focused on life and building The Gospel of John reveals that in Christ the Word of God is life that He came that man may have life and that He Himself is life Furthermore this Gospel shows that Christ is the bread of life that He has the water of life that He gives life to man and that He even lives in man as life The Gospel of John also unfolds the divine building In 1 14 we see that Christ in the flesh was the tabernacle for God s habitation among men on earth In 2 19 21 Christ s human body was also the temple of God on earth Through His death His body in the flesh was destroyed and in His resurrection He raised up His mystical body the church to be the enlarged temple of God This is God s building in the universe Furthermore this Gospel reveals that the believers are to be built up to be the Father s house the dwelling place of the Triune God This is adequately and fully disclosed in John 14 According to that chapter all the believers will be built together as God s eternal habitation with many abodes Thus as the Lord s last prayer in John 17 indicates all His believers must be built up into one The first section of the Gospel of John composed of the first 13 chapters is on the coming of the Lord Jesus to bring God into man and to declare God to man The second section composed of the last eight chapters is on the Lord s going in death and coming back in resurrection to bring man into God and to abide in and with man for God s building *Canadian Periodical Index*, 1965 **Sunday** Georges Simenon, 1936 **Life's Enlivening—the Need of the Impotent** Witness Lee, 2022-06-20 Every human being has a need related to his or her condition In his Gospel John uses nine cases to represent the various conditions and needs of human beings in order to illustrate that Jesus Christ as life fully meets the need of man s every case In this booklet taken from Life study of John Witness Lee focuses on the fourth of these nine cases which exposes the vanity of religion and reveals that it is Christ as life who enliven us In this case we see a man who had been sick for thirty eight years who knew how he could be healed but could not get up and do what was required He was impotent unable to move just as we all are unable to meet the requirements of religion But then the Lord Jesus came to this man and spoke The impotent man heard the enlivening word of the living life giving Lord and he was healed It is the same with us today When we have Jesus we have life s enlivening **Fiction Catalog** H.W.
