Sodom Gomorrah:

Sodom and Gomorrah Weston W. Fields, 1997-01-01 According to Fields biblical narrative is didactic socio religious commentary on human experience reflected in history and that such history is a way of describing the conceptual universe of the ancient authors Biblical narrative is strikingly free of abstract formulations but encapsulates abstract reflections within recurring literary motifs and by the reporting of historical information This perception of biblical narrative is strikingly illustrated by an analysis of the story of Sodom and Gomorrah Genesis 19 The motifs of the Sodom tradition are compared with those in the stories about the concubine in Gibeah Judges 19 and about the destruction of Jericho Joshua 2 **A Tale of Two Cities** J. A. Loader, 1990 Peeters 1990 Myth and Geology Luigi Piccardi, W. Bruce Masse, 2007 This book is the first peer reviewed collection of papers focusing on the potential of myth storylines to yield data and lessons that are of value to the geological sciences Building on the nascent discipline of geomythology scientists and scholars from a variety of disciplines have contributed to this volume The geological hazards such as earthquakes tsunamis volcanic eruptions and cosmic impacts that have given rise to myths are considered as are the sacred and cultural values associated with rocks fossils geological formations and landscapes There are also discussions about the historical and literary perspectives of geomythology Regional coverage includes Europe and the Mediterranean Afghanistan Cameroon India Australia Japan Pacific islands South America and North America Myth and Geology challenges the widespread notion that myths are fictitious or otherwise lacking in value for the physical sciences **BOOK JACKET** Ulysses Annotated Don Gifford, Robert J. Sodom's Sin Ed Noort,Tigchelaar,2021-11-29 This volume is devoted to the receptions of and reflections on the story of Sodom and Gomorrah as told in Genesis 18 and 19 Two articles discuss intertextual reactions to the Sodom narrative within the Hebrew Bible Five contributions examine readings and rewritings of the Sodom narrative in early Jewish Christian and Islamic writings Jubilees the Dead Sea Scrolls the New Testament Revelation 11 Targumim and early Koran commentaries Two articles focus on separate themes the punishment of the Dead Sea and the prohibition on looking back Finally two articles that focus on Peter Damian and Proust's Sodome et Gomorrhe I describe the later reception of the sin of Sodom as homosexuality A bibliography of recent works completes the volume The Sin of Sodom Lee Howard,2015-10-06 Why did God destroy the cities of the Plain What does the Bible really teach about the sin of Sodom and its destruction with Gomorrah and surrounding cities Many Christians believe God rained down fire and brimstone on the ancient towns because its inhabitants were gay But is there any evidence elsewhere in the Bible to support that homosexual behavior was prevalent in these places This thesis closely studies the account of Sodom and Gomorrah to find out what the Bible really says about the past and what it means for us today In addition to accurately interpreting the Bible it's crucial to understand the customs of the ancient world so that Scripture is set in its proper historical context This guards against misinterpreting the text in the light of modern traditions beliefs and prejudices The Sin of Sodom examines all the Scripture passages that mention Sodom to find out what they do and don't say about why God destroyed the ancient cities of the Plain It also reviews history and the interpretations of Old Testament scholars and early Church leaders to reveal the evolution of their understanding over the centuries and how this affects the beliefs of today's Church What was the sin of Sodom and why did God destroy it Read this book to discover what the Bible really says *The Bible Exposition Commentary* Warren W. Commentary on the Old Testament for download updated with names of God Studies archaeological discoveries notes from the Mr Kakoulides and the Bible podcast Arguments for Moses authorship evidence for flat earth theory reasons not to tithe references and quotes from Josephus Phileo Rashi and many more Truly a commentary you would want to have close on your side No more updates on this Commentary is being done after this edition **Provenance of Deuteronomy Thirty-two** Paul Sanders,1996 A survey of previous literature about the provenance of the song in Deuteronomy 32 and a discussion of its text and poetic structure The author concludes that the song dates from the pre exilic period **Dignity, Dogmatism, and Same-Sex Relationships** Gilbert Rossing,2009-01-01 In response to the current culture wars over same sex marriage hate crime legislation and the legalization of gay rights Dignity Dogmatism and Same Sex Relationships provides a thorough argument for an ethics of intimacy in same sex relations based equally on science and the Bible After a rigorous interrogation of modern definitions of sexual identity and the usage of biblical passages in support of cultural biases the book redefines the notion of intimacy to include the physical emotional mental social and spiritual dimensions that compose human relationships It thus approaches homosexuality from a whole person perspective and attempts to create understanding rather than foment divisiveness This more comprehensive definition of intimacy allows for a compassionate reading of Scripture in ongoing conversations about the nature of homosexuality and the full inclusion of gay lesbian bi sexual and transgender persons in society It also encourages religious communities to do for same sex couples what they already do for heterosexual couples provide the information counsel and encouragement necessary to foster healthy sexual practices meaningful interpersonal relationships and a cohesive sense of community **The Provenance of Deuteronomy 32** Paul Sanders,2021-11-15 This study offers an extensive survey of previous literature dealing with the provenance of the song in Deuteronomy 32 a renewed discussion of its text and language as well as an analysis of its poetic structure with the help of a new method The author tests the tenability of older theories and proposes a new theory based on systematic research into the intertextual links with other parts of the Hebrew Bible and extra biblical literature of the Ancient Near East Separate sections are dedicated to the song s descriptions of the relationship between YHWH and the gods and to the identity of the hostile people to which the song refers The author concludes that a pre exilic date is extremely likely for the song in its entirety **Biblical Eschatology** Jeong Koo Jeon,2021-10-01 Jeon s Biblical Eschatology explores the pattern of covenant eschatology demonstrated and revealed in the Bible throughout redemptive history In a sense it is a revolutionary method to freshly examine and look at the entire redemptive history from the perspective of covenant eschatology because the Bible itself is

the covenantal canon Readers will marvel at how the author unpacks the pictorial pattern of covenant eschatology progressively revealed in the Bible As we live in the Global Mission Age under the grace of God it is vitally important and necessary to have a proper view of eschatology Jeon s book will guide believers to a biblically balanced understanding of eschatology and properly equip them with a biblical covenantal and eschatological worldview to live their lives for the glory of God actively participating in the Global Mission under the guidance of the Holy Spirit as we eagerly wait for the second coming of Jesus Christ

Jilted Vernon Lee Knox,2019-06-01 The story of the Christian Church and homosexuality is told by highlighting the church s homosexual positions Several biblical passages have been characterized as condemning same sex relationships The open literature and this work provide alternative interpretations Historically churches reject alternative interpretations out of hand In this work church positions are critiqued both historically and logically It is argued that the churches refusal to discuss alternative and traditional positions are the result of a religious arrogance that is homophobic They have inserted themselves into the United States political process with a rhetoric that would deny human rights and life itself This book prior to publication has been used as a study guide for diversity seminars

Ethics for a Brave New World, Second Edition (Updated and Expanded) John S. Feinberg,Paul D. Feinberg,2010-11-04 Aldous Huxley s 1932 book Brave New World foresees a world in which technological advances have obliterated morality and freedom John Feinberg and Paul Feinberg in the first edition of Ethics for a Brave New World noted how Huxley landed frighteningly close to the truth Their book responded to ethical crises such as abortion euthanasia capital punishment and genetic engineering by looking to Scripture for principles to guide us through the moral quagmires of our time Now dramatically updated and expanded this edition of Ethics for a Brave New World seeks to maintain the relevance rigorous scholarship and biblical faithfulness of the first edition While many of the topics covered in the book remain the same John Feinberg has revised each chapter to keep it current with contemporary trends and to respond to the most recent scholarship There is a new chapter on stem cell research and greatly expanded material on issues such as homosexuality and genetic engineering This important resource will be a valuable guide for students and those seeking answers to ethical dilemmas
