Soloists And Sidemen American Jazz Stories

Thomas P. Hustad

Soloists And Sidemen American Jazz Stories:

Soloists and Sidemen Peter Vacher, 2008-07 Here are the stories of the Amer jazz musicians who crossed racial and class div to tour and record with the great jazz stars Here are the life stories and musical styles of many musicians who played with Louis Armstrong Coleman Hawkins and Dizzy Gillespie and helped make the music of famous orchestras of Duke Ellington Count Basie Bob Crosby Lionel Hampton and Cab Calloway The musicians include Cozy Cole Milt Buckner Sonny Cohn Willie Cook Cousin Joe Kenny Davern Harry Edison Teddy Edwards Art Farmer Scott Hamilton John Hicks Illinois Jackquet Hank Jones Herbie Jones Junior Mance Eddie Miller Harold Minerve Grover Mitchell Vi Redd Warren Vache Eddie Vinson Benny Waters and Britt Woodman Photos [Swingin' on Central Avenue](#) Peter Vacher, 2015-09-17 The development of jazz and swing in the African American community in Los Angeles in the years before the second World War received a boost from the arrival of a significant numbers of musicians from Chicago and the southwestern states In *Swingin on Central African American Jazz in Los Angeles* a new study of that vibrant jazz community music historian and jazz journalist Peter Vacher traveled between Los Angeles and London over several years in order to track down key figures and interview them for this oral history of one of the most swinging jazz scenes in the United States Vacher recreates the energy and vibrancy of the Central Avenue scene through first hand accounts from such West Coast notables as trumpeters Andy Blakeney George Orendorff and McLure Red Mack Morris pianists Betty Hall Jones Chester Lane and Gideon Honore saxophonists Chuck Thomas Jack McVea and Caughey Roberts Jr drummers Jesse Sables Red Minor Robinson and Nathaniel Monk McFay and others Throughout readers learn the story behind the formative years of these musicians most of whom have never been interviewed until now While not exactly headliners nor heavily recorded this community of jazz musicians was among the most talented in pre war America Arriving in Los Angeles at a time when black Americans faced restrictions on where they could live and work jazz artists of color commonly found themselves limited to the Central Avenue area This scene supplemented by road travel constituted their daily bread as players with none of them making it to New York Through their own words Vacher tells their story in Los Angeles offering along the way a close look at the role the black musicians union played in their lives while also taking on jazz historiography s comparative neglect of these West Coast players Music historians with a particular interest in pre bop jazz in California will find much new material here as Vacher paints a world of luxurious white nightclubs with black bands ghetto clubs and after hours joints a world within a world that resulted from the migration of black musicians to the West Coast *Artie Shaw, King of the Clarinet: His Life and Times* Tom Nolan, 2011-05-16 The two sides of Shaw are at the center of this compulsively readable biography Daniel Akst Wall Street Journal During America s Swing Era no musician was more successful or controversial than Artie Shaw the charismatic and opinionated clarinetist bandleader whose dozens of hits became anthems for the greatest generation But some of his most beautiful recordings were not issued until decades after he d left the scene He broke racial barriers by hiring African

American musicians His frequent retirements earned him a reputation as the Hamlet of jazz And he quit playing for good at the height of his powers The handsome Shaw had seven wives including Lana Turner and Ava Gardner Inveterate reader and author of three books he befriended the best known writers of his time Tom Nolan who interviewed Shaw between 1990 and his death in 2004 and spoke with one hundred of his colleagues and contemporaries captures Shaw and his era with candor and sympathy bringing the master to vivid life and restoring him to his rightful place in jazz history Originally published in hardcover under the title *Three Chords for Beauty's Sake* *Old-Fashioned Modernism* Andy Oler, 2019-06-12 The Midwest holds two conflicting positions in the American cultural imagination both of which rob the region of its distinctiveness Often it is seen as the heartland a pastoral ideal standing in for all of American culture Alternatively the Midwest can represent flyover country part of an expansive undifferentiated mass between the coasts In *Old Fashioned Modernism* Rural Masculinity and Midwestern Literature Andy Oler challenges both views by pairing fiction and poetry from the region with cultural and material texts that illustrate the processes by which regional modernism both opposes and absorbs prevailing models of twentieth century manhood Although it acknowledges a tradition of Midwestern urban literature *Old Fashioned Modernism* focuses on representations of life on farms and in small towns that generate specific forms of rural modernity Oler considers a series of male protagonists who both fulfill and resist conventional American narratives of economic advancement spatial experience and gender roles The writers he studies portray the onset of socioeconomic and mechanical modernity by merging realist and naturalist narratives with upwellings of modernist form and style His analysis charts a trajectory in which Midwestern literature depicts experiences that appear dependent on nostalgic pastoralism but actually foreground the ongoing fragmentation and emerging anxieties of the countryside In detailed readings of novels by Sherwood Anderson William Cunningham Langston Hughes Wright Morris and Dawn Powell as well as the poetry of Lorine Niedecker Oler highlights images of men from the rural Midwest who face the tensions between agricultural production and mass industrialization These works of literature which Oler examines alongside pieces of material culture like advertisements for farm implements and record labels feature communities that support self made as well as corporate identities As portraits of the Midwest that resist the totalizing trajectory of industrialization these texts generate spaces that meld rural and urban economics land use and affective experiences *Old Fashioned Modernism* reveals how Midwestern regionalism negotiates the anxieties and dominant narratives of early and midcentury rural masculinities as regional literature and culture alter the forms and spaces of literary modernism *Born to Play* Thomas P. Hustad, 2012-05-03 Jazz trombonist Jack Teagarden once referred to Ruby Braff as the Ivy League's Louis Armstrong That legacy of great trumpet performance and recording is brought to readers in Thomas Hustad's *Born to Play* The Ruby Braff Discography and Directory of Performances Braff's uncompromising standards musical taste and creative imagination informed his consummate artistry in creating music beautifully played He achieved swiftly what few musicians accomplish in a lifetime by developing a unique and immediately

recognizable style For a reminder of that we need but play any of the more than 150 released recordings on which he appears These records span a total of 54 years from 1949 to 2002 a feat almost unmatched in jazz recording This was five years longer than even Louis Armstrong Although prepared in discographical style capturing information about both commercial recordings and previously undocumented performances Born to Play serves as a biography of the artist detailing the path he paved as a performer and featuring personal recollections of his musical career with commentary from other figures Images over the course of his half century of playing fill out this comprehensive survey of Braff's performing and recording career This bio discography of the man who jazz drumming legend Buddy Rich declared one of my favorite trumpeters and singing giant Tony Bennett described as my great friend who now holds the reigning position of the best cornet player in the world is sure to be of interest to jazz fans and scholars alike

The Jazz Composer Graham Collier, 2009 the jazz composer moving music off the paper is a philosophical consideration of jazz composition arguing that real jazz happens in real time once That this fact eludes many involved in the music today is a major cause of concern The book takes a cl

The Encyclopedia of Popular Music: Selected Albums. Bibliographies Colin Larkin, 2006 Containing 27 000 entries and over 6 000 new entries the online edition of the Encyclopedia of Popular Music includes 50% more material than the Third Edition Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day including jazz country folk rap reggae techno musicals and world music the Encyclopedia also offers thousands of additional entries covering popular music genres trends styles record labels venues and music festivals Key dates biographies and further reading are provided for artists covered along with complete discographies that include record labels release dates and a 5 star album rating system

Coda Magazine, 2005 **Jazz Journal International**, 2008 **Coda**, 1974

Jazz Mavericks of the Lone Star State Dave Oliphant, 2009-12-03 Jazz is one of America's greatest gifts to the arts and native Texas musicians have played a major role in the development of jazz from its birth in ragtime blues and boogie woogie to its most contemporary manifestation in free jazz Dave Oliphant began the fascinating story of Texans and jazz in his acclaimed book *Texan Jazz* published in 1996 Continuing his riff on this intriguing musical theme Oliphant uncovers in this new volume more of the prolific connections between Texas musicians and jazz *Jazz Mavericks of the Lone Star State* presents sixteen published and previously unpublished essays on Texans and jazz Oliphant celebrates the contributions of such vital figures as Eddie Durham Kenny Dorham Leo Wright and Ornette Coleman He also takes a fuller look at Western Swing through Milton Brown and his Musical Brownies and a review of Duncan McLean's *Lone Star Swing* In addition he traces the relationship between British jazz criticism and Texas jazz and defends the reputation of Texas folklorist Alan Lomax as the first biographer of legendary jazz pianist composer Jelly Roll Morton In other essays Oliphant examines the links between jazz and literature including fiction and poetry by Texas writers and reveals the seemingly unlikely connection between Texas and Wisconsin in jazz annals All the essays in this book underscore the important parts played by

Texas musicians in jazz history and the significance of Texas to jazz as also demonstrated by Oliphant's reviews of the Ken Burns PBS series on jazz and Alfred Appel Jr's *Jazz Modernism* *San Quentin Jazz band* Pierre Briançon, 2008-03-19

En 1962 San Quentin prison de l'Etat de Californie sur les bords de la baie de San Francisco un spectacle a lieu le samedi soir. Le directeur a convié plusieurs dizaines d'invités assister un show monté par les détenus. Un grand orchestre assure les transitions entre les numéros de comiques acrobates ou magiciens qui défilent sur une estrade. Les musiciens sont vêtus de smoking confectionnés dans la toile de jeans de leurs uniformes. Parmi les membres de l'orchestre quelques uns des jazzmen les plus brillants de la côte Ouest. La plupart sont en prison pour usage ou trafic de drogue. Ils jouent le samedi soir ou pendant leurs moments de liberté dans la grande cour de la prison. Présentons les un par un comme on le ferait au début d'un concert. Au saxophone alto Art Pepper enfant prodige du jazz de la côte ouest ancienne star du grand orchestre de Stan Kenton. Le seul blanc de notre jazz band. Quand commence sa vie de prisonnier il a déjà produit quelques albums qui ont marqué l'histoire de cette musique. A la trompette Dupree Bolton compositeur géniale et pharaon qui finira trente ans plus tard musicien faisant la manche dans les rues de San Francisco après avoir laissé quelques enregistrements par là. A la trompette aussi Nathaniel Meeks un de ces membres anonymes des grands orchestres de Californie honnêtement exécutant dont l'histoire du jazz n'a gardé qu'une trace rapide. Au piano Jimmy Bunn soliste raffiné et exigeant qui au moment de son incarcération San Quentin a déjà accompagné les plus grands comme Charlie Parker ou Dexter Gordon. Il finira sa vie dans l'anonymat. Au saxophone alto Earl Anderza sorti de prison pour enregistrer un disque unique et fulgurant en 1963 avant de retourner l'obscurité. Au saxophone alto encore Frank Morgan seul survivant aujourd'hui de cet orchestre théorique perdu pour la musique après son premier disque en 1955 mergeant comme ressuscité trente ans plus tard talent intact après avoir passé l'essentiel de sa vie adulte en prison. A la contrebasse enfin Frank Washington qui passa vingt ans San Quentin où se déroula toute sa vie de musicien. Ce livre est leur histoire. Concentré autour des quelques mois de 1962 où ils jouèrent ensemble cette musique vanouie. Enfermés San Quentin pénitencier surpeuplé prison de mort où la chambre gazeuse exécuterait l'un des leurs décès par les tensions raciales et les soubresauts qui agitent l'Amérique au dehors.

Jazz and American Culture Michael Borshuk, 2023-11-30

Almost immediately after jazz became popular nationally in the United States in the early 20th century American writers responded to what this exciting art form signified for listeners. This book takes an expansive view of the relationship between this uniquely American music and other aspects of American life including books, films, language and politics. Observing how jazz has become a cultural institution widely celebrated as America's classical music, the book also never loses sight of its beginnings in Black expressive culture and its enduring ability to critique problems of democracy or speak back to violence and inequality from Jim Crow to George Floyd. Taking the reader through time and across expressive forms, this volume traces jazz as an aesthetic influence, a political force and a representational focus in American literature and culture. It shows how Jazz has long been a rich source of aesthetic stimulation influencing writers as stylistically wide

ranging as Langston Hughes Eudora Welty and James Baldwin or artists as diverse as Aaron Douglas Jackson Pollock and Gordon Parks

The Songs Became the Stories Robert H. Cataliotti, 2007 The Songs Became the Stories The Music in African American Fiction 1970 2005 is a sequel to The Music in African American Fiction which traced the representation of music in fiction from its mid nineteenth century roots in slave narratives through the Black Arts Movement of the 1960s The Songs Became the Stories continues the historical critical and musicological analyses of the first book through an examination of many of the major figures in African American fiction over the past thirty five years including Ishmael Reed Toni Morrison Ntozake Shange Nathaniel Mackey Alice Walker Albert Murray and John Edgar Wideman The volume also includes an extensive annotated discography and excerpts from first hand interviews with major African American musical artists
