Patrick Boyer,2008-03-25 Limited time offer A local library passport to a larger world for its individual patrons is also a democratic institution whose contribution to the strength of a community is out of all proportion to its size or membership Several thousand Carnegie libraries were built a century ago when Andrew Carnegie who had risen from poverty to become the richest man in the world vowed to donate all his money before he died and set about giving millions of people around the world the same gift of reading he had with access to a library as a factory working boy Across the United States the United Kingdom Canada and other corners of the English speaking world he created the free republic of libraries This is the story of one of them By tracing evolution of library service in the Canadian town of Bracebridge from 1874 to the present day within the broad sweep of larger cultural and economic patterns Boyer s engaging book provides a specific example of the universal transformation of books and information technologies and the libraries that house them from the 19th to 21st centuries Most readers will find endearing and tantalizing parallels with their own library experience wherever they live Written to coincide with the 100th anniversary of the Andrew Carnegie Library in Bracebridge in 2008 Boyer s book is an inspired and engaging effort to show patterns and perils that probably hold true for most local libraries although some of the dramatic and comedic episodes here are surely unique This story is so rich it could be a feature movie **The 100th Wish** Sandra Brown,Caroline Keefer,2014-06-19 The 100th Wish is based upon a true story told by Caroline and her grandmother What is a wish How many ways are there to make a wish Does wishing all the ways you can think of make wishes come true or is there more to it In her 7 year longing for a puppy Caroline learns all the ways to make a wish who to ask to assist her how to take responsibility and deal with disappointment and frustration Her experiences and the outcome of her story has led her to look at wishes and fulfillment in a new way She has dedicated her second book to the Make a Wish Foundation and appeals to her readers to make a difference in the life of a child
