Soldiers Story By Sas Special Air Service:

Special Force Alastair MacKenzie,2011-10-30 The exploits of the British Army's elite 22nd Special Air Service Regiment the regiment of the SAS that forms part of the Regular army are shrouded in mystery and myths abound about its members But what is the truth behind the public facade of clinical professionalism How has such a small regiment attracted so many weighty legends And what is the purpose of the SAS in the 21st century Special Force provides an original and unusually critical overview of the activities of the SAS from the Malayan Emergency of 1950 to the present day In the context of a detailed and often controversial analysis of the post war activities of the Regiment MacKenzie establishes that the Regiment's almost legendary professional competence is often not backed up by reality Far from being part of a structured deployment of strategic military assets MacKenzie argues that the use of the SAS in recent years has been primarily driven by the entrepreneurial actions of a few SAS commanding officers Special Force not only offers a revelatory history of the SAS in the modern period it is also a disturbing expose of the truth behind the myth It will be essential reading for anyone with an interest in the British military past present and future

A Genius for Deception Nicholas Rankin,2009-11-10

In February 1942 intelligence officer Victor Jones erected 150 tents behind British lines in North Africa Hiding tanks in Bedouin tents was an old British trick writes Nicholas Rankin German general Erwin Rommel not only knew of the ploy but had copied it himself Jones knew that Rommel knew In fact he counted on it for these tents were empty With the deception that he was carrying out a deception Jones made a weak point look like a trap In A Genius for Deception Nicholas Rankin offers a lively and comprehensive history of how Britain bluffed tricked and spied its way to victory in two world wars As Rankin shows a coherent program of strategic deception emerged in World War I resting on the pillars of camouflage propaganda secret intelligence and special forces All forms of deception found an avid sponsor in Winston Churchill who carried his enthusiasm for deceiving the enemy into World War II Rankin vividly recounts such little known episodes as the invention of camouflage by two French artist soldiers the creation of dummy airfields for the Germans to bomb during the Blitz and the fabrication of an army that would supposedly invade Greece Strategic deception would be key to a number of WWII battles culminating in the massive misdirection that proved critical to the success of the D Day invasion in 1944 Deeply researched and written with an eye for telling detail A Genius for Deception shows how the British used craft and cunning to help win the most

Soldier Sahibs Charles Allen,2012-06-21

This text retells the story of a brotherhood of young men who together laid claim to one of the most notorious frontiers in the world India s north west frontier which in the late 1990s forms the volatile boundary between Pakistan and Afghanistan Known collectively as Henry Lawrence s Young Men each had distinguished himself in the East India Company s wars in the Punjab in the 1840s

before going out to carve out names for themselves as politicals on the frontier Drawing extensively on the men's diaries journals and letters Charles Allen weaves the individual stories of these Soldier Sahibs together with the tale of how they came together to save British India ending climatically on Delhi Ridge in 1857 **A Bloody Week** Dan Harvey, 2019-07-15 The Battle of Arnhem was a major World War II battle at the vanguard of the Allied Operation Market Garden the dramatic but unsuccessful campaign fought by the British Army in the Netherlands from 17 to 25 September 1944 This was the first time airborne troops were used by the Allies on such a scale and the objective was a series of nine bridges that might have provided an Allied invasion route into Germany Airborne and Land Forces successfully liberated Eindhoven and Nijmegen but were thwarted by the Nazis at the Battle of Arnhem in their efforts to secure the last bridge over the River Rhine Only a small British force was able to reach the Arnhem Road Bridge but was overwhelmed by Nazi defenders and after nine days of fighting the shattered remains of the Division were withdrawn The British 1st Airborne Division lost most of its strength and didn't see combat again What is less well known in this famous saga however is the vital contribution of hundreds of Irish soldiers from a host of backgrounds with a mixture of experience and range of ranks Men from the north of Ireland and men from the south gave their all to this Allied campaign and in *A Bloody Week* their dramatic story is finally being told
