Richard Hughes Seager

Soka Gakkai In America Accommodation And Conversion:

Soka Gakkai in America Phillip E. Hammond, David W. Machacek, 1999 This is the first ever in depth study of the Soka Gakkai Buddhists in the United States of America SGI USA Drawing on unprecedented access to the organization through surveys and interviews it provides a definitive and revealing picture of one of the fastest growing religions in the world The authors shed light on contemporary American society and show how many members of SGI USA are drawn from a growing transmodern subculture in America In addition the book traces the development of the organization in the USA examining how it adapted to the peculiar circumstances of America s cultural life and showing how SGI USA became a very American phenomenon

Religion and American Cultures Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of *Religion and American Cultures Tradition Diversity and Popular Expression* presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren t largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the nones those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America s multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary primary source documents

Buddhist Studies from India to America Damien Keown, 2006-01-16 *Buddhist Studies from India to America* covers four important areas of Buddhist Studies Vinaya Studies and Ethics the history of Buddhist schools Western Buddhism and Inter religious dialogue These are the main areas which Charles S Prebish has either inaugurated or helped to define and his academic career as a leading international scholar and his significant professional achievements are celebrated within this volume The geographical and historical scope of the essays in this collection range from ancient India to modern America and includes contributions by well known international scholars The contributors discuss a variety of academic disciplines including philosophy psychology history feminism and sociology It will appeal to scholars whose interests embrace either ancient or modern aspects of the Buddhist

tradition **The Study of Religion** George D. Chryssides, Ron Geaves, 2013-12-05 This updated textbook unravels the complex issues related to methodology and theory in the study of religion It equips students with the knowledge needed for the academic study of religion explaining the history of the methodology including ideas of key theorists and discusses key issues in the field such as gender phenomenology and the insider outsider discourse Updated throughout additional material includes New chapter on colonialism and post colonialism New chapter on insider outsider discourse Coverage of cyber religion and the internet as a research tool in religious studies Study and classroom features in each chapter include Chapter outlines Case studies Boxed key concepts Discussion questions Chapter bibliographies The text is illustrated throughout with 35 images and extra resources can be found online including additional coverage of levels of religion **City of Gods** R. Scott Hanson, 2021-05-20 This study of a New York neighborhood s remarkable religious diversity deserves a place alongside Robert Orsi s *The Madonna of 115th Street* Publishers Weekly starred review Known locally as the birthplace of American religious freedom Flushing Queens in New York City is now so diverse and densely populated that it s become a microcosm of world religions *City of Gods* explores the history of Flushing from the colonial period to the aftermath of September 11 2001 spanning the origins of the settlement called Vlissingen and early struggles between Quakers Dutch authorities Anglicans African Americans Catholics and Jews to the consolidation of New York City in 1898 two World s Fairs and finally the Immigration Act of 1965 and the arrival of Hindus Sikhs Muslims Buddhists and Asian and Latino Christians A synthesis of archival sources oral history and ethnography *City of Gods* is a thought provoking study of religious pluralism Using Flushing as the backdrop to examine America s contemporary religious diversity and what it means for the future of the United States R Scott Hanson explores both the possibilities and limits of pluralism Hanson argues that the absence of widespread religious violence in a neighborhood with such densely concentrated diversity suggests that there is no limit to how much pluralism a pluralist society can stand The book is set against two interrelated questions how and where have the different religious and ethnic groups in Flushing associated with others across boundaries over time and when has conflict or cooperation arisen Perhaps the most extreme example of religious and ethnic pluralism in the world Flushing is an ideal place to explore how America s long experiment with religious freedom and pluralism began and continues *City of Gods* reaches far beyond Flushing to all communities coming to terms with immigration religion and ethnic relations raising the question of whether Flushing will come together in new and lasting ways to build bridges of dialogue or further fragment into a Tower of Babel A delightful journey through American religious history and into the future as witnessed in the streets of what the author says is the most religiously diverse community anywhere America New Religions Eugene V. Gallagher, Lydia Willsky-Ciollo, 2021-02-15 A valuable resource for students and general audiences this book provides a unique global perspective on the history beliefs and practices of emergent faith communities new religious traditions and religious movements worldwide from the 19th century to the present *New Religions Emerging Faiths and Religious Cultures* in the

Modern World provides insightful global perspectives on the emergent faith communities and new traditions and movements of the last two centuries. Readers will gain access to the information necessary to explore the significance, complexities, and challenges that modern religious traditions have faced throughout their history and that continue to impact society today. The work identifies the themes and issues that have often brought new religions into conflict with the larger societies of which they are a part. Coverage includes new religious groups that emerged in America such as the Seventh-day Adventists, the Latter-day Saints, and the Jehovah's Witnesses; alternative communities around the globe that emerged from the major Western and Eastern traditions such as Aum Shinrikyo and Al Qaeda; and marginalized groups that came to a sudden end such as the Peoples Temple, Heaven's Gate, and the Branch Davidians. The entries highlight thematic and broader issues that run across the individual religious traditions and will also help students analyze and assess the common difficulties faced by emergent religious communities.

Heartwood Wendy Cadge, 2024-05-31 Theravada is one of the three main branches of Buddhism. In Asia, it is practiced widely in Thailand, Laos, Burma, Sri Lanka, and Cambodia. This fascinating ethnography opens a window onto two communities of Theravada Buddhists in contemporary America: one outside Philadelphia that is composed largely of Thai immigrants and one outside Boston that consists mainly of white converts. Wendy Cadge first provides a historical overview of Theravada Buddhism and considers its specific origins here in the United States. She then brings her findings to bear on issues of personal identity, immigration, cultural assimilation, and the nature of religion in everyday life. Her work is the first systematic comparison of the ways in which immigrant and convert Buddhists understand, practice, and adapt the Buddhist tradition in America. The men and women whom Cadge meets and observes speak directly to us in this work, both in their personal testimonials and as they meditate, pray, and practice Buddhism. Creative and insightful, *Heartwood* will be of enormous value to sociologists of religion and anyone wishing to understand the rise of Buddhism in the Western world.

Teaching Buddhism Todd Lewis, Gary Delaney, DeAngelis, 2017 Buddhist studies is a rapidly changing field of research, constantly transforming and adapting to new scholarship. This creates a problem for instructors, both in a university setting and in monastic schools, as they try to develop a curriculum based on a body of scholarship that continually shifts in focus and expands to new areas. *Teaching Buddhism* establishes a dialogue between the community of instructors of Buddhism and leading scholars in the field who are updating, revising, and correcting earlier understandings of Buddhist traditions. Each chapter presents new ideas within a particular theme of Buddhist studies and explores how courses can be enhanced with these insights. Contributors in the first section focus on the typical approaches, figures, and traditions in undergraduate courses such as the role of philosophy in Buddhism, Nagarjuna, Yogacara, Buddhist tantric traditions, and Zen Buddhism. They describe the impact of recent developments like new studies in the cognitive sciences on scholarship in those areas. Part Two examines how political engagement and ritual practice have shaped the tradition throughout its history. Focus then shifts to the issues facing instructors of Buddhism: dilemmas for the scholar-practitioner in the academic and monastic

classroom the tradition's possible roles in teaching feminism and diversity and how to present the tradition in the context of a world religions course In the final section contributors offer stories of their own experiences teaching paying particular attention to the ways in which American culture has impacted them They discuss the development of courses on American Buddhism using course material on the family and children the history and trajectory of a Buddhist Christian dialog and Buddhist bioethics environmentalism economic development and social justice In synthesizing this vast and varied body of research the contributors in this volume have provided an invaluable service to the field

Westward Dharma Charles S. Prebish, Martin Baumann, 2002-12-04 Like seeds on the wind Buddhist teachings continue to reach new lands This outstanding book brings to light in rich detail the current flowering of Buddhism in the West Long a world religion Buddhism is now a global one Kenneth Kraft author of *The Wheel of Engaged Buddhism* Westward Dharma deserves a place on the growing bookshelf of contemporary Buddhist studies Prebish and Baumann broaden our horizons from North America to the wider Western world exploring key aspects of Buddhism's most recent geographical and cultural expansion Paul David Numrich coauthor of *Buddhists Hindus and Sikhs in America* *Sufism and Zen in the West* Saeko Yazaki, Michael Conway, 2025-02-20 Historically and culturally Sufism and Zen may not seem to have anything in common However in the West their spiritual messages are often perceived as strikingly similar In this book scholars analyse the ways in which Sufism and Zen were introduced to and developed in the West The collection shows that the popularity of these religions arose not because of the substantive shared elements within the two traditions but because their promoters in the West employed similar strategies to respond to the interests of a modern Western audience The first book to make a close comparison of Sufism and Zen this study is an important contribution to understanding Western religious life and processes of easternisation It sheds new light on how Sufism and Zen came to represent a spirituality that is both countercultural and in touch with modern sensitivities

Religion and Public Life in the Pacific Region Wade Clark Roof, Mark Silk, 2005 Pretty much like the rest of the country only more so This quip from Wallace Stegner well represents the Pacific region's religious culture California Nevada and Hawaii emerged more recently more quickly and with more diversity and fluidity than the other United States Although influenced by Mexican Catholicism Native Traditions Asian Religions and Euro American Christianity no religious tradition dominates and a secular ethos usually reigns But this very religious indifference makes California and the rest of the region open to all sorts of missionary movements and religious innovations New organizational forms new spiritual therapies and new religious hybrids all compete for residents attention along with secular ways for making meaning With all these options residents of the region mix match and move between religious identities more than other Americans Without ignoring its diversity *Religion and Public Life in the Pacific Region* highlights the key aspects of the region's fluctuating religions and its spirituality's impact on political life

Research in the Social Scientific Study of Religion.v.10 Joanne Marie Greer, David O. Moberg, 2001-04-01 Various articles are presented covering

psychological sociological and cross cultural topics or relevance to religious spiritual researchers and academics

Research in the Social Scientific Study of Religion, Volume 10, 2021-11-15 The purpose of this book is to provide an outlet for original research articles examining the role and value of religious and spiritual constructs across the social sciences The aim of the series is to include an international and interfaith voice to this research dialogue An effort is made to be interdisciplinary and academically eclectic The articles in each volume represent a wide array of perspectives and research projects Most of the articles report the findings of quantitative or qualitative investigations but some deal with methodology theory or applications of social science studies in the field of religion and some are applied demonstrating the relevance of the social sciences to religious organizations and their clergy The value of the volume is that it gives to researchers in this area a broad perspective on the issues and methods of religious research across a spectrum of academic disciplines The aim of the book is to stimulate a creative integrative dialogue that will enhance interdisciplinary research

Encountering the Dharma Richard Hughes Seager, 2006-03-16 This work offers an enlightening look at Soka Gakkai Buddhism one of Japan's most influential and controversial religious movements and one that is experiencing explosive international growth

Proselytization Revisited Rosalind I. J. Hackett, 2014-12-05 The act of converting people to certain beliefs or values is highly controversial in today's postcolonial multicultural world Proselytization has been viewed by some as an aggressive act of political domination Proselytization Revisited offers a comprehensive overview of the many arguments for and against proselytization in different regions and contexts Proselytization is examined in the context of rights talk globalisation and culture wars The volume brings together essays demonstrating the global significance of proselytization ranging from Christians in India to Turkish Islamic Movements and the Wiccan use of modern media technologies The cross cultural and multidisciplinary nature of this collection of essays provides a fresh perspective and the book will be of value to readers interested in the dynamic interaction of beliefs ideas and cultures

The American Encounter with Buddhism, 1844-1912 Thomas A. Tweed, 2005-10-12 In this landmark work Thomas Tweed examines nineteenth century America's encounter with one of the world's major religions Exploring the debates about Buddhism that followed upon its introduction in this country Tweed shows what happened when the transplanted religious movement came into contact with America's established culture and fundamentally different Protestant tradition The book first published in 1992 traces the efforts of various American interpreters to make sense of Buddhism in Western terms Tweed demonstrates that while many of those interested in Buddhism considered themselves dissenters from American culture they did not abandon some of the basic values they shared with their fellow Victorians In the end the Victorian understanding of Buddhism even for its most enthusiastic proponents was significantly shaped by the prevailing culture Although Buddhism attracted much attention it ultimately failed to build enduring institutions or gain significant numbers of adherents in the nineteenth century Not until the following century did a cultural environment more conducive to Buddhism's taking root in America develop In a new

preface Tweed addresses Buddhism's growing influence in contemporary American culture **Religions of the United States in Practice** Colleen McDannell, 2001-11-18 Religions of the United States in Practice is a rich anthology of primary sources with accompanying essays that examines religious behavior in America From praying in an early American synagogue to performing Mormon healing rituals to debating cremation Volume 2 explores faith through action in the nineteenth and twentieth centuries The documents and essays consider the religious practices of average people praying singing healing teaching imagining and persuading Some documents are formal liturgies while other texts describe more spontaneous religious actions Because religious practices also take place in the imagination dreams visions and fictional accounts are also included Accompanying each primary document is an essay that sets the religious practice in its historical and theological context making this volume ideal for classroom use and accessible to any reader The introductory essays explain the various meanings of religious practices as lived out in churches and synagogues in parlors and fields beside rivers on lecture platforms and in the streets Religions of the United States in Practice offers a sampling of religious perspectives in order to approximate the living texture of popular religious thought and practice in the United States The history of religion in America is more than the story of institutions and famous people This anthology presents a more nuanced story composed of the everyday actions and thoughts of lay men and women **To Want to Learn** J. Jackson Kittle, 2004-05-13 When students are self motivated they work harder at learning even if resources are inadequate This book argues that students and teachers waste time and energy because the curriculum rests on flawed mental models Change requires theories of motivation and learning based on advances in neurobiology and cognitive studies **Beyond Religion and the Secular** Wayne Hudson, 2022-11-17 Deploying a distinctive disaggregative approach to the study of religion this volume shows that spiritual movements with extensive counterfactual beliefs have been much more creative than one might expect Specifically Wayne Hudson explores the creativity of six spiritual movements the Bahá'í a Persian movement Soka Gakkai a Japanese movement Ananda Marga and the Brahma Kumaris two reformed Hindu movements and two controversial American churches The Church Universal and Triumphant and the Church of Jesus Christ of Latter-day Saints Most of these movements have counterintuitive features that have led Western scholars making Enlightenment assumptions to dismiss them as irrational and or inconsequential However this book reveals that these movements have responded to modernity in ways that are creative and practical resulting in a wide range of social educational and cultural initiatives Building on research surrounding the ways in which spiritual movements engage in cultural productions this book takes the international research in a new direction by exploring the utopian intentionality such cultural productions reveal **Sexuality and the World's Religions** David Wayne Machacek, Melissa M. Wilcox, 2003-08-13 Exploring one of the most controversial topics in contemporary theology this scholarly volume reveals what the world's great faiths East and West preach about sexuality with a special emphasis on American religion What do the world's most important religious texts have to say about one of

humanity's favorite activities Editors David W Machacek and Melissa M Wilcox have brought together top scholars in the field of religious studies to ask and answer these critical questions Carefully researched elegantly written and respectfully presented *Sexuality and the World's Religions* explores the intersection of the spiritual and the carnal in Buddhism Christianity Confucianism Daoism Hinduism Islam Judaism and African and Native American spiritual traditions A separate section explores critical religious and sexual topics in American society including the role of spirituality in gay lesbian bisexual and transgender communities the role of sex in the modern witchcraft community and the ever thorny problem of religion and sexual liberty Reconciling sexuality and spirituality in every human soul is one of religion's most important tasks Students and other readers will find this timely and comprehensive volume of interest in exploring these issues

Soka Gakkai In America Accommodation And Conversion Introduction

In today's digital age, the availability of Soka Gakkai In America Accommodation And Conversion books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soka Gakkai In America Accommodation And Conversion books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soka Gakkai In America Accommodation And Conversion books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soka Gakkai In America Accommodation And Conversion versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soka Gakkai In America Accommodation And Conversion books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soka Gakkai In America Accommodation And Conversion books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soka Gakkai In America Accommodation And Conversion

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soka Gakkai In America Accommodation And Conversion books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soka Gakkai In America Accommodation And Conversion books and manuals for download and embark on your journey of knowledge?

FAQs About Soka Gakkai In America Accommodation And Conversion Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soka Gakkai In America Accommodation And Conversion is one of the best book in our library for free trial. We provide copy of Soka Gakkai In America Accommodation And Conversion in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Soka Gakkai In America Accommodation And Conversion. Where to download Soka Gakkai In America

Accommodation And Conversion online for free? Are you looking for Soka Gakkai In America Accommodation And Conversion PDF? This is definitely going to save you time and cash in something you should think about.
