The Eagles Nest The Beginning:

Up And Down Vail Mountain Sherry Oaks, Raymond Gruenfeld, 2019-03-15 As Vail's Bob Parker tells the story the only difference between the early days of Vail and those of the mining towns in Colorado nearly a hundred years earlier was that Vail's gold was white Otherwise the scene was similar the streets were dirt covered the bars were rowdy buildings were being constructed everywhere and the same self starting and chance taking spirit prevailed If you are new to Vail this book should serve as a guide to the trails and special features that you'll find here If you've been to Vail before it's possible that you've missed a run that might be perfect for you or a special feature that will help complete your skiing day If you're an old timer there may be new programs you're not aware of or perhaps a secluded part of Vail Mountain you haven't discovered
