**Marc J. Ackerman**

## **Solomons Sword A Practical Guide To Conducting Child Custody Evaluations:**

Solomon's Sword Benjamin M. Schutz, 1989 Appendices include resources for the evaluator custody laws of all fifty states questionnaire instructions parent questionnaire child questionnaire parent interview child interview directions for behavioral observation tasks and a sample report Conducting Child Custody Evaluations Philip M. Stahl, 1994-08-15 It also includes ethical standards and guidelines for child custody evaluations from various national state and local organizations Sensible lucid and insightful this book is an important contribution to our understanding of how child custody evaluations are conducted and an excellent resource for psychologists evaluators social workers family court and private mediators judges attorneys and graduate students Clinician's Guide to Child Custody Evaluations Marc J. Ackerman, 2002-02-28 Comprehensive coverage of every phase of the child custody evaluation process Does a clinician hired by a parent's attorney bear the same responsibilities as a court appointed psychologist What are the most effective techniques for determining whether an alleged abuse has actually occurred Which factors should be considered when determining whether a parent should be granted custody Clinician's Guide to Child Custody Evaluations Second Edition answers these questions and hundreds more as it provides step by step guidance through every aspect of this sensitive and profoundly important process Employing riveting case studies drawn from the more than 1 800 custody evaluations he has performed Dr Marc Ackerman provides authoritative guidelines for Conducting interviews observing behavior and collecting collateral information Psychological testing and administering ASPECT and other custody instruments Evaluating parental behavior Reporting evaluation results Testifying in court This remarkably thorough resource offers completely up to date coverage of recent legal decisions affecting child custody new surveys on what judges and attorneys want from evaluations and new chapters on placement schedules and second opinion evaluations Clinician's Guide to Child Custody Evaluations Second Edition is must reading for every mental health professional who is or would like to be involved in child custody evaluations A Comprehensive Guide to Child Custody Evaluations: Mental Health and Legal Perspectives Joanna Bunker Rohrbaugh, 2007-12-18 Whether assessing general family functioning or specific areas of conflict professionals preparing child custody evaluations require sound knowledge of three interrelated fields up to date legal issues psychological findings and forensic procedures This book covers these three essential areas to walk readers through the evaluation process clearly and concisely It further provides a unique combination of legal guidelines with social science research The Custody Evaluation Handbook Barry Bricklin, 2013-06-20 Joint custody Same sex custody Young children with the mother Which is the best arrangement Unfortunately for those who seek a trustworthy solution research has proven that there is no single best arrangement for all children This timely volume however does offer a practical and realistic methodology with which to confront the challenging and often confusing issues facing the custody evaluator THE only book of its kind The Custody Evaluation Handbook offers a strikingly helpful model for evaluating and assigning weight to the mountains of disparate

information accumulated during a custody suit Written by an unparalleled expert in the field of custody evaluation the book eschews what the author calls the negative incident model in which each parent responds to the custody process by compiling a long list of grievances against the hated opponent It advocates instead a test based approach that measures how successful each parent actually is at the job of parenting The book describes numerous tests and tools for eliciting reliable information from both children and parents With an eye to learning the actual impact a parent has on a child rather than what a given parent may or may not be doing the book emphasizes obtaining measurements from the involved child Parent tests are designed to reflect the effectiveness with which a parent responds to typical childcare situations and the degree to which a parent truly knows and can satisfy the needs of a particular child The volume also sets forth concepts derived from extensive research that are particularly helpful in understanding parent child interactions and provides a specific system of nonadversary communication strategies that can be used and modeled in all interchanges with evaluation participants and in the wording of all written reports Readers will also welcome the numerous suggestions from evaluators all over the country on specific custody dilemmas they have faced The book is based on many years meticulous research and is informed by a number of conceptual approaches that include The proven premise that whatever certain parents intend to communicate is often not what their children are in fact perceiving and reacting to The Utilization Model of Milton E Erikson The Thomas Chess and Birch goodness of fit model of parent child interaction Bandler and Grinders assertion that the meaning of a communication is the response it elicits regardless of the intentions of the sender Clearly spelling out the targets of a truly comprehensive and reliable evaluation The Custody Evaluation Handbook will be an invaluable handbook for custody evaluators and marriage and family therapists as well as other involved mental health professionals

The Art and Science of Child Custody Evaluations Jonathan W. Gould, David A. Martindale, 2007-07-10 Addressing key topics in child custody evaluation this book provides essential knowledge for practitioners who want to meet the highest standards for both scientific validity and legal admissibility The authors are leading experts who describe the latest data based approaches to understanding and assessing relevant child parent and family factors Going beyond the basics the book gives in depth attention to challenging frequently encountered issues such as how to evaluate allegations of domestic violence child sexual abuse and child alienation Also covered are the complexities of interviewing children effectively and working in the adversarial forensic context A user friendly appendix contains sample letters and statements of understanding with permission to photocopy

Psychological Testing in Child Custody Evaluations Leslie Drozd, James R. Flens, 2014-06-03 A focused look at the uses and misuses of psychological tests in the context of child custody This book presents an advanced examination of psychological testing and usage in the child custody arena It addresses test selection issues provides insightful discussions of how to confront confirmatory biases and avoid the distortion of test findings and presents clear instructions for the use of specific tests including MMPI 2 and Rorschach and a point counterpoint discussion of the

strengths and weaknesses of the Ackerman Schoendorf Scales for Parent Evaluation of Custody ASPECT Psychological Testing in Child Custody Evaluations can be viewed as a work in three parts The first section addresses theoretical and test usage issues with chapters focusing on addressing test selection issues from legal and psychological perspectives bias issues that interfere with the evaluator s ability to collect and consider data objectively a functional comprehensive approach to the use of psychological tests in a child custody evaluation with a conceptual framework for choosing assessment techniques to assess parenting competencies and other variables important in forming opinions about custodial placement and visitation access and a practical example of how to present psychological test data in an advisory report to the court a look at psychological testing from an attorney s point of view The second section of Psychological Testing in Child Custody Evaluations focuses on the MMPI 2 and the Rorschach Inkblot Test in the child custody context investigating hypotheses that can be inferred from the MMPI 2 regarding parenting behaviors and the use and value of the Rorschach This section examines the foundation from which the MMPI 2 can generate expectations regarding five basic issues the quality of attachment and bonding potential for antisocial behavior temper control alienation of affection and chemical abuse and dependence the range of variables that will generate useful hypotheses regarding parent child interactions and family systems the effects of the circumstances of litigation on score elevations including recommended limits as to how much elevation can be dismissed as only contextual the important differences between occasion validity and attribute validity the clinical application of an objective interpretation system including the courtroom credibility of explicit convergent validity the use of the Rorschach in child custody evaluations findings from a study using the Rorschach to address specific parenting variables The third section of Psychological Testing in Child Custody Evaluations is a focused point counterpoint discussion of ASPECT between test creator Marc J Ackerman and Mary Connell President of the American Academy of Forensic Psychology This book is essential reading for child custody evaluators family law attorneys and judges practicing in the family law arena as well as educators and students in these fields      Evaluation for Child Custody Geri S. W.

Fuhrmann,Robert A. Zibbell,2012 Forensic mental health assessment FMHA has grown into a specialization informed by research and professional guidelines This series presents up to date information on the most important and frequently conducted forms of FMHA The 19 topical volumes address best approaches to practice for particular types of evaluation in the criminal civil and juvenile family areas Each volume contains a thorough discussion of the relevant legal and psychological concepts followed by a step by step description of the assessment process from preparing for the evaluation to writing the report and testifying in court Volumes include the following helpful features Boxes that zero in on important information for use in evaluations Tips for best practice and cautions against common pitfalls Highlighting of relevant case law and statutes Separate list of assessment tools for easy reference Helpful glossary of key terms for the particular topicIn making recommendations for best practice authors consider empirical support legal relevance and consistency with ethical

and professional standards These volumes offer invaluable guidance for anyone involved in conducting or using forensic evaluations Child custody cases represent one of the most complex areas of forensic mental health assessment The evaluations are highly specialized requiring expertise in child development and psychopathology and a thorough understanding of the professional and ethical guidelines for child custody evaluations This volume written by two child custody examiners with years of experience and an exceptional depth of understanding of the area synthesizes the highest quality of work in the field to articulate the best practices for these evaluations based upon professional guidelines law and research

*CHILD CUSTODY EVALUATION* Daniel J. Hynan, 2015-07-01 Each year over one and a half million children experience the divorce of their parents The goal of this book is to contribute to the advancement of knowledge regarding children of divorce especially the practice of evaluation as it pertains to child custody The reality of custody evaluation work invokes a plethora of specific circumstances regarding each family that must be taken into consideration To work towards this goal the author integrates scientific findings relevant theory and professional experience in a manner that is conceptually sound and useful in practice Each chapter begins with a Practice Checklist to emphasize what is needed to engage in careful deliberation Major topics include applications of game theory to child custody uncertainty in judgment from Nobel Prize winning research time sharing collecting information from parents and collaterals observing parental interaction with children parental alienation research on strategic behavior in divorce disputes and gatekeeping In addition domestic violence child abuse substance abuse relocation report writing ethics guidelines risk management and practice improvement are discussed This book also contains important new research on the PAI PCRI and MMPI 2 specific to child custody evaluation This well written text is an excellent resource for domestic relations attorneys judges family counselors child protection workers human services advocates and mental health professionals

*The Handbook of Forensic Rorschach Assessment* Carl B. Gacono, 2008 The Handbook of Forensic Rorschach Assessment underscores the unique contribution the Rorschach makes to forensic practice All of the chapters include the expertise of a licensed practicing forensic psychologist and offer a systematic approach to personality assessment in presenting use of the Rorschach in specific forensic contexts

The International Handbook of Parental Alienation Syndrome Richard A. Gardner, S. Richard Sauber, Demosthenes Lorandos, 2006 The dramatic increase in the number of child custody disputes since the seventies has created an equally dramatic need for a standard reference work that examines the growing social problem of children who develop an irrational hatred for a parent as the result of divorce The International Handbook of Parental Alienation Syndrome Conceptual Clinical and Legal Considerations features clinical legal and research perspectives from 32 contributors representing eight countries building on the work of the late Dr Richard Gardner a pioneer in the theory practice diagnosis and treatment of Parental Alienation Syndrome PAS This unique book addresses the effects of PAS on parents and children discusses issues surrounding reconciliation between parent and alienated child and includes material published for the first time on incidence gender and false allegations of abuse in PAS Content highlights examines PAS and the roles of family members the criminal justice system and the need for public awareness and policymakers to respond to PAS Descriptive statistics on 84 cases are given and the factors affecting reconciliation between the child and target parent are listed The mild moderate and severe categories of PAS are explored

and the psychological consequences of PAS indoctrination for adult children of divorce and the effects of alienation on parents are researched The role of medical reports in the development of PAS sexual abuse allegations and future predictions on the fate of PAS children are many of the clinical considerations in this book The legal issues concern PAS in American law criticisms of PAS in courts of law protecting the fundamental rights of children in families family law reform International PAS abductions and the legal requirements of experts giving evidence to courts The impact and implications of PAS are immense and no other single source provides the depth and breadth of coverage of the topic than the clinical and forensic chapters in this book *Handbook of Psychology, Forensic Psychology* Alan M. Goldstein, 2003-01-07 Includes established theories and cutting edge developments Presents the work of an international group of experts Presents the nature origin implications and future course of major unresolved issues in the area

### **Improving the Quality of Child Custody**

**Evaluations** Lauren Woodward Tolle, William O'Donohue, 2012-05-10 This book resolves a key problem that all evaluators need to attend to i e what constructs ought to be measured all the while giving them practical ways of doing this It also presents data showing family court judges like the model and it does this fairly briefly but in a way that is nicely embedded in the research literature

**Encyclopedia of Psychological Assessment** Rocio Fernandez-Ballesteros, 2002-12-20 once you let a clinical psychologist lay hands on this book it is quite difficult to get it back again Martin Guha Librarian Institute of Psychiatry London The Encyclopedia of Psychological Assessment is a landmark reference work and constitutes a definitive resource for academics practitioners and students working in any field of applied psychological science Psychological assessment is a key component of psychological work Devices of scientific assessment are necessary for adequate describing diagnosis predicting explaining or changing the behaviour of all subjects under examination This double volume collection offers complete coverage to facilitate action in each of these areas and will consequently be invaluable to psychologists in any applied setting The two volumes of the Encyclopedia of Psychological Assessment contain a series of 235 entries organized alphabetically and covering a variety of fields Each entry includes a general conceptual and methodological overview a section on relevant assessment devices followed by links to related concepts in the Encyclopedia and a list of references The Encyclopedia of Psychological Assessment provides A comprehensive network for psychological assessment as a conceptual and methodological discipline and as a professional activity An overview of the complexity of assessment which involves not only testing but also a process of decision making for answering relevant questions that arise in the different applied fields A presentation of relevant issues from basic theory theoretical perspectives ethics and methodology validity reliability item response theory to technology and modes of assessment tests instruments and equipment for measuring behavioral operations An attempt to unify this diverse field by offering full coverage of all areas from the most traditional such as clinical educational and work and organizational psychology to the most recent applications linked to health gerontology neuropsychology psychophysiology and environmental assessment The Encyclopedia of Psychological

Assessment offers a truly international perspective both in terms of the selected authors and chosen entries. It aims to provide an integrated view of assessment bringing together knowledge dispersed throughout several methodological and applied fields but united in terms of its relevance for assessment. It is an essential purchase for any library with an existing collection or concern with the field of psychological science in general.

### **Solomons Sword A Practical Guide To Conducting Child Custody Evaluations Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Solomons Sword A Practical Guide To Conducting Child Custody Evaluations PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Solomons Sword A Practical Guide To Conducting

Child Custody Evaluations PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Solomons Sword A Practical Guide To Conducting Child Custody Evaluations free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
