The Message of Humanity Ian W. Payne,2025-02-20 Who do humans think they are A cacophony of answers in the face of global challenges like climate change artificial intelligence racism nationalism terrorism feminism abortion gene therapy gender constructivism shows we do not agree To a deeply divided despondent world the Bible speaks today about the human condition and destiny by pointing us to Jesus Christ the true human the image of God Ian Payne s conviction is that the most important answer to the question of humanity is God He expounds a comprehensive selection of Old and New Testament passages and examines a range of issues in being human today The book is structured in three parts following the biblical narrative Part 1 Created in the image of God Part 2 Image of God renewed in Christ Part 3 Issues in being human This biblical theology shows that hope and meaning for humans are found in remembering and trusting God s gift of life and goal of redemption and restoration With an integrated study guide this book is perfect for personal and group study and preachers application of the passages covered

Destiny's Voyage Bob Love,2006-06 They say fact is stranger than fiction This is a book of just such an event History chronicles only one RMS Titanic but in reality there were two The one we all know that struck the iceberg on her maiden voyage on April 14 1912 A mighty luxurious steamship intended to be the White Star Line s new Queen of the Atlantic Ocean trade between England and America The other was actually the first of the White Star Line s evolution into the luxury liners with the SS Atlantic Almost to the day 29 years earlier on April Fools Day 1873 she ran hard aground on the Nova Scotia coast causing the loss of a higher percentage of her souls than her descendent The unique factor being only the fittest survived leaving the souls of all the women and but one child buried with her at the bottom of the sea The book will take you on a voyage that will cause you to reflect upon your own mortality and

how the events in your life play a roll in your own destiny Events that can be playing out by persons you do not even know work their way along a path until circumstances throw you together at a common place and time as though preordained culminating in a tragedy such as the two sister ships of the White Star Line Like father like son both made decisions based on mirrored motivations both with tragic results You will witness the actual words of the cast including their testimony at the Inquiries at Halifax and Liverpool You will be the jury in forming your own opinions as to the real cause and who carries the primary guilt of responsibility It s a voyage you should book passage on for enhancing your sensitivity to predestination

Destiny's Journey Alfred Döblin, 2019-08-16 Destiny s Journey is a memoir reconstructed partly from notebooks that Döblin kept from the time he worked in the French Ministry of Information in the spring of 1940 and partly written without notes in Los Angeles where he took refuge during the Second World War It tells the personal and generational story of the flight of Jewish and anti Nazi intellectuals from Europe to America their fear and frustration isolation and inability to work Döblin s story differs from that of other Jewish intellectuals and artists in that his family converts to Catholicism in Los Angeles Unlike most of them he returns to Europe as an officer with the French forces and works on denazifying German literature The conversion narrative bridges the departure from and return to Europe To critic John Simon the latter part of the book often reads like a shrill piece of Christian homiletics But even this is not without interest as it traces the transformation of an anarchic outsider into a dogmatic insider The first part of Destiny s Journey about Döblin s departure from Paris in 1940 is magisterial acidly observed saturated in telling detail grimly comic and harrowing with an exemplary introduction by Peter Demetz an important nourishing book John Simon The New York Times [Destiny's Quartet](#) Barbara Knight, 2011-06-07 Julie Smith and Graeme McKenzie grew up together but their budding teenage romance dramatically stalls Julie becomes a leading fashion designer in New Zealand while Graeme follows an exciting career in the R A F Both separately marry but they secretly hold deeply hidden feelings for each other Thrown together by a chance encounter in Sydney Australia their mutual secret surfaces and a sensuous weekend follows Yet professional and domestic commitments means they must part once more Can their normal lives ever resume Can they live a doublelife Follow them through four stages of their diverse worlds of high fashion and of a high ranking and heroic air force officer
