The Dream House:

The Dream House Jess Ryder, 2019-06-21 One of the best psychological thrillers I've read in a long long time Just brilliant loved every page every twist and turn Sunk its claws into me from page one and didn't let go until the end Be prepared to be glued to this story Absolutely all the stars Set aside everything that you have to do This book will grip you from the very first pages I loved it When I first set eyes on Westhill House with its breath taking views of the sea I knew it was the perfect place for a fresh start The place may be falling apart but it can be fixed with some tender loving care And as Jack and I work to repair this beautiful building maybe we can repair our relationship too Maybe we can make Westhill House a refuge from all the tragedies that came before Lori has come to Westhill House for shelter too She says it used to be a place where women went for safety How can I turn her away when violence waits for her outside these high walls But the longer Lori stays the more time Jack spends away And the more she helps me restore the house the more secrets start to be revealed Like the children's drawings under the wallpaper in the back bedroom The hidden papers underneath the floorboards in the turret room But why does Lori know so much about Westhill House if she's never been here before What does she really need protection from And now I've invited her into my dream house is there any escape for either of us A gripping spine chilling read brimming with secrets and lies If you loved *The Girl on the Train* *The Wife Between Us* or *The Woman in the Window* then this dark twisting psychological thriller from Amazon chart bestseller Jess Ryder is guaranteed to have you gripped What readers are saying about *The Dream House* Wow what an amazing thrilling chilling book that sunk its claws into me from page one and didn't let go until the very end Ryder will be on my top list of authors full of thrills chills hearts aches and twist gripping character driven wonderfully written I've been in a bit of a reading slump when it comes to thrillers lately but this one really is a standout novel Super Heroines 5 stars I loved this one and couldn't wait to get to the end Mrs Joe Reads I'm a fan of this author and was excited to get a chance to read *The Dream House* The story is clever as I've come to expect from Ryder and the characters are engaging and multi dimensional I don't want to give away anything of the plot but there are plenty of twists and turns that kept me on my toes *The Princess and the Pen* Cooking the Books Review 5 stars A thoroughly convincing and enthralling read A psychological thriller that is unpredictable and will totally shock you when you least expect it Cooking the Books Review 5 stars Gripped me from the start Westhill House is brought to life with an unsettling chill The characters are authentic and intriguing constantly had me guessing Captivating grips you until the very end Irresistibly Bookish Wow I loved it pacy and taut with well written characters Read it now Netgalley Reviewer 5 stars So this isn't my first book by Ryder and I have to admit she REALLY knows how to write a gripping story awesome awesome book by her Goodreads Reviewer 5 stars Definitely a great mystery thriller I was guessing every which way and found myself stymied time and time again Loved being kept on the edge of my seat Such a thrilling read A Bookish Way of Life **The Dream House** Rachel Hore, 2012-11-22 Secrets from the past unravelling in the present Uncovering secrets that span
