[The Prodigious Muse](#) Virginia Cox, 2011-08-17 In her award winning critically acclaimed *Women's Writing in Italy 1400-1650* Virginia Cox chronicles the history of women writers in early modern Italy who they were what they wrote where they fit in society and how their status changed during this period In this book Cox examines more closely one particular moment in this history in many ways the most remarkable for the richness and range of women's literary output A widespread critical notion sees Italian women's writing as a phenomenon specific to the peculiar literary environment of the mid sixteenth century and most scholars assume that a reactionary movement such as the Counter Reformation was unlikely to spur its development Cox argues otherwise showing that women's writing flourished in the period following 1560 reaching beyond the customary feminine genres of lyric poetry and letters to experiment with pastoral drama chivalric romance tragedy and epic There were few widely practiced genres in this eclectic phase of Italian literature to which women did not turn their hand Organized by genre and including translations of all excerpts from primary texts this comprehensive and engaging volume provides students and scholars with an invaluable resource as interest in these exceptional writers grows In addition to familiar secular works by authors such as Isabella Andreini Moderata Fonte and Lucrezia Marinella Cox also discusses important writings that have largely escaped critical interest including Fonte's and Marinella's vivid religious narratives an unfinished Amazonian epic by Maddalena Salvetti and the startlingly fresh autobiographical lyrics of Francesca Turina Bufalini Juxtaposing religious and secular writings by women and tracing their relationship to the male authored literature of the period often surprisingly affirmative in its attitudes toward women Cox reveals a new and provocative vision of the Italian Counter Reformation as a period far less uniformly repressive of women than is commonly assumed Praise for *Women's Writing in Italy 1400-1650* Exhaustive and insightful This is an amazing book a major achievement in the field of women's studies *Renaissance Quarterly* This is a definitive study and will surely remain so for many years to come *Choice* Virginia Cox has written a magisterial study of the major trends in women's writing in Renaissance and Counter Reformation Italy This is indeed an impressive volume and one

which deserves to be read and studied It will change the way we think about women s writing in early modern Italy Modern Language Review *The Edge of Anything* Nora Shalaway Carpenter,2020-03-24 A Kirkus Reviews Best Book of 2020 One of A Mighty Girl s Best Books of the Year A Bank Street Best Books 2021 Finalist for the Cybils Awards Len is a loner teen photographer haunted by a past that s stagnated her work and left her terrified she s losing her mind Sage is a high school volleyball star desperate to find a way around her sudden medical disqualification Both girls need college scholarships After a chance encounter the two develop an unlikely friendship that enables them to begin facing their inner demons But both Len and Sage are keeping secrets that left hidden could cost them everything maybe even their lives Set in the North Carolina mountains this dynamic ownvoices novel explores grief mental health and the transformative power of friendship
