## Soft Canons:

**Soft Canons** Karen L. Kilcup, 1999-09 Recognizing that masculine literary tradition can include marginalized male writers as well as canonized female writers and that traditions themselves change over time the essays in this insightful and coherent collection also explore the investment of the writers as well as nineteenth and twentieth century readers in canon creation As it reconstructs conversations between these earlier authors and initiates new dialogues for today's readers Soft Canons offers provocative reconceptualizations of American literary and cultural history *The Rounds, Catches and Canons of England; a Collection of Specimens of the sixteenth, seventeenth, and eighteenth centuries, adapted to modern use. The words, revised, adapted or re-written by J. P. Metcalfe. The music selected ... and an Introductory Essay on the Rise ... of the Round, Catch and Canon; also, Biographical notices of the composers, written by E. F. Rimbault, etc* Edward Francis Rimbault, 1865

**Soft Boundaries** Claire Detels, 1999-11-30 American education and culture are suffering from a terrible soul numbing imbalance in which there is an overemphasis on basic quantifiable skills and knowledge and a de emphasis of more creative areas of the humanities especially the arts and aesthetics Detels indicates that the marginalization of the arts and aesthetics in American education has been caused by a hard boundaried paradigm that has come to dominate American education According to this paradigm the arts are wrongly viewed and taught as separate unconnected disciplines of music visual arts dance and theater while their intimate connections to each other and to aesthetic experience and life in general are completely unrepresented The way out of this crisis is to change paradigms from a hard boundaried single minded valuation of specialization to a more soft boundaried curriculum that allows for specialized education in individual art forms as well as widespread interdisciplinary integration of the arts with each other and with general education at the K 12 and college levels Without such a change we will be unable to equip our students with the necessary skills to understand and communicate about the increasingly complex sensually immersive artistic media and forms of the future Legal Flexibility and the Mission of the Church Will Adam, 2016-04-22 Legal scholars and authorities generally agree that the law should be obeyed and should apply equally to all those subject to it without favour or discrimination Yet it is possible to see that in any legal system there will be situations when strict application of the law will produce undesirable results such as injustice or other consequences not intended by the law as framed In such circumstances the law may be changed but there may be broad policy reasons not to do so The allied concepts of dispensation and economy grew up in the western and eastern traditions of the Christian church as mechanisms whereby an individual or a class of people could by authority be excused from obligations under a particular law in particular circumstances without that law being changed This book uncovers and explores this neglected area of church life and law Will Adam argues that dispensing power and authority exist in various guises in the systems of different churches Codified and understood in Roman Catholic and Orthodox canon law this arouses suspicion in the Church of England and in English law in general The book demonstrates that legal flexibility can be found in

English law and is integral to the law of the Church to enable the Church today better to fulfil its mission in the world

**Almost Shakespeare** James R. Keller, Leslie Stratyner, 2014-11-04 In the past two decades Othello has tried out for the basketball team Macbeth has taken over a fast food joint and King Lear has moved to an Iowa farm Shakespeare is everywhere in popular culture This collection of essays addresses the use of Shakespearean narratives themes imagery and characterizations in non Shakespearean cinema The essays explore how Shakespeare and his work are manipulated within the popular media and explore topics such as racism jealousy misogyny and nationality The submissions concentrate on film and television programs that are adaptations of Shakespearean plays including My Own Private Idaho CSI Miami A Thousand Acres Prospero's Books O 10 Things I Hate About You Withnail and I Get Over It and The West Wing Each chapter includes notes and a list of works cited A full bibliography completes the work it is divided into bibliographies and filmographies general studies and essays derivatives based on a single play derivatives based on several and derivatives based on Shakespeare as a character Instructors considering this book for use in a course may request an examination copy here

**Fellow Romantics** Beth Lau, 2016-12-05 Beginning with the premise that men and women of the Romantic period were lively interlocutors who participated in many of the same literary traditions and experiments Fellow Romantics offers an inspired counterpoint to studies of Romantic era women writers that stress their differences from their male contemporaries As they advance the work of scholars who have questioned binary approaches to studying male and female writers the contributors variously link among others Charlotte Smith and William Wordsworth Mary Robinson and Samuel Taylor Coleridge Felicia Hemans and Percy Bysshe Shelley Jane Austen and the male Romantic poets These pairings invite us to see anew the work of both male and female writers by drawing our attention to frequently neglected aspects of each writer's art Here we see writers of both sexes interacting in their shared historical moment while the contributors reorient our attention toward common points of engagement between male and female authors What is gained is a more textured understanding of the period that will serve as a model for future studies

*Acts of Modernity* David Buchanan, 2017-09-01 In *Acts of Modernity* David Buchanan reads nineteenth century historical novels from Scotland America France and Canada as instances of modern discourse reflective of community concerns and methods that were transatlantic in scope Following on revolutionary events at home and abroad the unique combination of history and romance initiated by Walter Scott's *Waverley* 1814 furthered interest in the transition to and depiction of the nation state Established and lesser known novelists reinterpreted the genre to describe the impact of modernization and to propose coping mechanisms according to interests and circumstances Besides analysis of the chronotopic representation of modernity within and between national contexts Buchanan considers how remediation enabled diverse communities to encounter popular historical novels in upmarket and downmarket forms over the course of the century He pays attention to the way communication practices are embedded within and constitutive of the social lives of readers and more specifically to how cultural producers adapted the historical

novel to dynamic communication situations In these ways *Acts of Modernity* investigates how the historical novel was repeatedly reinvented to effectively communicate the consequences of modernity as problem solutions of relevance to people on both sides of the Atlantic *Prints and Books* William Mills Ivins,1926 *Popular Photography* ,2008-05 *Feminist Literary Theory* Mary Eagleton,2010-12-20 Now in its third edition *Feminist Literary Theory* remains the most comprehensive single volume introduction to a vital and diverse field Fully revised and updated to reflect changes in the field over the last decade Includes extracts from all the major critics critical approaches and theoretical positions in contemporary feminist literary studies Features a new section Writing Glocal which covers feminism s dialogue with postcolonial global and spatial studies Revised chapter introductions provide readers with helpful contextual information while extensive notes offer recommendations for further reading *The Rounds, Catches And Canons Of England* Edward F. Rimbault,1976-10-21
