Northeast Migrants in Delhi Duncan McDuie-Ra, 2012 The Northeast border region of India is a crossroads of Southeast Asia where India meets China and the Himalayas and home to many ethnic minorities from across the continent The area is also the birthplace of a number of secessionist and insurgent movements and a hotbed of political fervor and violent instability In this trailblazing new study Duncan McDuie Ra observes the everyday lives of the thousands of men and women who leave the region every year to work study and find refuge in Delhi He examines how new migrants navigate the rampant racism harassment and even violence they face upon their arrival in Delhi But McDuie Ra does not paint them simply as victims of the city but also as contributors to Delhi s vibrant community and increasing cosmopolitanism India s embrace of globalization has created employment opportunities for Northeast migrants in many capitalistic enterprises shopping malls restaurants and call centers They have been able to create their own map of Delhi and their own communities within the larger and often unfriendly one of the metropolis

Botkin, 2017-05-25 Franklin Henry Little 1878 1917 an organizer for the Western Federation of Miners and the Industrial Workers of the World IWW fought in some of the early twentieth century s most contentious labor and free speech struggles Following his lynching in Butte Montana his life and legacy became shrouded in tragedy and family secrets In Frank Little and the IWW author Jane Little Botkin chronicles her great granduncle s fascinating life and reveals its connections to the history of American labor and the first Red Scare Beginning with Little s childhood in Missouri and territorial Oklahoma Botkin recounts his evolution as a renowned organizer and agitator on behalf of workers in corporate agriculture oil logging and mining Frank Little traveled the West and Midwest to gather workers beneath the banner of the Wobblies as IWW members were known making soapbox speeches on city street corners organizing strikes and writing polemics against unfair labor practices His brother and sister in law also joined the fight for labor but it was Frank who led the charge and who was regularly threatened incarcerated and assaulted for his efforts In his final battles in Arizona and Montana Botkin shows Little and the IWW leadership faced their strongest opponent yet as powerful copper magnates countered union efforts with deep

laid networks of spies and gunmen an antilabor press and local vigilantes For a time Frank Little s murder became a rallying cry for the IWW But after the United States entered the Great War and Congress passed the Sedition Act 1918 to ensure support for the war effort many politicians and corporations used the act to target labor radicals squelch dissent and inspire vigilantism Like other wage working families smeared with the traitor label the Little family endured raids arrests and indictments in IWW trials Having scoured the West for firsthand sources in family library and museum collections Botkin melds the personal narrative of an American family with the story of the labor movements that once shook the nation to its core In doing so she throws into sharp relief the lingering consequences of political repression
