sky filled mountainless landscape Haxtun began as two separate homesteads proved up by Alice Strohm and Kate Fletcher Edwards who sold their land to the Lincoln Land Company in 1887 which led to the founding of the town The area was generally viewed as useless land in those early days but was promoted as being full of opportunity neglecting mention of a proclivity toward drought hailstorms and blizzards and the gamble of the land The High Plains survived though Its settlers proving to be hardy and industrious faced the challenges head on Today Haxtun and the surrounding communities of Fairfield Dailey Fleming and Paoli are filled with the descendants of those early settlers people with a strong sense of community and pride in their little High Plains towns *Teaching* ,1917 **The Watchword** ,1908 The Church School Journal ,1913
