The Divine Perfume Of Love:

The Divine Perfume of Love Jagmohan Kapur, Joy Kapur, 2000-04-30 In inspirational spells these poems were dictated me in my quest for the unknown and I became a conduit for a spiritual message to the world These mystical verses are joyous ecstasies of pure love and the hidden message of universal love to humanity for life without the soul stirring experience of pure love is but an emptiness of soul They are in the tradition of Sufi mystical poetry of the past Beloved becomes God and love is religion We are all tied in this universal love and oneness of the human race These verses contain the wine of timelessness and the profundity of its essence lies not in what is written but what is not written These are not verses to satisfy the senses but the thirst of the soul They start with human love and transcend into divine love These lines have the perfume of pure love that lead us to dialogue with eternity or Pure Consciousness These verses go beyond the 5 basic senses of touch sight sound smell and taste the sixth Rasa of mind or intellect and takes us to the 7th Rasa which is the supreme Rasa of Divinity **From The Stage To The Prayer Mat** Rabia Christine Brodbeck, 2008-12-01 Gracefully chronicling one Western woman's attraction to the universal charm of Islam and the Prophet Muhammad this inspirational memoir chronicles why and how Brodbeck journeyed from the exciting world of modern dance in New York City to Istanbul where she lovingly embraced Islam **The Sanctifier** Luis Martinez, 2023-02-20 In one of the most fascinating books on the Holy Spirit ever written Archbishop Martinez reveals to readers the secret of holiness guiding us step by step to understand the gentle ways the Spirit acts in our lives guiding us to the Father and Son especially through the virtues of faith hope and charity He then explores the seven gifts which make us attentive to the promptings of the Holy Spirit the consoling fruits of the Spirit and the Beatitudes the summit of the Christian life **Stargate 2012 Alignment** Sarah Ince, 2011-07-26 Stargate 2012 Alignment 44 Levels of Ascension Lightwork pave the light path to ascension into the light for entry to the Golden Age on Earth The earth pole shift is coming up in 2012 and a unique galactic shift will occur opening the Stargate of Ascension for those who are prepared vibrationally *This Is No Secret* Joy Kapur, 2009-02-19 It is almost impossible to capture the richness and the beauty of the idea contained in this book within the confines of one book or thousand books This is the essence of my own thinking and reflection based on my spiritual studies from various sources of knowledge and the wisdom of the ancient seers in the last forty years or so of my life It will be more appropriate to say that it is a product of my new awareness or call it the gift of grace that I have been able to put together multi faceted ideas about the Heart in a new frame of light We hear about the heart everywhere whether it is in a romantic tune or about love from the heart or emotions emanating from the heart or somebody singing about his or her broken heart Contrary to the popular belief that it is the brain that does everything and that it is mind or the brain that is the seat of consciousness we now know that it is the heart not the physical but the spiritual heart that is linked to the source of infinite intelligence Since ages in every culture and every religion much has been written about the heart metaphorically As per the wisdom of the ancient Hindu seers Greek and Buddhist scholars heart is the seat of

human consciousness Here are the lines from Rig Veda X129 written more than 3 000 years ago In the One arose Love Love the first seed of the Soul The truth of this the sages knew Found hidden in their hearts Seeking therein the essence of wisdom The sages found that bond of union Between the known the Unknown Mankind has reached the highest expression of life or perhaps coming close to the ultimate states of human evolution when it comes to emotions feelings perceptions and subtler or higher realms of consciousness The natural laws of the universe are coaxing the humanity to seek the oneness the unity and the harmony in the hearts of everybody and everywhere by rising above any barriers of divisiveness and separateness It is true that we can observe the mind through that faculty of the mind which observes the mind call it the faculty of reflection or self introspection It is the mind that observes the lower mind or the monkey mind and through developing this new awareness becomes the higher mind Let us call this the super mind This super mind has the faculty to absorb the heart based consciousness beyond the limited and conditioned consciousness of the baser mind In other words it is only through the light of this new awareness that mind becomes the super mind It is only through unity of the mind with the heart that the aspirant can experience a quantum leap in awareness and bestows the aspirant with keen intelligence This keen intelligence is not a product of the lower mind but the mind that soaked in the heart consciousness and the ennobling qualities connected with the heart The heart is far more than a mere organ that pumps blood all day long it is a generator of information energy and its cells are storehouses of info energetic memories Heart is a feeling thinking receiving and communicating organ having spiritual powers Heart is the most sophisticated internal cosmic antenna capable of receiving and remitting healing rays through thoughts feelings and prayers in the form of positive vibrations This not based on some heresy or some old man s tale or hunches it is based on self knowledge wisdom and discernment and qualities of head and heart It is your thoughts and passions deep down your heart that determine who you are and your core passions and what you will be based on knowing first and then implementing those passions through a plan of action When we know what we are deep down in our heart it is easy to go about following what we love and loving what we do All our desires ambitions fears loves and passions reside in embryonic form in our heart center We are naturally attracted to whatever we secretly harbor in our heart s DNA and whatever we harbor with passion has the p **Ferishtah's Fancies** Robert Browning, 1898
