CHARLES ALLEN

Soldier Sahibs The Men Who Made The North West Frontier

Daniel Sanjiv Roberts, Jonathan Jeffrey Wright

Soldier Sahibs The Men Who Made The North West Frontier:

Soldier Sahibs Charles Allen,2012-06-21 This text retells the story of a brotherhood of young men who together laid claim to one of the most notorious frontiers in the world India s north west frontier which in the late 1990s forms the volatile boundary between Pakistan and Afghanistan Known collectively as Henry Lawrence s Young Men each had distinguished himself in the East India Company s wars in the Punjab in the 1840s before going out to carve out names for themselves as politicals on the frontier Drawing extensively on the men s diaries journals and letters Charles Allen weaves the individual stories of these Soldier Sahibs together with the tale of how they came together to save British India ending climatically on Delhi Ridge in 1857

Soldier Sahibs Charles Allen,2000 This text retells the story of a brotherhood of young men who together laid claim to one of the most notorious frontiers in the world India s north west frontier which in the late 1990s forms the volatile boundary between Pakistan and Afghanistan Known collectively as Henry Lawrence s Young Men each had distinguished himself in the East India Company s wars in the Punjab in the 1840s before going out to carve out names for themselves as politicals on the frontier Drawing extensively on the men s diaries journals and letters Charles Allen weaves the individual stories of these Soldier Sahibs together with the tale of how they came together to save British India ending climatically on Delhi Ridge in 1857

The Anglo-Afghan Wars 1839-1919 Gregory Fremont-Barnes,2014-06-06 During the 19th century Britain entered into three brutal wars with Afghanistan each one saw the British trying and failing to gain control of a warlike and impenetrable territory The first two wars 1839 42 and 1878 81 were wars of the Great Game the British Empire s attempts to combat growing Russian influence near India s borders The third fought in 1919 was an Afghan declared holy war against British India in which over 100 000 Afghans answered the call and raised a force that would prove too great for the British Imperial army Each of the three wars were plagued by military disasters lengthy sieges and costly engagements for the British and history has proved the Afghans a formidable foe and their country unconquerable This book reveals the history of these three Anglo Afghan wars the imperial power struggles that led to conflict and the torturous experiences of the men on the ground The book concludes with a brief overview of the background to today s conflict in Afghanistan and sketches the historical parallels

Military Manpower, Armies and Warfare in South Asia Kaushik Roy,2015-10-06 Roy investigates the various factors that influenced the formation and mobilization of military forces in the region from 300 BC to the modern day

The British Raj: Keywords Pramod K. Nayar,2017-02-03 For two hundred years India was the jewel in the British imperial crown During the course of governing India the Raj a number of words came to have particular meanings in the imperial lexicon This book documents the words and terms that the British used to describe define understand and judge the subcontinent It offers insight into the cultures of the Raj through a sampling of its various terms concepts and nomenclature and utilizes critical commentaries on specific domains to illuminate not only the linguistic meaning of a word but its cultural and political nuances This fascinating book also provides literary and cultural texts from

the colonial canon where these Anglo Indian colloquialisms terms and official jargon occurred It enables us to glean a sense of the Empire s linguistic and cultural tensions negotiations and adaptations The work will interest students and researchers of history language and literature colonialism cultural studies imperialism and the British Raj and South Asian studies

Paul Scott: The Raj Quartet and Staying on John Lennard,2008-01-01 A study of Scott s four great novels of British India The Jewel in the Crown The Day of the Scorpion The Towers of Silence A Division of the Spoils and of the popular coda Staying On **Duel in the Snows** Charles Allen,2015-11-19 In December 1903 a British army marched over the Himalayas

to counter a non existent Russian threat and was confronted by a medieval Tibetan army ordered to stop it by non violent means It was a clash between the mightiest political power in the world and the weakest Leading the mission was the charismatic Francis Younghusband Commanding the army escort was an officer determined to do things by the book General James Macdonald The result was conflict at every level Drawing on diaries letters and unpublished first hand accounts

Charles Allen reveals not only the true character of one of Britain s great imperial heroes but also the calamitous outcome for the Tibetan people of Britain s last attempt at empire building Bayonet to Barrage Stephen Manning,2021-10-01 How

advances in weapons technology transformed the British soldier s experience of war during the nineteenth century How did technical advances in weaponry alter the battlefield during the reign of Queen Victoria In 1845 in the first Anglo Sikh War the outcome was decided by the bayonet just over fifty years later in the second Boer War the combatants were many miles apart How did this transformation come about and what impact did it have on the experience of the soldiers of the period

Stephen Manning in this meticulously researched and vividly written study describes the developments in firepower and using the first hand accounts of the soldiers shows how their perception of battle changed Innovations like the percussion and breech loading rifle influenced the fighting in the Crimean War of the 1850s and the colonial campaigns of the 1870s and 1880s in particular in the Anglo Zulu War and the wars in Egypt and Sudan The machine gun was used to deadly effect at the Battle of Omdurman in 1898 and equally dramatic advances in artillery took warfare into a new era of tactics and

organization Stephen Manning s work provides the reader with an accurate and fascinating insight into a key aspect of nineteenth century military history Paul Scott John Lennard,2012-10-21 A historically informed and informing study

guide to of Scott s four great novels of British India The Jewel in the Crown The Day of the Scorpion The Towers of Silence A Division of the Spoils and of the popular coda Staying On The book covers Paul Scott s Life and works the British Raj imperial decay civil and military India the Indian independence movement the birth of India and Pakistan Ghandi Jinnah Congress and the Muslim League the characters of the novel especially Edwina Crane Daphne Manners Ronald Merrick and Hari Kumar John Lennard s The Poetry Handbook OUP 1996 2 e 2005 with Mary Luckhurst The Drama Handbook OUP 2002 and Of Modern Dragons and other essays on Genre Fiction HEB 2007 He is General Editor of HEB s Genre Fiction Sightlines and Monographs series for which he has written on Reginald Hill Walter Mosley Octavia E Butler Ian McDonald and Tamora

Pierce For Literature Insights he has also written on Shakespeare's Hamlet and Nabokov's Lolita *Politics and Awe in Rudyard Kipling's Fiction* Peter Havholm, 2016-12-05 There has been a resurgence of interest in Kipling among critics who struggle to reconcile the multiple pleasures offered by his fiction with the controversial political ideas that inform it Peter Havholm takes up the challenge piecing together Kipling's understanding of empire and humanity from evidence in Anglo Indian and Indian newspapers of the 1870s and 1880s and offering a new explanation for Kipling's post 1891 turn to fantasy and stories written to be enjoyed by children By dovetailing detailed contextual knowledge of British India with informed and sensitive close readings of well known works like *The Man Who Would Be King* *Kim* *The Light That Failed* and *They* Havholm offers a fresh reading of Kipling's early and late stories that acknowledges Kipling's achievement as a writer and illuminates the seductive allure of the imperialist fantasy **Imperialism as Diaspora** Ralph J. Crane, Radhika Mohanram, 2013 Imperialism as Diaspora reassesses the important years of the British Raj in India and the diasporic position of Anglo Indians who while neither quite British nor Indian were simultaneously both and who were instrumental in the construction of the Empire in India *Manhunt* Peter L. Bergen, 2012-05-01 From the author of the New York Times bestselling *Holy War* Inc this is the definitive account of the decade long manhunt for the world's most wanted man Osama bin Laden Al Qaeda expert and CNN national security analyst Peter Bergen paints a multidimensional picture of the hunt for Osama bin Laden over the past decade including the operation that killed him Other key elements of the book will include A careful account of Obama's decision making process as the raid was planned The fascinating story of a group of women CIA analysts who never gave up assembling the tiniest clues about bin Laden's whereabouts The untold and action packed history of the Joint Special Operations Command JSOC and the SEALs An analysis of what the death of bin Laden means for Al Qaeda and for Obama's legacy Just as Hugh Trevor Roper's *The Last Days of Hitler* was the definitive account of the death of the Nazi dictator Manhunt is the authoritative immersive account of the death of the man who organized the largest mass murder in American history **Nicholson** Donal McCracken, 2018-12-21 Born in Dublin in 1822 Lieutenant General John Nicholson was raised and educated in Ireland He joined the East India Company's Bengal Army as 16 year old boy soldier and he saw action in Afghanistan the two Anglo Sikh wars and the Great Rebellion or Mutiny He died in the thick of battle as the British army he was leading stormed the ancient city of Delhi in September 1857 He was only 34 years old His legacy and his legend as the Hero of Delhi however far outlived him As well as the Indian cult drawn to him at home he became a hero and was portrayed in epic stories for children inspiring generations of young boys to join the army in his footsteps In more recent times some turned the hero into a villain others continue to consider him the finest army front line British field commander of the Victorian era **Ireland's Imperial Connections, 1775-1947** Daniel Sanjiv Roberts, Jonathan Jeffrey Wright, 2019-11-05 This edited collection explores the complexities of Irish involvement in empire Despite complaining regularly of treatment as a colony by England Ireland nevertheless played a significant part in Britain's imperialism from its formative period in the

late eighteenth century through to the decolonizing years of the early twentieth century Framed by two key events of world history the American Revolution and Indian Independence this book examines Irish involvement in empire in several interlinked sections through issues of migration and inhabitation through literary and historical representations of empire through Irish support for imperialism and involvement with resistance movements abroad and through Irish participation in the extensive and intricate networks of empire Informed by recent historiographical and theoretical perspectives and including several detailed archival investigations this volume offers an interdisciplinary and evolving view of a burgeoning field of research and will be of interest to scholars of Irish studies imperial and postcolonial studies history and literature

Adapting to Win Noriyuki Katagiri, 2015 When insurgent groups challenge powerful states defeat is not always inevitable Increasingly guerrilla forces have overcome enormous disadvantages and succeeded in extending the period of violent conflict raising the costs of war and occasionally winning Noriyuki Katagiri investigates the circumstances and tactics that allow some insurgencies to succeed in wars against foreign governments while others fail Adapting to Win examines almost 150 instances of violent insurgencies pitted against state powers including in depth case studies of the war in Afghanistan and the 2003 Iraq war By applying sequencing theory Katagiri provides insights into guerrilla operations ranging from Somalia to Benin and Indochina demonstrating how some insurgents learn and change in response to shifting circumstances Ultimately his research shows that successful insurgent groups have evolved into mature armed forces and then demonstrates what evolutionary paths are likely to be successful or unsuccessful for those organizations Adapting to Win will interest scholars of international relations security studies and third world politics and contains implications for government officials military officers and strategic thinkers around the globe as they grapple with how to cope with tenacious and violent insurgent organizations

The Good War Jack Fairweather, 2014-11-11 In the earliest years of the war in Afghanistan after the Taliban fell to an American led coalition the fight there appeared to be a triumph a good war in comparison to the debacle in Iraq Now thirteen years after it began it has turned into the longest war in U S history as well as the most profligate at an estimated 4 to 6 trillion the final price tag for America s part in the war in Afghanistan will be higher than that of World War II And with thousands of coalition servicemen and Afghan civilians having paid for the war with their lives or limbs the true cost of this futile expedition may never be properly calculated As we wind down our combat operations in Afghanistan and slouch toward withdrawal the time is right for a full accounting of what went wrong In The Good War acclaimed author and war correspondent Jack Fairweather goes beyond the battlefield to explore the righteous intentions and stunning hubris that brought the United States and its allies to the verge of defeat in this far flung theater Drawing on hundreds of interviews troves of previously untapped material from Afghan government archives and months of experience living and reporting in Afghanistan Fairweather traces the course of the conflict from its inception following the terrorist attacks of 9 11 to its steady drawdown during President Obama s second term in the process offering a bold reassessment of

the war He describes how the Bush administration came within a hair's breadth of making peace with the Taliban in 2002 He shows how Afghan opium could have rebuilt the country rather than destroying it And he provides the most intimate portrait yet of Afghan President Hamid Karzai arguing that Karzai's gravest mistake was giving in not to warlords but rather to the international community which has consistently prevented him from taking the necessary steps to help Afghans seize their own future A timely lesson in the perils of nation building and a sobering reminder of the limits of American power The Good War leads readers from the White House situation room to Afghan military outposts from warlords' palaces to insurgents' dens to explain how the US and our allies might have salvaged the Afghan campaign and how we might rethink other good wars in the future

Borders and Mobility Control in and between Empires and Nation-States, 2022-10-24 In a modernist interpretation of migration controls nation states play a major role This book challenges this interpretation by showing that comprehensive migration checks and permanent border controls appeared much earlier in early modern dynastic states and empires and predated nation states by centuries The 11 contributions in this volume explore the role of early modern and modern dynastic kingdoms and empires in Europe the Middle East and Eurasia and the evolution of border controls from the 16th to the 20th century They analyse how these states interacted with other polities such as emerging nations states in Europe North America and Australia and what this means for a broader reconceptualization of mobility in Europe and beyond in the longue durée Contributors are Tobias Brinkmann Vincent Denis Sinan Din er Josef Ehmer Irial A Glynn Sabine Jesner Olga Katsiardi Hering Leo Lucassen Ikaros Mantouvalos Leslie Page Moch Jovan Pe alj Lewis H Siegelbaum Annemarie Steidl and Megan Williams

British Imperialism Rob Johnson, 2017-03-14 What was British imperialism and was it an important element of modern globalization Were economic political or military factors paramount in imperial expansion Do post colonial theories assist or mislead historians How have histories of imperialism changed and are current analyses satisfactory Robert Johnson's invaluable guide offers a succinct easy to follow introduction to the key issues and historiography of British imperialism from its origins to the conversion to the Commonwealth British Imperialism Provides concise introductions to key questions and debates Takes a question based approach to analysis of the material Offers an assessment of the significance of economic military and political factors in imperial expansion and decolonization Presents critical appraisals of the most recent controversies including neo colonialism cultural imperialism post colonial theory and gender and imperialism Includes a useful guide to further reading Using vivid examples Johnson clearly explains the nature of British imperialism and enables the reader to understand the causes course and immediate consequences of the British colonial encounter on a world wide scale His book is an essential starting point for all those new to the subject and a helpful introduction to more recent debates

The Man Who Would Be King Ben Macintyre, 2008-10-28 The untold story of the nineteenth century American Quaker who tried to build a kingdom in Afghanistan A thrilling real life yarn Booklist In the year 1838 a young adventurer surrounded by his native troops and mounted on an elephant raised the American flag on the summit of the Hindu Kush in

the mountainous wilds of Afghanistan He declared himself Prince of Ghor Lord of the Hazarahs spiritual and military heir to Alexander the Great The true story of Josiah Harlan a Pennsylvania Quaker and the first American ever to enter Afghanistan has never been told before yet the life and writings of this extraordinary man echo down the centuries This riveting scrupulously researched book reveals the full history behind the renowned Rudyard Kipling short story and John Huston s film classic The New York Times Book Review One of the most remarkable discoveries in the history of biography The New York Review of Books Macintyre recounts Harlan s travels with dispatch and draws on unpublished journals to let his subject s voice seep through The New Yorker Here is a writer who seems as taken as I am with crackpottery delusion grandiosity chicanery and impersonation but who manages to write about it all with amused restraint without that is the air of the ogler The Boston Globe Macintyre gives readers both Harlan s story and a thought provoking perspective on the history of superpower intervention in Afghanistan Harlan s story alone is fascinating but its resonance with modern day struggles Harlan urging the British to try fiscal diplomacy i e gold instead of invading and subjugating an unoffending people makes it compelling Publishers Weekly *The Shade of Swords* M.J Akbar,2002-05-03 From Muhammed to the Ottoman empires and the modern struggle for Palestine Akbar s story explains how Jihad thrives on complex and shifting notions of persecution victory and sacrifice and the Muslim control over this phenomenon

Reviewing **Soldier Sahibs The Men Who Made The North West Frontier**: Unlocking the Spellbinding Force of Linguistics
