The Down East Murders:

The Down-East Murders J. S. Borthwick, 1991-09-15 Working on the Godding Museum's annual local artist show is the perfect way for English teacher Sarah Deane to earn a few dollars relax in the sun and sea air of coastal Maine and spend the summer with her boyfriend Dr Alex McKenzie But when Sarah and Alex discover the body of Nate Harwood a cranky local artist caught in an offshore fish trap they know they'll have no vacation from amateur detecting until they catch his killer Could his death be related to the accidental drowning of two elderly tourists shortly after they had brought a painting from Prior's Gallery Is one of the contestants in the museum show willing to go to any lengths to win Or does someone have strong feelings against seascapes Sarah and Alex canvass Weymouth Island trying to draw a clearer picture of the killer lurking among them before they find the next victim *The Case of the Hook-Billed Kites / The Down East Murders* J.S.

Borthwick, 2023-07-11 In two classic mysteries an English teacher by profession discovers that sleuthing of the strictly amateur variety may be where her truest passions lie J S Borthwick's debut novel *The Case of the Hook Billed Kites* takes Sarah Deane still a grad student at this point out of her natural New England habitat and into the wilds of Texas where her maybe boyfriend is keen on a spot of birdwatching But birds are not all that she spies through her binoculars and so the adventures begin In *The Down East Murders* Sarah is glad to be back on home ground but somebody it appears is not happy in any way at all and Sarah is forced and secretly thrilled to put her newfound detecting skills to use again Praise for the first two mysteries featuring Sarah Deane Miss Borthwick has a keen eye and a sharp pen *The New York Times* Borthwick has the right stuff *The Washington Post Book World* A top notch mystery that also gives the smell of the sea fresh in your face *The Houston Post* Very much in the Christie tradition will challenge the wits of the most veteran of armchair detectives *Library Journal* Witty appealing and thoroughly delightful an ingenious richly satisfying mixture of the classic elements of a murder mystery *Mystery News* **Down East**, 2009-02 [Murder in the Rough](#) J. S. Borthwick, 2003-08-18 When a murder occurs

after the arrival of three new families in the quaint Ocean Tide community on the coast of Maine Sarah Deane a recently unemployed Ph D delves into the investigation discovering dark secrets that could shatter the peaceful town **The Down East Murders** J. S. Borthwick, 1991 **22 Murders** Paul Palango, 2022-04-12 1 NATIONAL BESTSELLER A shocking exposé of the deadliest killing spree in Canadian history and how police tragically failed its victims and survivors As news broke of a killer rampaging across the tiny community of Portapique Nova Scotia late on April 18 2020 details were oddly hard to come by Who was the killer Why was he not apprehended What were police doing How many were dead And why was the gunman still on the loose the next morning and killing again The RCMP was largely silent then and continued to obscure the actions of dentist Gabriel Wortman after an officer shot and killed him at a gas station during a chance encounter Though retired as an investigative journalist and author Paul Palango spent much of his career reporting on Canada's troubled national police force Watching the RCMP stumble through the Portapique massacre only a few hours from his Nova Scotia home

Palango knew the story behind the headlines was more complicated and damning than anyone was willing to admit With the COVID 19 lockdown sealing off the Maritimes no journalist in the province knew the RCMP better than Palango did Within a month he was back in print and on the radio peeling away the layers of this murderous episode as only he could and unearthing the collision of failure and malfeasance that cost a quiet community 22 innocent lives *Dude On Arrival* J. S. Borthwick,1992-11-15 English teacher Sarah Deane and her boyfriend Dr Alex McKenzie leave snowy Maine to join Sarah's feisty Aunt Julia for Christmas at the exclusive Rancho del Gato Blanco resort in Arizona But they soon realize there's no place like home for the holidays when ranch guests become the prey of a prankster whose destructive acts are tallying up like a Yuletide carol Garden hose a spraying Lounge chair collapsing Mud in the coffee Golf carts a stalling Rubber snake in bathtub Wagon wheel a flying The pranks take a murderous turn Christmas morning when one of the guests turns up dead among the gifts in Santa's sack Sarah and Alex are certain the killer lurks among them Could it be quirky clerk Cookie Logan Aging film star Maria Cornish Her hot tempered beau Blue Feather Romero Head wrangler Peter Doubler Or someone in the entourage of U S Senator Leo J Hopgood The police even have eccentric Aunt Julia on their list of suspects but if Sarah and Alex don't find the killer fast they could all end up on the list of victims **Down East Libraries** ,1985 *Mystery Women, Volume Two (Revised)* Colleen Barnett,2011-12-31 Many bibliographers focus on women who write Lawyer Barnett looks at women who detect at women as sleuths and at the evolving roles of women in professions and in society Excellent for all women's studies programs as well as for the mystery hound Look at the popularity of such reading guides as Willetta Heising's *Detecting Women* 3rd ed 0 9644593 7 X or Amanda Cross fiction *Honest Doubt* 0 345 44011 0 11 00 [Murder Aboard](#) C. Michael Hiam,2019-05-01 From an author praised by the Wall Street Journal for his eye for a good story comes an account of the Herbert Fuller tragedy of 1896 a tragedy that occurred on the high seas and involved the senseless slaughter of three of the twelve souls on board Stunned by this act of random violence and in sure knowledge that one or more of their own was the murderer the living turn the vessel to shore 750 miles distant In the nightmarish days and nights of suspense that follow first one and then another of the remaining nine is seized by others as the culprit Upon reaching port however all are under suspicion until the man most likely to have committed the act is for reasons having to do with race exonerated and the man most likely to be innocent prosecuted At the center of this gripping and gruesome story is the first mate Thomas Bram whose subsequent murder trials became as widely followed by the press and public as was the famous trial of Lizzie Borden just a few years before Unlike the Borden case remembered today in books movies and children's rhymes the Bram case was almost lost to the collective memory Fortunately C Michael Hiam in the manner of Erik Larson now brings it to life
