Sugar Spice And Everything Nice The Cinemas Of Girlhood:

Sugar, Spice, and Everything Nice Frances K. Gateward, Murray Pomerance, 2002 A provocative contemporary anthology examining the construction of girls in modern cinema **Generation Multiplex** Timothy Shary, 2014-04-01 Generation Multiplex 2002 was the first comprehensive study of the representation of teenagers in American cinema since David Considine's *Cinema of Adolescence* in 1985 This updated and expanded edition reaffirms the idea that films about youth constitute a legitimate genre worthy of study on its own terms Identifying four distinct subgenres school delinquency horror and romance Timothy Shary explores hundreds of representative films while offering in depth discussion of movies that constitute key moments in the genre including *Fast Times at Ridgemont High* *A Nightmare on Elm Street* *The Breakfast Club* *Say Anything* *Boyz n the Hood* *Scream* *American Pie* *Napoleon Dynamite* *Superbad* *The Twilight Saga* and *The Hunger Games* Analyzing developments in teen films since 2002 Shary covers such topics as the increasing availability of movies on demand which has given teens greater access to both popular and lesser seen films the recent dominance of supernatural and fantasy films as a category within the genre and how the ongoing commodification of teen images in media affects real life issues such as school bullying athletic development sexual identity and teenage pregnancy *Hollywood's America* Steven Mintz, Randy W. Roberts, David Welky, 2016-01-04 Fully revised updated and extended the fifth edition of *Hollywood's America* provides an important compilation of interpretive essays and primary documents that allows students to read films as cultural artifacts within the contexts of actual past events A new edition of this classic textbook which ties movies into the broader narrative of US and film history This fifth edition contains nine new chapters with a greater overall emphasis on recent film history and new primary source documents which are unavailable online Entries range from the first experiments with motion pictures all the way to the present day Well organized within a chronological framework with thematic treatments to provide a valuable resource for students of the history of American film **Teen Movies** Timothy Shary, Rob McInnes, 2005-12-07 *Teen Movies* American Youth on Screen is a detailed look at the depiction of teens on film and its impact throughout film's history Timothy Shary looks at the development of the teen movie the rebellion the romance the sex and the horror up to contemporary portrayals of ever changing youth Films studied include *Rebel Without a Cause* 1955 *Splendor in the Grass* 1961 *Carrie* 1976 *The Breakfast Club* 1985 and *American Pie* 1999 **Youth Culture in Global Cinema** Timothy Shary, Alexandra Seibel, 2009-01-27 Coming of age is a pivotal experience for everyone So it is no surprise that filmmakers around the globe explore the experiences of growing up in their work From blockbuster US movies such as the *Harry Potter* series to thought provoking foreign films such as *Bend It Like Beckham* and *Whale Rider* films about youth delve into young people's attitudes styles sexuality race families cultures class psychology and ideas These cinematic representations of youth also reflect perceptions about youth in their respective cultures as well as young people's worth to the larger society Indeed as the contributors to this volume make plain films about young people open a very revealing

window on the attitudes and values of cultures across the globe Youth Culture in Global Cinema offers the first comprehensive investigation of how young people are portrayed in film around the world Eighteen established film scholars from eleven different national backgrounds discuss a wide range of films that illuminate the varied conditions in which youth live The essays are grouped thematically around the issues of youthful resistance and rebellion cultural and national identity including religion and politics and sexual maturation including gender distinctions and coming of age queer Some essays engage in close readings of films while others examine the advertising and reception of films or investigate psychological issues The volume concludes with filmographies of over 700 youth related titles arranged by nation and theme **Bad** Murray Pomerance, 2012-02-01 Violence and corruption sell big especially since the birth of action cinema but even from cinema's earliest days the public has been delighted to be stunned by screen representations of negativity in all its forms evil monstrosity corruption ugliness villainy and darkness Bad examines the long line of thieves rapists varmints codgers dodgers manipulators exploiters conmen killers vamps liars demons cold blooded megalomaniacs and warmhearted flakes that populate cinematic narrative From Nosferatu to The Talented Mr Ripley the contributors consider a wide range of genres and use a variety of critical approaches to examine evil villainy and immorality in twentieth century film Desire and Consent in Representations of Adolescent Sexuality with Adults Maureen Turim, Diane Waldman, 2023-10-02 This book presents an innovative comparative view of how the issue of adolescent sexuality and consent is differently treated in various media Analyzing teenage sexual encounters with adults across a variety of media including films television novels and podcasts the volume takes a positive stance on the expression of teenage sexuality while remaining sensitive to the power of adults to abuse and manipulate The anthology treats these representations as negotiations between conflicting forces desire sexual self knowledge unequal power and the law the latter both actual legal statutes and internalized law in the philosophical and psychoanalytic sense Questions of unequal power inherent in such relations are theorized The authors examine variations of this configuration of sexual relations between teenagers and adults from different perspectives to consider how various forms of expression rework it formally These essays are attuned to both nuances of presentation and contexts of reception and they consider how aesthetics play a role Contributing to the general debate about the ways that societies construct and regulate adolescent sexuality this book will be of great interest to scholars and students of media studies cultural studies film studies television studies sociology and gender studies Children on the Threshold in Contemporary Latin American Cinema Rachel Randall, 2017-10-10 Children on the Threshold in Contemporary Latin American Cinema Nature Gender and Agency analyzes child and adolescent protagonists in Latin American cinema This book contends that child characters have taken on a critical representational role within Latin American cinema because of their position on the threshold between nature and culture which converts them into a focus of and a limit to state or colonial biopower Rachel Randall provides a comprehensive examination of the key themes and developments in boys and girls cinematic representations since the

adoption of children's rights discourses in the region Recommended for scholars interested in Latin American studies film studies and cultural studies *Youth and Suicide in American Cinema* Alessandra Seggi, 2022-10-27 This book explores the depiction of suicide in American youth films from 1900 to 2019 Anchored in Sociology this multidisciplinary study investigates the causes and consequences of suicide and uncovers the socio cultural context for the development of youth film and suicide While such cinematic portrayals seem to privilege external explanations of suicide versus internal or psychological ones overall they are neither rich nor sensitive Most are simplistic limited or at the very least unbalanced At times they are flatly controversial In light of this overall problematic depiction of suicide this book offers a proactive approach to empower young audiences a media literacy strategy to embrace while watching these films **The**

Contemporary Femme Fatale Katherine Farrimond, 2017-07-06 The femme fatale occupies a precarious yet highly visible space in contemporary cinema From sci fi alien women to teenage bad girls filmmakers continue to draw on the notion of the sexy deadly woman in ways which traverse boundaries of genre and narrative This book charts the articulations of the femme fatale in American cinema of the past twenty years and contends that despite her problematic relationship with feminism she offers a vital means for reading the connections between mainstream cinema and representations of female agency The films discussed raise questions about the limits and potential of positioning women who meet highly normative standards of beauty as powerful icons of female agency They point towards the constant shifting between patriarchal appropriation and feminist recuperation that inevitably accompanies such representations within mainstream media contexts
