The Dark Wing Walter H. Hunt, 2002-11-18 The zor is just one of the alien races that humanity encounters when it travels to the stars and from the very first meeting it has been all out war For many years the conflicts have been sporadic usually ending with an Earth concession and a treaty But the zor does not respect mankind and has no any intention of honoring the agreements When the zor decide to mount a surprise attack against human colonies the normally self absorbed government of Earth realizes that something must be done before it is too

late A controversial scholar by the name of Marais is brought in A nonmilitary man he has spent his entire life studying the zor and claims to have a plan to deal with them once and for all With so few options remaining Marais is put in charge of the battlefleet Earth just wants the threat neutralized and would be happy with a stalemate but Marais has other ideas He believes himself to be the mythic Dark Wing destined to exterminate the zor **Planet Faeton. Book 2 , The Dark Ascent** Walter H. Hunt,2005-08 Walter Hunt s debut novel The Dark Wing was favorably compared to Ender s Game Babylon 5 Honor Harrington and C S Forester The publication of the second volume The Dark Path was heralded by Analog as a quest that may well prove science fiction s version of The Lord of the Rings The Dark Ascent The war with the zor is long over and Admiral Marais the legendary Dark Wing is long dead though some of his companions on that campaign of xenocide still remain and in the alien philosophies of the past their might exist man s hope for salvation in the very near future The Dark Path introduced a new alien force into the delicate balance of power one that was the actual puppetmaster of the human zor war and now wishes to bring both worlds under its madness inducing shadow But the same ancient philosophy of the zor race that prophesized the Dark Wing has also foreseen a hero that will meet the new menace a hero now mystically embodied in a rebellious space commodore by the name of Jackie Lappierre As armadas clash and outposts fall the overly confident alien menace is forced to confront a zor human alliance that has been warned their covert and insidious plans of infiltration now exposed though victory is hardly ascertained for either side in The Dark Ascent *Maximum PC* ,2008-04 Maximum PC is the magazine that every computer fanatic PC gamer or content creator must read Each and every issue is packed with punishing product reviews insightful and innovative how to stories and the illuminating technical articles that enthusiasts crave *Decorum* Jonathan Hickman,2022-04-27 There are many assassins in the known universe this is the story of the most well mannered one Collects DECORUM 1 8 *The Grebsa Network* Heidi Hecht, The Lords of the Grebsa Network were caught completely off guard The alien Veroshi swooped into Earth with a compulsion to worship the Grebsas as gods that had been engineered by a Prophet they never knew It was enough to bring a charging Grebsa to a sudden stop The Veroshi are just beginning to settle into the city built for them by the reluctant gods when an elderly member of the Guardian Faction collapses while protecting abandoned Veroshi puppies in a blizzard The Mind Priestesses insist that these puppies are the children of a Grebsa That leads to snorts of Impossible from the Grebsas but as events unfold they begin to wonder exactly how unlikely it is The Dreamer's Challenge Nikita Wolf,2019-05-28 It s been over 800 Earth years since the fall of the Solar Empire over 1200 Venusian days On a terraformed Venus the inhabitants of a dark age society struggle to rebuild civilization only to be attacked century after century by a mysterious enemy that abducts entire nations in the long frozen night Now the word has come that the last nation on the Isle of West Istya has fallen in the night and the President of the Istyan Union has invited the long banished Solar Legion back from exile on the continent of Afrodyti He is amassing an army on the eastern shores to West Istya that will march into the nightfall and destroy whatever is lurking there and in the process

conquer the vast empty island into the Union Gina has spent most of her life in the Imperial Spire following imperial law and studying diligently She had wanted to become a medic until she saw the tools they used and became fascinated by technology Studying technology was strictly controlled under imperial law too much technology had caused the Solar Empire to fall and now after years of study she is ready to take the final exam the Sleeper's Challenge If she passes she will become a technician and spend the rest of her life in the Spire but if she fails the imperial guardians will execute her Now a heretic legionary has arrived stating the spire on the island of West Istya has fallen in the night and the president wants technicians chemists and engineers for the army he is building To make things worse she has just learned her best friend is a sexual deviant and will be executed if the imperial clerics find out Will she pass her exam or be executed And if she passes will she stay in the spire or leave forever and join the president's army

The Dark Path Walter H. Hunt, 2004-08 Walter Hunt's debut novel *The Dark Wing* was favorably compared to *Ender's Game* *Babylon 5* *Honor Harrington* and *C S Forester* and the story isn't over yet Man and zor once sworn enemies engaged in a mutual campaign of xenocide now live side by side The war is over and Admiral Marais the legendary *Dark Wing* both Angel of Death and Species Savior is long dead though some of his companions and participants in that great war still survive and have even chosen to live among the zor Now a mystery from the past has become a threat to the present when an unholy menace jeopardizes both humans and zor alike Whole space fleets have disappeared with survivors stricken mad And now man and zor alike must join forces to meet this adversary head on

The Dark Crusade Walter H. Hunt, 2006-05-30 *The Dark Path* introduced a new alien force into the delicate balance of power This force was the actual puppetmaster of the human zor war and now wishes to bring both worlds under its madness inducing shadow *The Dark Ascent* brought into focus a secret conspiracy that is disrupting the balance of power on both a military and metaphysical level But the same ancient philosophy of the zor race that prophesized the *Dark Wing* has also foreseen a hero that will meet the new menace a hero now mystically embodied in a rebellious space commodore by the name of Jackie Lappierre Now in *The Dark Crusade* as armadas clash and outposts fall the overly confident alien menace is forced to confront a zor human alliance that has been warned their covert and insidious plans of infiltration now exposed but all is not as it seems to be The vuhl menace may not be the ultimate enemy and the all powerful puppetmasters that have lurked in the shadows have entered the endgame where the mysteries of alien prophecies may have already determined the outcome Though victory is hardly attained by either side in *The Dark Crusade* the page turning and thought provoking climax will forever alter the fate of sentient life in the galaxy
