International Journal of Comic Art, 2009 **Young Mrs. Charnleigh** Thomas W. Hanshew, 1883 **Sunshine and Shadow** Lynn Johnston, 1999-08 In Sunshine and Shadow Johnston s approach again radiates truth humor and compassion as the Pattersons deal with the illness and death of Elly s mother Readers mourn with the Pattersons as they gather for a loving tribute wishing their cherished mother could be there with them You know what Dad Elly says to her father I bet she was The family also watches as life goes on college student Michael s love life heats up and Elizabeth has begun the transformation into a young adult Through it all John and Elly raise their brood Michael Elizabeth and April as well as Edgar the dog with a liberal mix of love and laughter Heartwarming and humorous the Pattersons give readers a reason to smile while emphasizing what s really important in life **Leadership Two Words at a Time** Bill Treasurer, 2022-09-27 For newcomers and upper management alike leadership can be overwhelming and overcomplicated By building core tenets of leadership around two key words for each chapter Bill Treasurer simplifies the equation Congratulations new leader You ve joined the ranks during an exceptionally complicated time Our current workplace climate is fraught with political divisions economic disparities and ever shifting social dynamics Leaders are managing remote teams across larger geographic distances and facing new roadblocks to onboarding giving performance feedback and nurturing healthy relationships Leadership Two Words at a Time speaks directly to the plight of the new leader and is divided into three parts Leading Yourself Leading

People and Leading Work Rather than overintellectualize the practice Bill Treasurer breaks up the concept into essential and understandable learning nuggets summed up by two word headers that provide the practical guidance and support that leaders often don't get The result is time tested wisdom that new leaders can grasp immediately and implement easily and with a little practice master completely Consider it a personal leadership playbook This book gives you the basic building blocks to gain both competence and confidence take on greater responsibility and learn what it takes to be and stay a leader
