cyborgs The Terrans believe the cyborgs have stolen a system of planets from them At least that s how it started It degenerated into hatred and fear Book 3 in the Galactic Storm Series Lady Bianca arrives on the a lava filled volcanic world of the Rhimodians she meets Harbin a few days before the negotiations The cyborg is much taller than her and almost immediately annoyed with meeting her However she s not afraid Maybe she should be While cordial Harbin is much more interesting than she expected His suit was also so tight she saw all of his assets and fine assets they were Irritated at his assignment Harbin meets with the Terran emissary Lady Bianca and is immediately drawn to her They both have similar desires to see the end of the war Harbin s Craving however makes it difficult to focus on what she needs because of what he wants He wants her Plain and simple He cannot get her out of his mind Then an explosion changes everything Bianca hides on the icy rock of Sol 1 with Harbin The frigid temperatures leave them both physically close to one another to keep her safe A true test for Harbin s Craving for certain And when others show up attempting to attack Bianca Harbin must do everything in his programming to keep her safe Even if it means sacrificing himself If you love sci fi romance space opera war in the stars Terrans princesses and cybernetic enhanced humans you ll love this series about these cyborgs and their human females

The Art of Studio Gainax Dani Cavallaro,2015-01-27 Formed by a small group of university students in the early 1980s Studio Gainax is now one of the most adventurous and widely esteemed anime companies on the scene And it is fascinating for its unique approach to animation Formal experimentation genre straddling self reflexivity unpredictable plot twists a gourmet palate for stylishness proverbially controversial endings and a singularly iconoclastic worldview are some of the hallmarks This documentation of the studio s achievements provides a critical overview of both the company and its films in depth examinations of particular titles that best represent the company s overall work including television series such as Nadia The Secret of Blue Water and Neon Genesis Evangelion and feature films such as Royal Space Force The Wings of Honneamise and Gunbuster vs Diebuster Each chapter highlights the contribution made by a specific production to the company s progress

The Oxford Handbook of Shakespeare and Performance James C. Bulman,2017-11-16 The Oxford Handbooks to Shakespeare are designed to record past and present investigations and renewed and revised judgments by both familiar and younger Shakespeare specialists Each of these volumes is edited by one or more internationally distinguished Shakespeareans together they comprehensively survey the entire field Shakespearean performance criticism has firmly established itself as a discipline accessible to scholars and general readers alike And just as performances of the plays expand audiences understanding of how Shakespeare speaks to them so performance criticism is continually shifting the contours of the discipline The 36 contributions in this volume represent the most current approaches to Shakespeare in performance They are divided into four parts Part I explores how experimental modes of performance ensure Shakespeare s contemporaneity Part II tackles the burgeoning field of reception how and why audiences respond to performances as they do Part III addresses the ways in which technology has revolutionized our access to Shakespeare both

through the mediums of film and sound recording and through digitalization Part IV grapples with global Shakespeare considering matters of cultural appropriation in productions played for international audiences Together these ground breaking essays attest to the richness and diversity of Shakespearean performance criticism as it is practiced today
