**Dale Roy Herspring**

## **Soldiers Of The French Revolution:**

The Soldiers of the French Revolution Alan I. Forrest, 1990

**The Soldiers of the French Revolution** Alan I.

Forrest, 1990 In this work Alan Forrest brings together some of the recent research on the Revolutionary army that has been undertaken on both sides of the Atlantic by younger historians many of whom look to the influential work of Braudel for a model Forrest places the armies of the Revolution in a broader social and political context by presenting the effects of war and militarization on French society and government in the Revolutionary period Revolutionary idealists thought of the French soldier as a willing volunteer sacrificing himself for the principles of the Revolution Forrest examines the convergence of these ideals with the ordinary and often dreadful experience of protracted warfare that the soldier endured

**The Army of the French Revolution** Jean Paul Bertaud, 2019-02-19 Jean Paul Bertaud is the leading French authority on the army of the French Revolution and *La Revolution armee* is the authoritative treatment of the first great national patriotic revolutionary and mass army engaged in what has been called the first total war that between revolutionary France and the other European powers The book is a successful attempt to integrate military history with social and political history and thereby to depict the army as a school for the republic that by subtle changes after 1795 made way for the Napoleonic regime The distinguished historian R R Palmer presents the first translation of this work into English in a volume that will quickly become indispensable for French historians historical sociologists and political scientists interested in armies and revolutions The theme of the book is suggested by its French title *the Revolution armed* That is the book is primarily about the Revolution and specifically the Revolution in its relation to armed force This revolution and this army activated the idea of the citizen soldier exemplified by the ancient classical republics and favored by Jean Jacques Rousseau and other eighteenth century thinkers but never before realized on so large and portentous a scale as in France in the 1790s Jean Paul Bertaud is Professor of Modern History at the University of Paris I the Sorbonne He has published widely in France on aspects of the French Revolution R R Palmer is Professor Emeritus at Yale University and author of numerous books including the two volume *The Age of the Democratic Revolution* 1959 and 1964 *Twelve Who Ruled* 1941 and *The Improvement of Humanity Education and the French Revolution* 1985 all published by Princeton University Press He has translated many works from the French most recently *The Two Tocquevilles* Father and Son Herve and Alexis de Tocqueville on the Coming of the French Revolution Princeton 1987 Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**European Armies of the French Revolution, 1789-1802** Frederick C. Schneid, 2015-05-26 Upon France's defeat of

the vaunted Prussian army at the Battle of Valmy in 1792 German author Johann Wolfgang von Goethe remarked From this place and from this day forth commences a new era in the world s history The pronouncement proved prescient for this first major victory emboldened France s revolutionary government to end the monarchy and establish the first French Republic with dramatic consequences for the wars that soon roiled the continent In nine essays by leading scholars *European Armies of the French Revolution 1789-1802* provides an authoritative continent wide analysis of the organization and constitution of these armies the challenges they faced and the impact they had on the French Revolutionary Wars and on European military practices The volume opens with editor Frederick C Schneid s substantial introduction which reviews the strategies and policies of each participating state throughout the wars establishing a clear context for the essays that follow Drawing on the latest research and thought each contributor focuses on the army of a particular power France Prussia Austria Russia Britain Spain the German principalities the Italian states and the Ottoman Empire Their essays examine the system tactics operations and strategies that each army adopted and developed in the Revolutionary Wars The authors explore the conflicts wider influence on these policies and practices along with significant battles and actions Unique in its approach and reach this volume offers a thorough and closely observed view of the composition scope and purpose of the European armies at the turn of the nineteenth century It enhances and extends our insights into how the military powers of the post French Revolutionary era and thus the era itself took shape

**Napoleon's Men** Alan Forrest, 2006-06-23 Napoleon s soldiers marched across Europe from Lisbon to Moscow and from Germany to Dalmatia Many of the men mostly conscripted by ballot had never before been beyond their native village What did they make of their extraordinary experiences fighting battles thousands of miles from home foraging for provisions or garrisoning town in hostile countries What was it like to be a soldier in the revolutionary and imperial armies We know more about these men and their reactions to war than about the soldiers of any previous army in history not just from official sources but from the large number of personal letters they wrote *Napoleon s Men* provides a direct insight into the experiences and emotions of soldiers who risked their lives at Austerlitz Wagram and Borodino Not surprisingly their minds often dwelt as much on what was happening at home and on mundane questions of food and drink as on Napoleon himself or the glory of France

**From Yorktown to Valmy** Samuel F. Scott, 1998 Based upon exhaustive research in archives in the United States and France *From Yorktown to Valmy* provides a detailed study of some sixty five hundred officers and soldiers of the French expeditionary corps that served under Rochambeau in the American Revolution It traces their experiences in this country after their departure from France in the spring of 1780 their role in the victory over Cornwallis their return to France and resumption of peacetime duties from 1783 to 1789 and their reactions to revolution in their own country and the war that followed The author s focus on these men and their regiments the only substantial force of foreign allies ever to serve on American soil for an extended period of time affords the opportunity to assess the impact of these momentous events upon the lives of rather ordinary people In turn their

experiences also provide a remarkable means of evaluating in personal concrete terms connections between the two great revolutions of the eighteenth century Furthermore since these soldiers constituted a representative cross section of the French army during this critical period their fate and the service of their units exemplify and elucidate the development of the entire French army during the most dramatic transformation in its history *Citizen Soldiers and the Key to the Bastille* Julia Osman,2015-01-06 Showcasing French participation in the Seven Years War and the American Revolution this book shows the French army at the heart of revolutionary social and cultural change Osman argues that efforts to transform the French army into a citizen army before 1789 prompted and helped shape the French Revolution **General Alexandre Dumas** John G. Gallaher,1997 In 1799 however Dumas left Egypt when Napoleon wanted him to remain with the army This plunged Dumas deeply into the dungeon of Napoleon s disfavor Later he was literally imprisoned in southern Italy until 1801 Napoleon never forgave Dumas Gallaher notes and even continued to punish his wife and children after his death **The Response of the Royal Army to the French Revolution** Samuel F. Scott,1978 *The French Army, 1750-1820* Rafe Blaufarb,2002 This book crosses the chronological boundary of 1789 to bring the histories of the Old Regime Revolution Empire and Restoration together **Army and Revolution** Douglas Porch,2022-02-06 This book first published in 1974 analyses the problems and mechanics of the Revolutionary movement in the army during and after the French Revolution It charts the transition of the French army from the Revolutionary force of 1815 to the counter revolutionary army which in June 1848 led the suppression of the European Revolutionary movement By defining the scope of political of political unrest in the army between 1815 and 1848 its causes patterns and remedies the author demonstrates that republican political ideology had only a limited appeal for the military and served more as a rallying point for discontent with the conditions of service **Soldiers, Commissars, and Chaplains** Dale Roy Herspring,2001 This innovative study offers the first ever comparison of the military roles played by commissars political officers and chaplains in military settings ranging from the armies of Cromwell the Jacobins the Nazis the Soviets and the United States Despite the stark differences in the political systems of the countries of these disparate armed forces Dale R Herspring argues that there are certain critical functions that must be fulfilled in every military regardless of its ideological orientation Most vital are motivation morale boosting and political socialization In addition Herspring s comparative historical analysis decisively demonstrates that the roles of commissars political officers and chaplains alike have evolved in ways that are crucial yet rarely understood either by policymakers or scholars *History of the Wars Occasioned by the French Revolution, from the Commencement of Hostilities in 1792, to the End of 1816* C. H. Gifford,1817 **Conscripts and Deserters** Alan I. Forrest,1989 Between the outbreak of war with Austria in 1792 and Napoleon s final debacle in 1814 France remained almost continuously at war recruiting in the process some two to three million frenchmen a level of recruitment unknown to previous generations and widely resented as an attack on the liberties of rural communities Forrest challenges the notion of a nation heroically rushing

to arms by examining the massive rates of desertion and avoidance of service as well as their consequences on French society on military campaigns and the morale of armies on political opinion at home on the social fabric of local villages and on the Napoleonic dream of bringing about a coherent and centralized state      The History of the French Revolution Adolphe Thiers, 1883      Days of Glory? Valerie Mainz, 2016-08-26 This book examines a range of visual images of military recruitment to explore changing notions of glory or of gloire during the French Revolution It raises questions about how this event re orientated notions of citizenship and of service to la Patrie The opening lines of the Marseillaise are grandly declamatory Allons enfants de la Patrie le jour de gloire est arriv or in English Arise children of the Homeland The day of glory has arrived What do these words mean in their later eighteenth century French context What was gloire and how was it changed by the revolutionary process This military song later adopted as the national anthem represents a deceptively unifying moment of collective engagement in the making of the modern French nation Valerie Mainz questions this through a close study of visual imagery dealing with the issue of military recruitment From neoclassical painting to popular prints such images typically dealt with the shift from civilian to soldier focusing on how men and not women were called to serve the Homeland      **Considerations on the Principal Events of the French Revolution** Madame de Staël (Anne-Louise-Germaine), 1818      *Citizens, Soldiers and National Armies* Thomas Hippler, 2007-08-07 The first systematic and comparative study of growth of military conscription in Europe An innovative fusion of primary empirical research and postmodern philosophy It will appeal to students of modern European history political science military history and intellectual history in general      Nationalizing France's Army Christopher J. Tozzi, 2016-05-30 Before the French Revolution tens of thousands of foreigners served in France's army They included troops from not only all parts of Europe but also places as far away as Madagascar West Africa and New York City Beginning in 1789 the French revolutionaries driven by a new political ideology that placed the nation at the center of sovereignty began aggressively purging the army of men they did not consider French even if those troops supported the new regime Such efforts proved much more difficult than the revolutionaries anticipated however owing to both their need for soldiers as France waged war against much of the rest of Europe and the difficulty of defining nationality cleanly at the dawn of the modern era Napoleon later faced the same conundrums as he vacillated between policies favoring and rejecting foreigners from his army It was not until the Bourbon Restoration when the modern French Foreign Legion appeared that the French state established an enduring policy on the place of foreigners within its armed forces By telling the story of France's noncitizen soldiers who included men born abroad as well as Jews and blacks whose citizenship rights were subject to contestation Christopher Tozzi sheds new light on the roots of revolutionary France's inability to integrate its national community despite the inclusionary promise of French republicanism Drawing on a range of original unpublished archival sources Tozzi also highlights the linguistic religious cultural and racial differences that France's experiments with noncitizen soldiers introduced to eighteenth and nineteenth

century French society Winner of the Walker Cowen Memorial Prize for an Outstanding Work of Scholarship in Eighteenth Century Studies     **The French Revolution** Peter Martin, 1992 Focusing on the French Revolution this is one of a history series modular in structure which offers teachers the flexibility to design their own scheme of work at Key Stage 3 of the National Curriculum Each book covers all the core study units and also a wide range of optional units and aims to be visually stimulating as well as offering activities which develop both skills and understanding An extensive selection of primary and secondary sources is provided Each pupil book is accompanied by a teacher's assessment and resource pack which includes photocopiable worksheets

### **Soldiers Of The French Revolution Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Soldiers Of The French Revolution free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Soldiers Of The French Revolution free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from

dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Soldiers Of The French Revolution free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Soldiers Of The French Revolution. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Soldiers Of The French Revolution any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Soldiers Of The French Revolution Books

**What is a Soldiers Of The French Revolution PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Soldiers Of The French Revolution PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Soldiers Of The French Revolution PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Soldiers Of The French Revolution PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Soldiers Of The French Revolution PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing

PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
