Soldiers Civilians And Democracy Post Franco Spain In Comparative Perspective

J. Buxton, N. Phillips

Soldiers Civilians And Democracy Post Franco Spain In Comparative Perspective:

Soldiers, Civilians, and Democracy Felipe Agüero, 1995 As one of the first countries to have successfully completed the transition from authoritarianism to stable democracy Spain provides an excellent case study with valuable lessons for many Latin American southern European and eastern European nations that are either making the transition from authoritarian to democratic rule or consolidating the transition in a stable regime Focusing on Spain after Franco's death Felipe Aguero identifies the important factors phases and negotiating points that contributed to Spain's success including the monarch's intervention as head and symbol of the Spanish state Aguero also explains precisely what civilian leaders did to keep the military in check while the process of stabilization took place He then sets Spain in the larger context of democratization in Latin America and southern Europe thereby further refining transition theory This is an important book for political scientists and for sociologists who study democratization and European and Latin American politics

Developments in Latin American Political Economy J. Buxton, N. Phillips, 1999-08-20 The first part of the volume addresses the changing nature and interaction of the state and the market in Latin American countries as well as the principal challenges of consolidating political and economic reform in a period of profound change The second part of the book examines a variety of traditional and non traditional political roles ranging from the military to women and from the environmental lobby to human rights It explores the ways in which the changing composition of the political debate is shaping the political arena Forward looking in its approach to volume provides readers with an indication of factors which will be of key significance in the immediate future the tensions which have yet to be resolved and the prospects ahead

Democratization and Civilian Control in Asia A. Croissant, D. Kuehn, P. Lorenz, P. Chambers, 2015-12-04 How can civilians in newly democratized countries ensure their control over the military While establishing civilian control of the military is a necessary condition for a functioning democracy it requires prudent strategic action on the part of the decision makers to remove the military from positions of power and make it follow their orders **Civil-Military Relations and**

Democracy Larry Diamond, Marc F. Plattner, 1996-10-17 Based on a conference held in Washington DC 13-14 Mar 1995

Between Military Rule and Democracy Yaprak Gursoy, 2017-07-06 Why do the armed forces sometimes intervene in politics via short lived coups and at other times establish or support authoritarian regimes or in some cases come under the democratic control of civilians To find answers Yaprak Gursoy examines four episodes of authoritarianism six periods of democracy and ten short lived coups in Greece and Turkey and then applies her resultant theory to four more recent military interventions in Thailand and Egypt Based on more than 150 interviews with Greek and Turkish elites Gursoy offers a detailed analysis of both countries from the interwar period to recent regime crises She argues that officers politicians and businesspeople prefer democracy authoritarianism or short lived coups depending on the degree of threat they perceive to their interests from each other and the lower classes The power of elites relative to the opposition determined in part by the

coalitions they establish with each other affects the success of military interventions and the consolidation of regimes With historical and theoretical depth *Between Military Rule and Democracy* will interest students of regime change and civil military relations in Greece Turkey Thailand and Egypt as well as in countries facing similar challenges to democratization

The Comparative Method and Civil-Military Relations J. 'Bayo Adekanye, 2024-10-11 Comprising critical writings in civil military relations theory and research this book of essays integrates the ideas and insights drawn from political science particularly its subfields of comparative politics theory and methodology both normative and empirical with those from the combined disciplines of philosophy of science history sociology and development studies bringing out the relevance of these ideas and insights for understanding and analysing the issues central to the place and role of military in the Nigerian society This book will be useful to students academics journalists and activists working on Nigeria in particular and Africa in general Print edition not for sale in Nigeria

The Routledge Handbook of Civil-military Relations Thomas C. Bruneau, Florina Cristiana Matei, 2013 The Routledge Handbook of Civil Military Relations not only fills this important lacuna but offers an up to date comparative analysis which identifies three essential components in civil military relations 1 democratic civilian control 2 operational effectiveness and 3 the efficiency of the security institutions This Handbook will be essential reading for students and practitioners in the fields of civil military relations

The Politics and Memory of Democratic Transition Diego Muro, Gregorio Alonso, 2010-11-23 Most accounts on the Spanish transition to democracy of the late 1970s are based on a false dilemma Its simplest formulation could be was it the pressure from below i e the organized working classes students and neighbors associations that triggered political change or was the elite settlement reached by the regime soft liners and the moderate sectors of the democratic opposition that established it This new and innovative volume appraises the movement towards a more democratic Spain from a variety of important perspectives the collection of essays sheds light on the wide range of crucial processes institutions and actors involved in the political transformation that operated in the Spanish instance of the Third Wave of democratization By making comparisons to other democratic transitions synthesizing the ideas of several leading Spanish History scholars as well as incorporating new voices involved in creating the directions of research to come *The Politics and Memory of Democratic Transition* offers a thorough and vital look at this key period in contemporary Spanish history taking stock of critical lessons to be gleaned from the Spanish Transition and pointing the way toward its future as a democratic nation

Security Sector Reform in Southeast Asia F. Heiduk, 2014-03-07 Successful reform of the security sector has been regarded as pivotal for a successful transition from authoritarianism to democracy by Western donors A global cast of contributors examines SSR in a variety of policy fields in Southeast Asia paying specific attention to the adaption of Western reform concepts by local actors

The Armed Forces and Democracy in Latin America John Samuel Fitch, 1998 The book tackles the subject of the military and politics in Latin America from a broad historical perspective drawing on literature in the field and other information based on personal interviews with officers

The

Political Resurgence of the Military in Southeast Asia Marcus Mietzner, 2012-11-12 In the late 1990s prominent scholars of civil military relations detected a decline in the political significance of the armed forces across Southeast Asia. A decade later however this trend seems to have been reversed. The Thai military launched a coup in 2006 the Philippine armed forces expanded their political privileges under the Arroyo presidency and the Burmese junta successfully engineered pseudo democratic elections in 2010. This book discusses the political resurgence of the military in Southeast Asia throughout the 2000s. Written by distinguished experts on military affairs the individual chapters explore developments in Burma Thailand the Philippines Vietnam East Timor Indonesia and Singapore. They not only assess but also offer explanations for the level of military involvement in politics in each country. Consequently the book also makes a significant contribution to the comparative debate about militaries in politics. Whilst conditions obviously differ from country to country most authors in this book conclude that the shape of civil military relations is not predetermined by historic economic or cultural factors but is often the result of intra civilian conflicts and divisive or ineffective political leadership. Soldiers, Politicians, and Civilians David Pion-Berlin, Rafael Martínez, 2017-07-29 Are interactions between soldiers politicians and civilians improving? Every nation has to come to grips with achieving a more enduring harmony between government the armed forces and society if it aspires to strengthen its democracy. While there is an abundance of studies on civil military affairs few examine all three of these actors let alone establish any standards with which to assess whether progress is being made. This ambitious book devises a novel framework equipped with six dimensions each of which opens a unique window into civil military affairs and which form a more integrated view of the subject. Those dimensions are accompanied by a set of benchmarks and metrics that assess progress and compare one country against another. The framework is applied to case studies of Argentina Brazil Chile and Uruguay with the conviction that insights could be gleaned that may be relevant elsewhere. Ultimately by unpacking the civil military relation into its various dimensions this study has shed light on what it takes to transform what was once a politically minded military into an organization dedicated to serving a democratic state and society. Routledge Handbook of Southeast Asian Democratization William Case, 2015-04-24 Southeast Asia an economically dynamic and strategically vital region seemed until recently to be transiting to more democratic politics. This progress has suddenly stalled or even gone into reverse requiring that analysts seriously rethink their expectations and theorizing. The Routledge Handbook of Southeast Asian Democratization provides the first book length account of the reasons for democracy's declining fortunes in the region today. Combining theory and case studies it is structured in four major sections: Stunted Trajectories and Unhelpful Milieus; Wavering Social Forces; Uncertain Institutions; Country cases and democratic guises. This interdisciplinary reference work addresses topics including the impact of belief systems historical records regional and global contexts civil society ethnicity women Islam and social media. The performance of political institutions is also assessed and the volume offers a series of in depth case studies evaluating the country records of particular democratic hybrid and

authoritarian regimes from a democratization perspective Bringing together nearly 30 key international experts in the field this cutting edge Handbook offers a comprehensive and fresh investigation into democracy in the region This timely survey will be essential reading for scholars and students of Democratization and Asian Politics as well as policymakers concerned with democracy's setbacks in Southeast Asia and the implications for the region's citizens

The Cambridge Companion to Modern Spanish Culture David T. Gies, 1999-02-25 This book offers a comprehensive account of modern Spanish culture tracing its dramatic and often unexpected development from its beginnings after the Revolution of 1868 to the present day Specially commissioned essays by leading experts provide analyses of the historical and political background of modern Spain the culture of the major autonomous regions notably Castile Catalonia and the Basque Country and the country's literature narrative poetry theatre and the essay Spain's recent development is divided into three main phases from 1868 to the outbreak of the Spanish Civil War the period of the dictatorship of Francisco Franco and the post Franco arrival of democracy The concept of Spanish culture is investigated and there are studies of Spanish painting and sculpture architecture cinema dance music and the modern media A chronology and guides to further reading are provided making the volume an invaluable introduction to the politics literature and culture of modern Spain

Democratic Consolidation in Turkey Müge Aknur, 2012 Although Turkey began its transition to democracy as early as the 1950s it is still far from having reached a level of consolidated democracy with the country's sixty year history of democratic politics being punctuated by numerous breakdowns and restorations of democracy In an attempt to examine why consolidation of Turkish democracy has taken so long this book aims at analyzing various factors including state political parties civil society civil military relations socio economic development the EU as an international actor and the rise of internal threats political Islam and separatist Kurdish nationalism that both hinder and enhance democratic consolidation in Turkey By highlighting the strengths and shortcomings of the Turkish experience from these perspectives this book suggests the optimal policy priorities for current and future Turkish governments to establish a consolidated democracy in Turkey Contributors Muge Aknur Canan Aslan Akman Filiz Baskan Gulgun Erdogan Tosun Siret Hursoy Aysegul Komsuoglu Gul M Kurtoglu Eskisar Yesim Kustepeli Nazif Mandaci Ibrahim Saylan Ugur Burc Yildiz

Trade Unions and Arab Revolutions Heba F. El-Shazli, 2019-05-24 We started the 2011 revolution and the rest of Egypt followed say Egyptian workers with strong conviction and passion Egyptian independent workers continuous claims of contention and protest repertoires were one of several main factors leading to the January 25 2011 uprising After thirty two years of a Mubarak led authoritarian regime massive protests began in January 2011 and forced President Mubarak to step down from his position on February 11 2011 So how did Egyptian workers challenge the regime and how did they become one of the factors leading to the January 2011 uprising These workers were organized into loose networks of different independent groups that had been protesting for a decade and longer prior to January 2011 These regular protests for over a decade before 2011 challenged the Egyptian authoritarian regime This book

examines the combative role of Egyptian independent workers formal and informal organizations as a contentious social movement to challenge the regime It will examine the evolving role of workers as socio economic actors and then as political actors in very political transitions Social movement theory SMT and its mechanisms and social movement unionism SMU will be the lenses through which this research will be presented The methodology used will be the comparative case studies of two different movements where workers who advocated for their rights for a decade prior to January 2011 experienced significantly differing outcomes One case study showcases the municipal real estate tax collection workers who were able to establish a successful social movement and then create an independent trade union The second case study examines an influential group of garment and textile workers who also developed an effective social movement yet they were not able to take it to the next step to establish an independent union I will explore within this research a second question why one group of workers was able to establish an independent union while the other arguably more influential group of workers the garment and textile workers was not able to do so This had an impact on the overall influence they were able to exercise over the regime in addition to their effectiveness as a social movement for change

Democratic Quality in Southern Europe Tiago Fernandes, 2024-05-15 Fueled by new data from the Varieties of Democracy project *Democratic Quality in Southern Europe* takes a close look at the democratic trajectories of France Greece Italy Portugal and Spain over the past fifty years Despite similar beginnings France Greece Italy Portugal and Spain have experienced significant variations in the way their democracies have evolved Covering ground from the protest movements of the late 60s and early 70s to the challenges that resulted from the financial crisis of the Great Recession editor Tiago Fernandes expertly draws together a collection of essays that look beyond the impact of socioeconomic development in these five countries exploring innovative and nuanced explanations for their diverging paths *Democratic Quality in Southern Europe* combines new data with classical methodologies to create fresh convincing hypotheses on the development quality and depth of democracy in this critical region Contributors Tiago Fernandes Rui Branco Jo o Cancela Edna Costa Pedro Diniz de Sousa Pedro T Magalh es Edalina Rodrigues Sanches Jos Santana Pereira Tiago Tib rcio

The Turkish Deep State Mehtap Sooyler, 2015-02-11 The deep state ranks among the most critical issues in Turkish politics This book traces its origins and offers an explanation of the emergence and trajectory of the deep state the meaning and function of informal and authoritarian institutions in the formal security sector of a democratic regime the involvement of the state in organized crime armed conflict corruption and massive human rights violations This book applies an innovative methodological approach to concept formation and offers a mid range theory of deep state that sheds light on the reciprocal relationship between the state and political regimes and elaborates on the conditions for the consolidation of democracy It traces the path dependent emergence and trajectory of the deep state from the Ottoman Empire to the current Turkish Republic and its impact on state society relations It reads state formation consolidation and breakdown from the perspective of this most resilient phenomenon of Turkish politics The

analysis also situates recent developments regarding AKP governments including the EU accession process civil military relations coup trials the Kurdish question and the G len Movement in their context within the deep state Moreover this case study offers an analytical framework for cross regional comparative analysis of the deep states Addressing the lacuna in academic scholarship on the deep state phenomenon in Turkey this book is essential reading for students and scholars with an interest in democratization politics and Middle East Studies *Juan Carlos* Paul Preston,2004-06-29 Preston explores the political and personal mysteries of the former Spanish monarch s life in a story of unprecedented sweep and exquisite detail which is at once a history of modern Spain and an indispensable exegesis of how democracies come to be **Civil-Military Relations in Latin America** David Pion-Berlin,2003-01-14 The armed forces may no longer rule nations throughout Latin America but they continue to influence democratic governments across the region In nine original thought provoking essays this book offers fresh theoretical insights into the dilemmas facing Latin American politicians as they struggle to gain full control over their military institutions Latin America has changed in profound ways since the end of the Cold War the re emergence of democracy and the ascendancy of free market economies and trade blocs The contributors to this volume recognize the necessity of finding intellectual approaches that speak to these transformations They utilize a wide range of contemporary models to analyze recent political and economic reform in nations throughout Latin America presenting case studies on Argentina Brazil Chile Ecuador El Salvador Honduras and Venezuela Bridging the gap between Latin American studies and political science these essays not only explore the forces that shape civil military relations in Latin America but also address larger questions of political development and democratization in the region The contributors are Felipe Aguero J Samuel Fitch Wendy Hunter Ernesto Lopez Brian Loveman David R Mares Deborah L Norden David Pion Berlin and Harold A Trinkunas Latin American Studies Political Science

Soldiers Civilians And Democracy Post Franco Spain In Comparative Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soldiers Civilians And Democracy Post Franco Spain In Comparative Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soldiers Civilians And Democracy Post Franco Spain In Comparative Perspective has opened up a world of possibilities. Downloading Soldiers Civilians And Democracy Post Franco Spain In Comparative Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soldiers Civilians And Democracy Post Franco Spain In Comparative Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soldiers Civilians And Democracy Post Franco Spain In Comparative Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soldiers Civilians And Democracy Post Franco Spain In Comparative Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soldiers Civilians And Democracy Post Franco Spain In Comparative Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soldiers Civilians And Democracy Post Franco Spain In Comparative Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Soldiers Civilians And Democracy Post Franco Spain In Comparative Perspective Books
