Sultan Of The Sulu Sea:

The Sultan of the Sulu Sea Duncan Watt,1997-01-01 Having found the sunken Japanese ship the Hana Maru in the South China Sea the Wallace Boys and Singaporeans Kheng Peng and Zainal are about to head for home when Moro pirates from the Sulu Sea give chase to their yacht the Silver Spray Despite all their attempts to elude their foe the Silver Spray is caught Rather than allow their yacht to fall into the hands of their captors the boys decide to scuttle her at the first opportunity with tragic consequences The two Wallaces are taken to the pirates island lair in the middle of the Sulu Sea to be held for ransom With no one to rescue them it looks as though this is the end of the line for the brothers **Homelands**

Jacob Maentz,Nicola Sebastian ,2022-10-20 A story about the land is a story of its people Enfolded in the varied landscapes of the Philippine archipelago are communities that have remained rooted to place against great and unrelenting adversity those whom we call Indigenous From 2011 to 2020 Jacob Maentz paid visits to these communities to listen and learn from within that is from the people who have called these lands home since time immemorial What unfolds in *Homelands* is the photographic narrative of Jacob Maentz s close and continuing collaboration with various Indigenous communities and groups who have been historically marginalized in the Philippines Having lived in the archipelago since 2003 Maentz is ever mindful of the trust placed in him as honored guest as well as the power of his position as an outsider Needless to say the stories and knowledge that these communities have chosen to share with Maentz have indelibly shaped his own journey of unlearning inviting him to deeply reimagine the intimate intricate and inextricable relationships between place and people In a symposium of dialogues and essays *Homelands* further reflects on Indigeneity as cultural identity as rallying banner and as multitudinous question The text explores even as it introduces the diverse concerns of Indigenous communities the importance of solidarity in the clash between self interest and shared interests the submerged history of political resistance alternative education and Traditional Knowledge systems food sovereignty and the successes and challenges of reclaiming land recognition after centuries of colonization and modern development aggression Finally *Homelands* stands in support of Indigenous peoples as the environmental frontliners of the world holding the line against irreversible ecological devastation With his lens and his presence Maentz listens to and holds space for those who have never left and those who continue to fight to live **The Book of the Pearl** George Frederick Kunz,Charles Hugh Stevenson,1908 *Chasing Archipelagic*

Dreams David R. Saunders,2024-12-15 In *Chasing Archipelagic Dreams* David R Saunders demonstrates that the withdrawal of the British imperial state from Sabah did not result in the decolonization of the territory From the late 1940s to the 1960s international anti colonialism interacted with regional competition over Sabah to result in a paradoxical increase of British power and influence on the ground Meanwhile ethnic social and political heterogeneity in Sabah contributed to fragmentation and disunity undermining the development of a local anti colonial movement Instead a class of influential local elites seized power as competing attempts by the Philippines Indonesia and Malaya to incorporate the territory into their

respective archipelagic spheres grew in strength Due to these local and international rivalries Saunders argues Sabah's eventual merger with the Federation of Malaysia in 1963 prompted an extension of colonial style rule resource extraction the suppression of local autonomy and the imposition of an externally configured national identity Chasing Archipelagic Dreams underscores the significance of regional rivalries in the South China Sea and highlights the fate of subaltern communities bisected by post colonial borders

Under the Alien Sky James M. Bourke, 2010-08-23 Under the Alien Sky is a very different kind of novel from the mainstream fictional genre It is written as an oriental fable which means it has a subtext in addition to its surface story It sets out to paint a picture of a remote and secretive state in the middle of Sulu Sea the Sultanate of Michaeli which is a small island seldom shown on maps and many people in the southeast are unaware of its existence By good chance the writer manages to establish that the Sultanate of Michaeli really exists and he gets the rare opportunity to visit it The story describes his voyage to the island and the odd people and weird events he encounters during his week there Unfortunately this little paradise on earth became a living hell when the Gang of Four sidelined the Sultan and ushered in a reign of stygian gloom The story is essentially about the Southeast Asian way of life as seen by the western visitor The intention is to paint a picture of what it is like living under the alien sky as the writer has done for the past 30 years Under the Alien Sky is a work of fiction based on fact A feature of the book is the comical and satirical subtext which should lift the spirits of the armchair reader especially in the current economic gloom Another feature of the book is the copious end notes which are for those English teachers who have never been beyond Portsmouth or Irish reader who have never been further south than the city of Cork People in the Americas and other parts of the globe travel more widely and may have some knowledge of Southeast Asia even though a former US president could not tell Iraq from Iran Under the Alien Sky is light reading perfect for the long train journey or holiday reading It has all the ingredients of a good read a stimulating story larger than life characters exotic location and candid observations on the oriental way of life Being based on fact it reads almost like an authentic journal The settings are authentic but the characters are fictional As far as the subtext is concerned the story is an oblique indictment of political intrigue corruption and religious bigotry It attacks shame and hypocrisy as well as stony faced religious zealots In putting the focus on the Sultanate of Michaeli the writer is synthesising the current political situation in any one of a dozen Southeast Asian democracies He exposes the frailty of the ruling class their crass avarice corrupt practices cronyism and their not so subtle methods of silencing all opposition However the characters and events described in the novel are purely fictional
