Summerhill Summer:

The Girl from Summer Hill Jude Deveraux, 2016-05-03 The first novel of New York Times bestselling author Jude Deveraux's breathtaking new series set in Summer Hill a small town where love takes center stage against the backdrop of Jane Austen's *Pride and Prejudice*. Enter Elizabeth Bennet. Chef Casey Reddick has had it up to here with men. When she arrives in the charming town of Summer Hill, Virginia, she leaves behind a demanding boss at a famous D.C. restaurant and a breakup with a boyfriend jealous of her success. Some peace and quiet on the picturesque Tattwell plantation is just what she needs to start fresh. But the tranquility is broken one misty morning when she sees a gorgeous naked man on the porch of her cottage. Enter Mr. Darcy. What Tate Landers, Hollywood heartthrob and owner of Tattwell, doesn't need on a bittersweet trip to his ancestral home is a woman spying on him from his guest cottage. Mistaking Casey for a reporter, Tate tries to run her out of her own house. His anger, which looks so good on the screen, makes a very bad first impression on Casey. Hollywood, he may be, but he's no sweetheart to Casey, and she lets him know it. The plot thickens. Sparks fly literally when Casey is recruited to play Elizabeth Bennet opposite Tate's Mr. Darcy in a stage adaptation of *Pride and Prejudice*. Just brushing past Tate makes Casey's whole body hum. As they spar on and off stage, Casey begins to think she's been too quick to judge. Tate is more down to earth than Casey expected, and she finds herself melting under his smoldering gaze. But then Tate's handsome ex brother-in-law, Devlin Haines, who is playing Wickham, tells Casey some horrifying stories about Tate. She is upset and confused as she tries to figure out who and what to believe. As she finds herself falling for Tate, Casey needs to know: Is the intense undeniable chemistry between them real, or is this just a performance that ends when the curtain falls? Praise for *The Girl from Summer Hill*. Kicking off a new series set in Summer Hill, Virginia, the New York Times bestselling author brings Jane Austen's *Pride and Prejudice* to the theater and into the twenty-first century. A steamy and delightfully outlandish retelling of a literary classic. Kirkus Reviews: An enjoyable start to a new trilogy. This book will delight fans of Austen and Deveraux alike. The Postsouthern Sense of Place in Contemporary Fiction Martyn Bone, 2014-01-13 For generations southern novelists and critics have grappled with a concept that is widely seen as a trademark of their literature: a strong attachment to geography or a sense of place. In the 1930s the Agrarians accorded special meaning to rural life, particularly the farm, in their definitions of southern identity. For them the South seemed an organic and rooted region in contrast to the North, where real

estate development and urban sprawl evoked a faceless raw capitalism By the end of the twentieth century however economic and social forces had converged to create a modernized South How have writers responded to this phenomenon Is there still a sense of place in the South or perhaps a distinctly postsouthern sense of place Martyn Bone innovatively draws upon postmodern thinking to consider the various perspectives that southern writers have brought to the concept of place and to look at its fate in a national and global context He begins with a revisionist assessment of the Agrarians who failed in their attempts to turn their proprietary ideal of the small farm into actual policy but whose broader rural aesthetic lived on in the work of neo Agrarian writers including William Faulkner and Eudora Welty By the 1950s adherence to this aesthetic was causing southern writers and critics to lose sight of the social reality of a changing South Bone turns to more recent works that do respond to the impact of capitalist spatial development on the South and on the nation generally including that self declared international city Atlanta Close readings of novels by Robert Penn Warren Walker Percy Richard Ford Anne Rivers Siddons Tom Wolfe and Toni Cade Bambara illuminate evolving ideas about capital land labor and class while introducing southern literary studies into wider debates around social cultural and literary geography Bone concludes his remarkably rich book by considering works of Harry Crews and Barbara Kingsolver that suggest the southern sense of place may be not only post Agrarian or postsouthern but also transnational
