## Softly Wild Drums:

**Softly, Wild Drums** Beth Dean, Victor Carell, 1958      **Softly Wild Drums** Beth Dean, 1951      *The Drum Is a Wild Woman* Patricia G. Lespinasse, 2022-01-04 In 1957 Duke Ellington released the influential album *A Drum Is a Woman*. This musical allegory revealed the implicit truth about the role of women in jazz discourse jilted by the musician and replaced by the drum. Further, the album's cover displays an image of a woman sitting atop a drum, depicting the way in which the drum literally obscures the female body, turning the subject into an object. This objectification of women leads to a critical reading of the role of women in jazz music. If the drum can take the place of a woman, then a woman can also take the place of a drum. *The Drum Is a Wild Woman: Jazz and Gender in African Diaspora Literature* challenges that image but also defines a counter tradition within women's writing that involves the reinvention and reclamation of a modern jazz discourse. Despite their alienation from bebop, women have found jazz music empowering and have demonstrated this power in various ways. *The Drum Is a Wild Woman* explores the complex relationship between women and jazz music in recent African diasporic literature. The book examines how women writers from the African diaspora have challenged and revised major tropes and concerns of jazz literature since the bebop era in the mid 1940s. Black women writers create dissonant sounds that broaden our understanding of jazz literature. By underscoring the extent to which gender is already embedded in jazz discourse, author Patricia G. Lespinasse responds to and corrects narratives that tell the story of jazz through a male-centered lens. She concentrates on how the Wild Woman, the female vocalist in classic blues, used blues and jazz to push the boundaries of Black womanhood outside of the confines of respectability. In texts that refer to jazz in form or content, the Wild Woman constitutes a figure of resistance who uses language, image, and improvisation to refashion herself from object to subject. This book breaks new ground by comparing the politics of resistance alongside moments of improvisation by examining recurring literary motifs: cry and response, the Wild Woman, and the jazz moment in jazz novels, short stories, and poetry, comparing works by Ann Petry, Gayl Jones, Toni Morrison, Paule Marshall, Edwidge Danticat, and Maya Angelou with pieces by Albert Murray, Ralph Ellison, James Baldwin, and Ellington. Within an interdisciplinary and transnational context, Lespinasse foregrounds the vexed negotiations around gender and jazz discourse.      *The World's One Thousand Best Poems ...* Berton Braley, 1929      *Wild Yarn* Imogen Bright Moon, 2024-09-12 A practical and inspirational guide to choosing, blending, and spinning richly textured artisan yarn for weaving, knitting, and other textile art applications. Imogen Bright Moon is a British Romani textile artist who creates richly textured, highly tactile woven textile works from yarn that she spins and blends herself. In this elegantly designed book, Imogen reveals the secrets of her practice. In evocative, engagingly written text accompanied by sumptuous images of her work in her studio throughout the year, she explains how to choose raw fibres for use in your work; the author's are ethically sourced from various ecologically responsible sources, including a rescue flock of sheep on the South Downs. How to put together different types of fibres: raw sheep's wool, plant fibres such as hemp, soya, and

wild silk alpaca hair and much more to create richly textured yarn The delicate art of blending naturally occurring pigments working with shade and tone to create subtle and nuanced colours a process that Imogen likens to a painter mixing paints on a palette The principles of hand spinning from a simple single spun thread to more complicated yarns such as triple chain ply yarn using a traditional floor spindle How to skein soak and wet finish your yarn and how to store your yarn stash Ideas for taking your yarn into finished craft and art projects with details of the author s own work With an emphasis on engagement with nature the rhythms of the seasonal craft cycle ethical making sustainability and mindfulness this book is ideal for weavers textile artists and anyone seduced by the joys of yarn

*Our Perfect Wild* Kaylene Johnson-Sullivan, Ray Bane, 2016-02-15 Ray and Barbara Bane worked as teachers in Barrow and Wainwright, Alaska, in the early 1960s, but they didn't simply teach the children of their Inupiat Eskimo and Koyukon friends and neighbors; they fully embraced their lifestyle. Doing so, they realized how closely intertwined life in the region was with the land and specifically

how critical wilderness was to the ancient traditions and wisdom that undergirded the Native way of life That slow realization came to a head during a 1 200 mile dogsled trip from Hughes to Barrow in 1974 a trip that led them to give up teaching in favor of working through the National Park Service to preserve Alaska s wilderness This book tells their story a tale of dedication and tireless labor in the face of suspicion resistance and even violence At a time when Alaska s natural bounty remains under threat Our Perfect Wild shows us an example of the commitment and love that will be required to preserve it
