

To A Distant Friend

*Why art thou silent! Is thy love a plant
Of such weak fibre that the treacherous air
Of absence withers what was once so fair?
Is there no debt to pay, no boon to grant?*

*Yet have my thoughts for thee been vigilant,
Bound to thy service with unceasing care--
The mind's least generous wish a mendicant
For nought but what thy happiness could spare.*

*Speak!--though this soft warm heart, once free to hold
A thousand tender pleasures, thine and mine,
Be left more desolate, more dreary cold
Than a forsaken bird's-nest fill'd with snow
'Mid its own bush of leafless eglantine--
Speak, that my torturing doubts their end may know!*

William Wordsworth

The Distant Friend

**Bernadette Descharmes, Eric Anton
Heuser, Caroline Krüger, Thomas Loy**

The Distant Friend:

To, My Long Distance Friend Vikas Soni, Aashna Chawla, 2022-02-12 When you are far from your best friend you really need to express it The same way this book is the collection of 15 letters by someone's long distance best friend from all around this country Their writeups describe the beauty of distance in their friendship This beautiful anthology is compiled by Vikas Soni Aashna Chawla **The Secret of the Dragon Gems (A Long-distance Friendship Mixed Media Novel)**

Rajani LaRocca, Chris Baron, 2023-08-29 Co written by Newbery Honor winning author Rajani LaRocca and Chris Baron this page turning novel is told through letters e mails instant messages and video chats between camp friends Tripti and Sam over their shared love of a book series and some mysterious rocks they brought home from summer camp Eleven year olds Tripti Kapoor a feisty word nerd from Massachusetts and Sam Cohen a shy imaginative budding geologist from California are both miserable at Camp Dilloway a summer camp in upstate New York On the last night of camp they follow a shooting star to a quiet creek There they find two silvery rocks glowing in the night They each take one home and their long distance friendship begins It's soon clear that these are no ordinary rocks They seem to move on their own get strangely hot and even take over Tripti and Sam's thoughts Inspired by their mutual love of their favorite book series The Dragon Gems they dub the rocks Opal and Jasper after the Dragon Gems in the books But others are interested in the stones too including the owner of Camp Dilloway who hides a secret of his own Tripti and Sam must crack the Dragon Gems code and keep them out of Dilloway's clutches all while navigating the rocky road of middle school friendships and learning to stand up for what is right

The Keepsake of Friendship G. S. Munroe, 1853 **The Radical** Sidney H. Morse, 2021-11-05 Reprint of the original first published in 1867 **Freunde, Gönner und Getreue** Bernadette Descharmes, Eric Anton Heuser, Caroline Krüger, Thomas Loy, 2011 English summary Close relationships that go beyond family ties and kinships have become an interdisciplinary research subject that has received a lot of attention Variations of social ties such as friendship patronage and social networks ensue from different historical and cultural contexts and hence constitute a significant yet under represented subject of interdisciplinary research Questions such as the changing semantics of friendship historical intercultural and political practices of friendship patronage and loyalty were the focus of an international conference for a critical discussion and re assessment of values and norms that constitute such relationships in different cultures and epochs as well as the social circumstances that determine them Aspects of interest included the constitution and representation of the body and gender and the growth of trust and deceit as well as the culturally and historically different practices and semantics of friendship and patronage and the way they are perceived according to social status and social and historical contexts The results of the conference are presented in this volume German description Nahbeziehungen die über familiäre und verwandtschaftliche Bindungen hinausgehen haben sich zu einem vielbeachteten Thema interdisziplinärer Forschung entwickelt Beziehungen wie Freundschaft Patronage und soziale Netzwerke als Variationen sozialer Bindungen sind das Ergebnis unterschiedlicher

historischer wie kultureller Kontexte und stellen deshalb einen wesentlichen aber immer noch unterrepräsentierten Gegenstand interdisziplinären Forschens dar. Fragen nach sich ändernden Freundschaftssemantiken historischen und interkulturellen bzw. politischen Praktiken von Freundschaft, Patronage und Loyalität standen im Mittelpunkt einer internationalen Tagung, die eine kritische Diskussion und Neubewertung von Werten und Normen, die z. B. Freundschaft in verschiedenen Kulturen und historischen Epochen konstituieren sowie der sozialen Umstände, die diese Nahbeziehungen bedingen, vorgenommen hat. Aspekte wie Konstitution und Repräsentation von Körper und Gender und das Entstehen von Vertrauen und Betrug waren dabei ebenso von Interesse wie die kulturell und historisch unterschiedliche Praxis und Semantik von Freundschaft und Patronage sowie deren jeweilige Wahrnehmung in Abhängigkeit von ihrer gesellschaftlichen Situation in verschiedenen sozialen und historischen Kontexten. Die Ergebnisse dieser Tagung werden nun im vorliegenden Band präsentiert.

A Poetics of Courtly Male Friendship in Heian Japan Paul Gordon Schalow, 2006-12-31 Western scholars have tended to read Heian literature through the prism of female experience, stressing the imbalance of power in courtship and looking for evidence that women hoped to move beyond the constraints of marriage politics. Paul Schalow's original and challenging work inherits these concerns about the transcendence of love and carries them into a new realm of inquiry: the suffering of noblemen and the literary record of their hopes for transcendence through friendship. He traces this recurring theme, which he labels courtly male friendship, in five important literary works ranging from the tenth-century *Tale of Ise* to the early eleventh-century *Tale of Genji*. Whether authored by men or women, the depictions of male friendship addressed in this work convey the differing perspectives of male and female authors, profoundly shaped by their gender roles in the court aristocracy. Schalow's analysis clarifies in particular how Heian literature articulates the nobleman's wish to be known and appreciated fully by another man.

Taking Away the Distance Miles Roston, 2007-11-30 An advocate for AIDS orphans in Africa recounts his own disadvantaged youth in a Kenyan shantytown after losing his parents, describing his struggles to survive and become educated. His work, alongside documentary filmmaker Miles Roston and his efforts to protect the current generation of African children. Original.
