Inspirational and Sermon Starter Stories Frank Massaro, 2022-08-13 Twenty years ago I began printing emails that contained short and long inspirational stories quick quotes poems jokes and other items that were forwarded by many of my Christian friends I have finally organized these emails into those categories that will be useful while conducting Sunday school classes bible study delivering a sermon addressing civic groups changing a church sign or to someone just needing a spiritual uplift This is a book that will give a speaker an idea for a message or an avid reader who only has a few minutes during a busy schedule to pause for an uplifting message It's a book where you can start and stop at any time and come back to without having to review a previous chapter to get the impact of the story You will find new Christian ideas and messages on every page You can even make one of these stories into a church play or lyrics to a song **Suggested Sermon Starters**

Charles Inglis, 1972 *101 Sparks of Inspiration* Maralene Wesner, Miles Wesner, 2022-09-15 Many churches today have lay ministers or bivocational pastors These dedicated leaders often work at secular jobs yet must prepare two or three sermons a week This can be a real challenge Most of the brief compositions in this book can stand alone as quick devotionals or they can be used as sermon starters by providing suggested topics and outlines that include extensive scriptural research This saves leaders and teachers time but still allows them to add their own special insights develop their own applications and adapt the material to their own personal style All of these starters were originally used in a small rural church where we served as bivocational pastors for more than fifty years **Creative Preaching and Oral Writing** Carl Hoefler, 1978

Creative Preaching and Oral Writing begins with a definition of preaching then goes into a discussion of the creative importance of attitude toward the preaching task toward the content toward self and toward the listeners Skillfully comparing the structure of the sermon to the structure of the bumble bee Richard Hoefler says A good speech is like a bumble bee It possesses five basic parts each one playing a vital formation in the total process of the flight of the bumble bee a head a body a stinger legs and wings They enable both the bumble bee and the speech to get off the ground and into their work After thorough discussion of the structure of the sermon the author goes into detailed explanation of the use of the oral

style of writing sermons The illustrations and examples will enable student or the seasoned pastor to dramatically improve his or her preaching effectiveness Richard Carl Hoefler Professor of Preaching and Worship and Dean of Chapel in the Lutheran Seminary Columbia South Carolina is a graduate of Wittenberg University and the Hamma School of Theology Springfield Ohio He received a Master s degree from Princeton University and a Doctor of Divinity degree from Roanoke College in Salem Virginia Previously Richard Carl Hoefler was pastor of St John s Lutheran Church Springfield Ohio as well as instructor in Wittenberg University and Sinclair College Dayton Ohio Dr Hoefler says that his greaest accomplishment comes when a student says to him You opened up the meaning of the gospel for me I had never heard it before **The**
