Sunrise On Cesar Chavez:

Sunrise on Cesar Chavez Mike Dixon, Mark Dixon, 2004-03-01 Sunrise on Cesar Chavez is gritty urban free verse poetry about life in Los Angeles California **The Gospel of César Chávez** Mario T. Garcia, 2007-08-10 Once asked to explain how he had sustained himself over so many years of struggle Cesar Chavez responded I don't think I could base my will to struggle on cold economics or some political doctrine For me the base must be faith In evaluating the life and struggles of Cesar Chavez one of the most recognized Latino leaders in the United States and the first labor leader to successfully organize and unionize U.S. farm workers many historians, journalists and other writers have largely missed one significant factor of his life his faith and deep spirituality The Gospel of Cesar Chavez uses the prolific leader's own words to express his profound faith and the way it shaped his life and leadership **Fray** Julia Bryan-Wilson, 2021-02 In 1974 women in a feminist consciousness raising group in Eugene Oregon formed a mock organization called the Ladies Sewing Circle and Terrorist Society

Emblazoning its logo onto t-shirts the group wryly envisioned female collective textile making as a practice that could upend conventions threaten state structures and wreak political havoc Elaborating on this example as a prehistory to the more recent phenomenon of craftivism the politics and social practices associated with handmaking Fray explores textiles and their role at the forefront of debates about process materiality gender and race in times of economic upheaval Closely examining how amateurs and fine artists in the United States and Chile turned to sewing braiding knotting and quilting amid the rise of global manufacturing Julia Bryan Wilson argues that textiles unravel the high low divide and urges us to think flexibly about what the politics of textiles might be Her case studies from the 1970s through the 1990s including the improvised costumes of the theater troupe the Cockettes the braided rag rugs of US artist Harmony Hammond the thread based sculptures of Chilean artist Cecilia Vicuña the small hand sewn tapestries depicting Pinochet's torture and the NAMES Project AIDS Memorial Quilt are often taken as evidence of the inherently progressive nature of handcrafted textiles Fray however shows that such methods are recruited to often ambivalent ends leaving textiles very much in the fray of debates about feminized labor protest cultures and queer identities the malleability of cloth and fiber means that textiles can be activated or stretched in many ideological directions The first contemporary art history book to discuss both fine art and amateur registers of handmaking at such an expansive scale Fray unveils crucial insights into how textiles inhabit the broad space between artistic and political poles high and low untrained and highly skilled conformist and disobedient craft and art
