Suicide Squad The Inside Story Of A Football Firm:

Suicide Squad Andrew Porter ,2005-08-01 Burnley FC fans are famously the most loyal of all their club claims the biggest support in the country compared to the size of its town Such fierce commitment has also inspired ferocious and sometimes misdirected loyalty Out of the terrace wars of the 1970s came a gang known as the Suicide Squad and Andrew Pot Porter was one of its leaders Raised in the shadow of Turf Moor in a northern community of back to back terraces he started watching matches as a cider swigging ten year old and was soon a regular on the famous Long Side where he saw the exploits of fearless terrace legends like Norman Jones and the crazy Bungalow Bill Burnley s rollercoaster history from the old Division One to Division Four and the threat of non league football meant the Suicide Squad clashed with just about every rival mob in the country from minnows like Bury and Wimbledon to giants like Spurs Celtic Birmingham and Manchester City with Pot always in the thick of it A successful amateur boxer he was also a regular follower of the England national team where he witnessed some of the most notorious incidents of modern times From raucous trips in Transit vans with carrier bags full of beer cans to sleeping off hangovers in foreign train stations to fighting with mad German skinheads Suicide Squad is a gritty realistic and vivid portrayal of the wild side of British football **Football Hooliganism, Fan Behaviour and Crime**

and offline Because the volume is specifically set up as companion for researchers the chapters include recommendations for the further study of fan cultures As such it represents an essential reference volume for researchers and scholars in the fields of cultural and media studies communication cultural geography and the sociology of culture **American Book**
