Brice,2011-08-25 The book acknowledges the grace of God in the author s life given back after a fatal automobile accident in 1985 Incidents of her own healings and spiritual gifts of laying on of hands for healing others and dream interpretations permeate the book The printed memories are of God s intervention even for renewal of lost memories found when He awakened her one early morning saying Opaline The Glory Of The Lord Is In This

Place Get up and write She remembers getting up and writing just those words and getting back into bed She writes that immediately she heard the Lord say You are the Place and my Glory is in you Get up and write the book I have given you the title and I will give you the words The author went back to her computer and began writing as God graciously reminded her of many incidents He wanted in print for the hope of others in knowing that God is no respecter of persons The book is all about God s blessings not about the author Only through Him is she laying on of hands for healing offering prayers daily over the telephone and giving dream interpretations By the grace of God this senior woman is still able to sing with clarity and anointing of voice
